Quiz Me Ships:

Passing Ships Gordon Gray, 2012-03-15 A fascinating and poignant account of one man's life on the sea and the love it continues to inspire in him

Gulag Voices Anne Applebaum, 2011-01-25 A unique anthology of Gulag memoirs edited and annotated by Pulitzer Prize winning author Anne Applebaum. Anne Applebaum wields her considerable knowledge of a dark chapter in human history and presents a collection of the writings of survivors of the Gulag, the Soviet concentration camps. Although the opening of the Soviet archives to scholars has made it possible to write the history of this notorious concentration camp system, documents tell only one side of the story. *Gulag Voices* now fills in the other half. The backgrounds of the writers reflect the extraordinary diversity of the Gulag itself. Here are the personal stories of such figures as Dmitri Likhachev, a renowned literary scholar; Anatoly Marchenko, the son of illiterate laborers; and Alexander Dolgun, an American citizen. These remembrances, many of them appearing in English for the first time, each chosen for both literary and historical value, collectively spotlight the strange moral universe of the camps as well as the relationships that prisoners had with one another, with their guards, and with professional criminals who lived beside them. A vital addition to the literature of this era, annotated for a generation that no longer remembers the Soviet Union, *Gulag Voices* will inform, interest, and inspire, offering a source for reflection on human nature itself.

Abandon Ship Dave Schubert, Terry Rogers, 2005 JT is the fictional memoir of an emotionally troubled yet wickedly likable amateur vigilante. With a complex and quirky mixture of psychological suspense, romance, heartache, and wry humor, JT brazenly illustrates some of the horrid consequences of childhood abuse and trauma in adult survivors. It also invites us to reconsider an important and deceptively complicated question: What is justice? **WARNING:** This book contains explicit adult themes, including vulgar language, borderline pornographic sexuality, graphic depictions of violence, irresponsible drug use, and a grandmother who gives her middle finger to the world. Caveat emptor.

Ship, the Lady and the Lake Meriel Larken, 2012-07-01 An extraordinary account of one woman's single-minded campaign to restore a Victorian steamship to her former glory and make her an Andean attraction. Here is a vivid account of Meriel Larken's incredible quest to restore the Yavari steamship against the odds, a ship that is now celebrating its 150-year anniversary in 2012. In 1862, the English-built Yavari was taken to bits and shipped to South America. In an epic logistical feat, it was carried in thousands of pieces by mule up the Andes to Lake Titicaca, 12,500 feet above sea level, the world's highest navigable waterway. She was reconstructed and for more than a century plied her trade up and down the lake, but by 1985 she was a sad, rotting hulk until she was found by Larken, who led the quest to project to restore and preserve the ship. The oldest single-screw iron passenger ship in the world, this nautical and engineering jewel is now a major Peruvian tourist attraction.

The Algebraist Iain M. Banks, 2024-04-02 As complex, turbulent, and spectacular as the gas giant on which it is set, this novel from Iain M. Banks is space opera on a truly epic scale. An enormously enjoyable book full of wonderful aliens, a sense of wonder, and subtle political commentary on current events. Publishers Weekly Starred Review. It is 4034 AD.
