Race How Blacks And Whites Think And Feel About The American Obsession:

Race Studs Terkel, 1992 Gennem interviews undersøger forfatteren amerikanernes holdninger til raceproblemet **Race** Studs Terkel, 1992 The author of *Working and Hard Times* examines the leading issue in American politics presenting the feelings of nearly one hundred Americans on such issues as affirmative action changing neighborhoods secret prejudices and more

On Privilege, Fraudulence, and Teaching As Learning Peggy McIntosh, 2019-07-04 From one of the world's leading voices on white privilege and anti-racism work comes this collection of essays on complexities of privilege and power Each of the four parts illustrates Peggy McIntosh's practice of combining personal and systemic understandings to focus on power in unusual ways Part I includes McIntosh's classic and influential essays on privilege or systems of unearned advantage that correspond to systems of oppression Part II helps readers to understand that feelings of fraudulence may be imposed by our hierarchical cultures rather than by any actual weakness or personal shortcomings Part III presents McIntosh's Interactive Phase Theory highlighting five different world views or attitudes about power that affect school curriculum cultural values and decisions on taking action The book concludes with powerful insights from SEED a peer-led teacher development project that enables individuals and institutions to work collectively toward equity and social justice This book is the culmination of forty years of McIntosh's intellectual and organizational work

Racial Conditions Howard Winant, **Dreaming Equality** Robin E. Sheriff, 2001 Robin E. Sheriff spent twenty months in a primarily black shantytown in Rio de Janeiro studying the inhabitants' views of race and racism How she asks do poor African Brazilians experience and interpret racism in a country where its very existence tends to be publicly denied How is racism talked about privately in the family and publicly in the community or is it talked about at all

Law's Promise, Law's Expression Kenneth L. Karst, 1993-01-01 In this text a constitutional law scholar argues that most of the social issues agenda for law violates the constitutional principle of equal citizenship The conservative social issues agenda is targeted at voters who have felt left out by other civil rights movements

Media Matters John Fiske, Black Hawk Hancock, 2016-02-05 Now more than 20 years since its initial release John Fiske's classic text *Media Matters* remains both timely and insightful as an empirically rich examination of how the fierce battle over cultural meaning is negotiated in American popular culture *Media Matters* takes us to the heart of social inequality and the call for social justice by interrogating some of the most important issues of its time Fiske offers a practical guide to learning how to interpret the ways that media events shape the social landscape to contest official and taken-for-granted accounts of how events are presented conveyed through media and to affect social change by putting intellectual labor to public use A new introductory essay by former Fiske student Black Hawk Hancock entitled *Learning How to Fiske: Theorizing Cultural Literacy Counter History and the Politics of Media Events in the 21st Century* explains the theoretical and methodological tools with which Fiske approaches cultural analysis highlighting the lessons today's students can continue to draw upon in order to understand society today

"I'm Not a Racist, But..." Lawrence

Blum,2015-08-01 Not all racial incidents are racist incidents Lawrence Blum says We need a more varied and nuanced moral vocabulary for talking about the arena of race We should not be faced with a choice of racism or nothing Use of the word racism is pervasive An article about the NAACP s criticism of television networks for casting too few minority actors in lead roles asks Is television a racist institution A white girl in Virginia says it is racist for her African American teacher to wear African attire Blum argues that a growing tendency to castigate as racism everything that goes wrong in the racial domain reduces the term s power to evoke moral outrage In I m Not a Racist But Blum develops a historically grounded account of racism as the deeply morally charged notion it has become He addresses the question whether people of color can be racist defines types of racism and identifies debased and inappropriate usages of the term Though racial insensitivity racial anxiety racial ignorance and racial injustice are in his view not racism they are racial ills that should elicit moral concern Blum argues that race itself even when not serving distinct racial malfeasance is a morally destructive idea implying moral distance and unequal worth History and genetic science reveal both the avoidability and the falsity of the idea of race Blum argues that we can give up the idea of race but must recognize that racial groups historical and social experience has been shaped by having been treated as if they were races

