Topel,2024 The Sacred and the Impure in Judaism examines the radicalization of certain Orthodox Jewish groups through the lens of kashrut or Jewish dietary laws Mata F Topel begins with a historical look at chumratization the tendency among rabbis toward more rigorous interpretations of Jewish law beginning in Hungary in the late 19th century and on through the nascent radicalization of Israeli Orthodox Jews in the 1950s Then drawing on Orthodox kashrut manuals and interviews with kashrut supervisors ritual butchers and a diverse group of Orthodox men and women Topel shows how changes to dietary laws have had a profound effect on the ritual density of everyday life in these communities Detailed descriptions of the difficulties that Orthodox housewives have in carrying out preparations for the Jewish Passover reveal a certain obsession with following the commandments and customs mandated by authorities Contrasting medieval practices with current ones Topel shows that the number of rules for celebrating Passover has increased exponentially in recent decades an important indication of the chumratization process that effects significant segments of this population However she also finds exceptions While many Orthodox rabbis demand that kashrut supervisors and housewives take great pains to avoid ingesting insects that may be found in vegetables and fruit they have also become significantly more lenient when it comes to consuming non kosher meat so much so that most meat consumed by Orthodox communities today is not kosher The Sacred and the Impure in Judaism reveals considerable changes in the content and function of kashrut for Orthodox Jews in Israel and its diaspora which contradicts ideas of purity within this community and the notion that their beliefs and practices are identical to European Judaism of the 18th and 19th centuries while highlighting the multiple and intricate relationships that exist between a community s religion food and identity **Compassion for Humanity in the Jewish Tradition** Dovid

Sears, 1998 For many Jews and non Jews the Torah the Talmud and other rabbinic writings have long been interpreted as saying that the Jews alone are God's chosen people According to Sears The Path of the Baal Shem Tov such readings have led to a struggle among Jews between assimilation losing their particular Jewish identity and withdrawal preserving their particular Jewish identity and surviving as a people Sears contends that this struggle between particularism and universalism is often misguided for he argues that the particularism of Judaism engenders a model of spirituality and moral refinement that will inspire the rest of the world to turn to God of its own accord In order to demonstrate the depth from which Judaism speaks in a universalistic voice Sears collects a wide range of sources from a number of periods in Jewish history In the section on Judaism and Non Jews the Talmudic teaching of Rabbi Yochanan Whoever speaks wisdom although he is a non Jew is a sage urges respect for the wisdom of other traditions In the section on The Chosen People two Midrash passages demonstrate the idea of Israel as spiritual model God gave the Torah to the Jewish people so that all nations might benefit by it Just as the sacrifice of the dove atones for transgression Israel atones for the nations of the world Finally in a section on Messianic Vision Sears argues that Jewish writings state that it is the Messiah's primary task to return the entire world to God and God's teachings Sears's extensive sourcebook is a rich collection of primary writings on the role of compassion in the Jewish tradition Sept Publisher's Weekly
