Palestine in Late Antiquity Hagith Sivan, 2008-02-14 An original study of Palestine in late antiquity a time when the fortunes of the east and the west were intimately linked Thousands of westerners flocked to what became a Christian holy land while Jerusalem grew from a sleepy Roman town into an international centre of Christianity and ultimately into a centre of Islamic worship **Exegetical Crossroads** Georges Tamer, Regina Grundmann, Assaad Elias Kattan, Karl Pinggéra, 2017-12-18 The art of interpreting Holy Scriptures flourished throughout the culturally heterogeneous pre modern Orient among Jews Christians and Muslims Different ways of interpretation developed within each religion not without considering the others How were the interactions and how productive were they for the further development of these traditions Have there been blurred spaces of scholarly activity that transcended sectarian borders What was the role played by mutual influences in profiling the own tradition against the others These and other related questions are critically treated in the present volume *On My Right Michael, On My Left Gabriel* Mika Ahuvia, 2021-06-08 Introduction angelic greetings or Shalom Aleichem At home with the angels Babylonian ritual sources Out and about with the angels Palestinian ritual sources No angels early rabbinic sources In the image of God not angels rabbinic sources In the image of the angels liturgical sources Israel among the angels Late rabbinic sources Jewish mystics and the angelic realms early mystical sources Conclusion angels in Judaism and the religions of late antiquity Appendix A table Appendix B description of table *Sage Tales* Rabbi Burton L. Visotzky, 2014-02-01 A prophet and a pretty woman a rainmaker and a renegade from them we learn about ourselves Ancient stories that whisper truth to your soul new in paperback Great stories have the power to draw the heart But certain stories have the power to draw the heart to God and awaken the better angels of our nature Such are the tales of the rabbis of the Talmud colorful quirky yarns that tug at our heartstrings and test our values ethics morality and our imaginations In this collection for people of all faiths and backgrounds Rabbi Burton Visotzky draws on four decades of telling and teaching these legends in order to unlock their wisdom for the contemporary heart He introduces you to the cast of characters explains their motivations and provides the historical background needed to penetrate the wise lessons often hidden within these unusual narratives In learning how and why these oft told tales were spun you discover how they continue to hold value for our lives **Faithful Renderings** Naomi Seidman, 2010-02-15 Faithful Renderings reads translation history through the lens of Jewish Christian difference and conversely views Jewish Christian difference as an effect of translation Subjecting translation to a theological political analysis Seidman asks how the charged Jewish Christian

relationship and more particularly the dependence of Christianity on the texts and translations of a rival religion has haunted the theory and practice of translation in the West Bringing together central issues in translation studies with episodes in Jewish Christian history Naomi Seidman considers a range of texts from the Bible to Elie Wiesel's *Night* delving into such controversies as the accuracy of various Bible translations the medieval use of converts from Judaism to Christianity as translators the censorship of anti Christian references in Jewish texts and the translation of Holocaust testimony *Faithful Renderings* ultimately reveals that translation is not a marginal phenomenon but rather a crucial issue for understanding the relations between Jews and Christians and indeed the development of each religious community

Matthew's Parable of the Royal Wedding Feast Ruth Christa Mathieson, 2023-06-02 Ruth Christa Mathieson's unique reading of Matthew's parable of the royal wedding feast Matt 22:1-14 which concludes with the king's demand that one of the guests be bound and cast out into the outer darkness focuses on the means of the underdressed guest's expulsion Using sociorhetorical interpretation Mathieson draws the parable into conversation with early Jewish narratives of the angel Raphael binding hands and feet 1 Enoch Tobit and the protocol for expelling individuals from the community in Matt 18 She asserts that readers are invited to consider if the person who is bound and cast out is a danger to the little ones of the community of faith unless removed and restrained

Pirquei deRabbi Eliezer: Structure, Coherence, Intertextuality Katharina E. Keim, 2016-11-01 In *Pirquei deRabbi Eliezer* Structure Coherence Intertextuality Katharina E. Keim offers a description of the literary character of *Pirquei deRabbi Eliezer* an enigmatic work of the late eighth to early ninth centuries CE Katharina E. Keim explores the work's distinctive literary features through an analysis of its structure and coherence These literary features when taken together with the work's intertextual relationships with antecedent and contemporaneous Christian and Jewish rabbinic and non rabbinic texts reveal *Pirquei deRabbi Eliezer* to be an innovative work and throw light on a new turn in Jewish literature following the rise of Islam

Shared Stories, Rival Tellings Robert C. Gregg, 2015-08-05 Judaism Christianity and Islam are considered kindred religions holding ancestral heritages and monotheistic belief in common but there are definitive distinctions between these Abrahamic peoples *Shared Stories Rival Tellings* explores the early exchanges of Jews Christians and Muslims and argues that their interactions were dominated by debates over the meanings of certain stories sacred to all three communities Robert C. Gregg shows how Jewish Christian and Muslim interpreters artists as well as authors developed

their unique and particular understandings of narratives present in the two Bibles and the Qur'an Gregg focuses on five stories Cain and Abel Sarah and Hagar Joseph and Potiphar's Wife Jonah and the Whale and Mary the Mother of Jesus As he guides us through the often intentional variations introduced into these shared stories Gregg exposes major issues under contention and the social intellectual forces that contributed to spirited and sometimes combative exchanges among Jews Christians and Muslims Offering deeper insight into these historical moments and their implications for contemporary relations among the three religions *Shared Stories Rival Tellings* will inspire readers to consider and reconsider the dynamics of traditional and current social religious competition

Surviving Lamentations Tod Linafelt, 2000-07 Most contemporary interpretations of the biblical book of Lamentations focus on the figure of the suffering man as a role model for submission in the face of God's punishment for sin Yet such a model offers small consolation to survivors of the Holocaust or other mass atrocities and also ignores chapters 1 and 2 of Lamentations in which the personification of Zion laments her sufferings and demands a response on behalf of her dying children In *Surviving Lamentations* Tod Linafelt offers an alternative reading of Lamentations in light of the literature of survival works written by survivors of catastrophe as well as literary and philosophical reflections on the survival of literature He refocuses attention on the figure of Zion as a manifestation of a basic need to give voice to suffering and traces the afterlife of Lamentations in Jewish literature in which text after text attempts to provide the response to Zion's lament that is lacking in Lamentations itself Seen through Linafelt's eyes Lamentations emerges as uncannily relevant to contemporary discourse on survival

between what is and what should be And it is perhaps our most powerful statement of faith in God in humanity and in ourselves from Chapter 1 The Messiah Is Coming The coming of the Messiah the promise of redemption is among Judaism's gifts to the world But it is a gift about which the world knows so little It has been overshadowed by Christian belief and teaching and as a result its Jewish significance has been all but lost To further complicate matters Jewish messianic teaching is enthralling compelling challenging exhilarating yet up until now woefully inaccessible This book will change that Rabbi Elaine Rose Glickman brings together and to life this three thousand year old tradition as never before Rather than simply reviewing the vast body of Jewish messianic literature she explores an astonishing range of primary and secondary sources explaining in an informative yet inspirational way these teachings significance for Jews of the past and infuses them with new meaning for the modern reader both Jewish and non Jewish
