*The Qumrān Community: Its History and Scrolls* Charles Theodore Fritsch, 1972      **The Qumran Community** Charles T. Fritsch, 2003-01-01      Beyond the Qumran Community John J. Collins, 2010 With the full publication of the Dead Sea Scrolls fresh analysis of the evidence presented can be and indeed should be made Beyond the Qumran Community does just that reaching a surprising conclusion the sect described in the Dead Sea Scrolls developed later than has usually been supposed and was never confined to the site of Qumran John J Collins here deconstructs the Qumran community and shows that the sectarian documents actually come from a text spread throughout the land He examines the Community Rule or Yahad and considers the Teacher of Righteousness a pivotal figure in the Essene movement After examining the available evidence Collins concludes that it is in fact overwhelmingly likely that the site of Qumran housed merely a single settlement of a very widespread movement      **The Textual Development of the Qumran Community Rule** Sarianna

**A History of the Quests for the Historical Jesus, Volume 2** Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates
