major network Tele Comics embraced the popular cliffhanger serial genre using nonmoving comic strip panels and a handful
of radio actors to produce a show at a fraction of the cost accrued by a live show Despite the success of Tele Comics and a
few other such shows television cartoons languished until 1954 when Walt Disney produced Disneyland From such pioneers
as Tele Comics and Crusader Rabbit to modern fare such as X Men and Beavis and Butthead this is the first reference book to
detail animated cartoons made exclusively for television from 1949 through 1993 Each entry includes the shows title network
studios and full production information when available An essay blending plot description critical commentary and
background information is also provided for each cartoon A discussion of the voice artist concludes the work **Media**
