*Forty Years* Rabb Meir Kahane,2016-01-04 Rabbi Meir Kahane wrote this book in 1982 at the start of Operation Peace for Galilee in Lebanon and republished it in 1989 with an 11 page introduction Rabbi Kahane reflects on the number forty in Jewish history and reveals its significance as a warning admonition and opportunity to repent and avoid divine punishment He recalled The idea first entered my head as I sat one day in 1980 in Ramle Prison It was the eve of Tisha B Av the tragic commemoration of the destruction of both Temples the beginning of both terrible exiles I sat reviewing the book of Jonah with its message of repentance on the day of national tragedy Jonah enters the city of Nineveh to which he has been sent by the Almighty to warn them of impending destruction unless they repent And as I read the words of Jonah to the people suddenly leaped out at me In forty days Nineveh shall be overturned Forty The thought suddenly struck me How many times again and again does that number arise in connection with sin and punishment And the rain was on the earth forty days and forty nights Genesis 7 12 the punishment of a world flooded for its sin Forty And centuries later as the Jews of the desert despised the pleasant land and wept over their home in Egypt the Almighty angrily decreed that the generation of the desert would not enter the Holy Land saying And your children will wander in the

wilderness forty years and bear your faithlessness Numbers 14 33 Again forty Rabbi Kahane raises the possibility that the State of Israel may be subjected to a similar period of grace and asks If it is true that the forty years began with the rise of the State in 1948 how many years are left The number may not be exact but the period is clear I am convinced that the State of Israel is the beginning not only of the redemption but also of the grace period granted us In the very marrow of my bones I feel that the Almighty in His infinite mercy and goodness gives us the final beseeching opportunity to turn needless suffering into glorious and instant redemption Forty years The number may not be exact it may be a few more a few less but the period is clear Forty years of warning of heartfelt cry from our Father in Heaven Forty years of grace of a last opportunity to reverse needles disaster to bring the redemption with grandeur and majesty For make no mistake The magnificent miracle of return and rise of a Jewish State is surely the beginning of the Final Redemption but hardly the end The true finality the magnificent era of the Messiah comes to fruition gloriously and majestically and breathtakingly only if we cleave to the great axiom If you walk in My statutes I will give peace in the land Leviticus 26      [The Jewish Idea, Volume 2, Indexes to Both Volumes](#) Meir Kahane, 2013-03-06 Or Hara ayon The Jewish Idea More than an other book written by Rabbi Meir Kahane Or Hara ayon The Jewish Idea expresses the axioms which were the essence of his being When a terrorist put an end to his life in 1990 he was in the process of completing this major work The fundamentals of Jewish faith which he set forth in this volume such as humility faith and trust kindness revenge self sacrifice and sanctifying G d s name were not abstract theories but the day to day guidelines of his life While most widely known for his Jewish activism and controversial beliefs The Jewish Idea reveals the erudite scholarship and mastery of Torah which was the source of Rabbi Kahane s untiring activities The novelty of The Jewish Idea is not in the newness of the topics discussed but rather in the unique manner in which they are presented The total unreserved compliance to G d s will without any personal considerations and the willingness to sacrifice for the Jewish People permeate each and every chapter of the book Originally written in a rich Hebrew and culled from the holy words of the Torah the Talmud the Midrash and commentaries the book was first published posthumously in Israel by the Institute for Publication of the Writings of Rabbi Meir Kahane The Jewish Idea will surely take its place in the library of outstanding Torah thought      **Numbers 23:9** Rabb Meir Kahane, 2016-06-06 Numbers 23 9 refers to the Biblical verse Lo it is a people that shall dwell alone and shall not be reckoned among the nations Rabbi Kahane explained We must never fear to be alone for that is the Jewish blessing that has saved the Jew from assimilation and that is what will make the final miracle and the Jewish victory all the more great and astounding He endeavored to persuade Jews that Israel should not depend on allies that when Israel is isolated with no allies the Almighty comes to His people s aid To be alone a curse Precisely the opposite To be alone is the salvation of the Jew and the sanctification of G d s name Assyria will not save us Hosea 14 If we understand this we ourselves will bring the redemption and salvation Rabbi Kahane wrote this booklet shortly after the Yom Kippur War It was published in 1974 in quarto format typewritten and mimeographed One year later in 1975 the present small format

version was printed It may have been inspired by the Yom Kippur War but its message is true today The Jew always works on two parallel levels He does not merely trust in miracles and suffice with prayers but rather prepares for battles by all natural means At the same time he realizes that not with his strength or the power of his arm alone can victory ever come

**Or Hara'ayon=the Jewish Idea** Meir Kahane, 2012-11-07

*Or Hara'ayon The Jewish Idea* More than any other book written by Rabbi Meir Kahane, *Or Hara'ayon The Jewish Idea* expresses the axioms which were the essence of his being. When a terrorist put an end to his life in 1990, he was in the process of completing this major work. The fundamentals of Jewish faith which he set forth in this volume such as humility, faith and trust, kindness, revenge, self sacrifice and sanctifying G-d's name were not abstract theories but the day to day guidelines of his life. While most widely known for his Jewish activism and controversial beliefs, *The Jewish Idea* reveals the erudite scholarship and mastery of Torah which was the source of Rabbi Kahane's untiring activities. The novelty of *The Jewish Idea* is not in the newness of the topics discussed but rather in the unique manner in which they are presented. The total unreserved compliance to G-d's will without any personal considerations and the willingness to sacrifice for the Jewish People permeate each and every chapter of the book. Originally written in a rich Hebrew and culled from the holy words of the Torah, the Talmud, the Midrash and commentaries, the book was first published posthumously in Israel by the Institute for Publication of the Writings of Rabbi Meir Kahane. *The Jewish Idea* will surely take its place in the library of outstanding Torah thought.