Will the Circle Be Unbroken? Studs Terkel,2014-10-07 The

renowned oral historian interviews ordinary people about facing mortality It s the unguarded voices he presents that stay with you The New York Times In this book the Pulitzer Prize winner and National Book Award finalist Studs Terkel author of the New York Times bestseller *Working* turns to the ultimate human experience death Here a wide range of people address the unknowable culmination of our lives the possibilities of an afterlife and their impact on the way we live with memorable grace and poignancy Included in this remarkable treasury are Terkel s interviews with such famed figures as Kurt Vonnegut and Ira Glass as well as with ordinary people from policemen and firefighters to emergency health workers and nurses who confront death in their everyday lives Whether a Hiroshima survivor a death row parolee or a woman who emerged from a two year coma these interviewees offer tremendous eloquence as they deal with a topic many are reluctant to discuss openly and freely Only Terkel whom Cornel West called an American treasure could have elicited such honesty from people reflecting on the lives they have led and what lies before them still Extraordinary a work of insight wisdom and freshness The Seattle Times

The World's Religions after September 11 Arvind Sharma,2008-11-30 This set is an unprecedented examination of religion s influence on modern life an honest assessment of how religion can either destroy us or preserve us and a thorough exploration of what steps might be necessary for all religions to join together as a force for good Convening on the fifth anniversary of the terrorist attack on the World Trade Center the global congress *The World s Religions after September 11* explored the negative and positive possibilities of the religious dimensions of life The presentations from the congress have been pulled together in this set which addresses religion s intersection with human rights spirituality science healing the media international diplomacy globalization war and peace and more This comprehensive set includes

contributions from such well known scholars of religion as Arvind Sharma and a host of others from all the world's religious traditions This set is an unprecedented examination of religion's influence on modern life an honest assessment of how religion can either destroy us or preserve us and a thorough exploration of what steps might be necessary for all religions to join together as a force for good Because of the attack on the World Trade Center on September 11 2001 the very concept of religion underwent a paradigm shift Instead of standing for virtue and piety peace and harmony the word religion also came to be inextricably associated with evil aggression and terror People around the world began to question whether the religious and secular dimensions of modern life can be reconciled whether the different religions of the world can ever coexist in harmony Indeed the very future of religion itself has sometimes seemed to be uncertain or at least suspect A Shining Thread of Hope Darlene Clark Hine, Kathleen Thompson, 2009-10-14 At the greatest moments and in the cruelest times black women have been a crucial part of America's history Now the inspiring history of black women in America is explored in vivid detail by two leaders in the fields of African American and women's history A Shining Thread of Hope chronicles the lives of black women from indentured servitude in the early American colonies to the cruelty of antebellum plantations from the reign of lynch law in the Jim Crow South to the triumphs of the Civil Rights era and it illustrates how the story of black women in America is as much a tale of courage and hope as it is a history of struggle On both an individual and a collective level A Shining Thread of Hope reveals the strength and spirit of black women and brings their stories from the fringes of American history to a central position in our understanding of the forces and events that have shaped this country

Uprooting Racism Paul Kivel, 2011-09-27 In 2008 the United States elected its first black president and recent polls show that only twenty two percent of white people in the United States believe that racism is a major societal problem On the surface it may seem to be in decline However the evidence of discrimination persists throughout our society Segregation and inequalities in education housing health care and the job market continue to be the norm Post 9 11 increased insecurity and fear have led to an epidemic of the scapegoating and harassment of people of color Uprooting Racism offers a framework for understanding institutional racism It provides practical suggestions tools examples and advice on how white people can intervene in interpersonal and organizational situations to work as allies for racial justice Completely revised and updated this expanded third edition directly engages the reader through questions exercises and suggestions for action and takes a detailed look at current issues such as affirmative action immigration and health care It also includes a wealth of information about specific cultural groups such as Muslims people with mixed heritage Native Americans Jews recent immigrants Asian Americans and Latinos Previous editions of Uprooting Racism have sold more than fifty thousand copies Accessible personal supportive and practical this book is ideal for students community activists teachers youth workers and anyone interested in issues of diversity multiculturalism and social justice Paul Kivel is an award winning author and an accomplished trainer and speaker He has been a social justice activist a nationally and internationally recognized anti racism educator and an

innovative leader in violence prevention for over forty years *The Scar of Race* Paul M. Sniderman, Thomas Leonard Piazza, 2009-06-30 What precisely is the clash over race in the 1990s and does it support the charge of a new racism Here is a brilliant articulation of what has happened of how racial issues have become entangled with politics the process of negotiating who gets what through government action We now have to understand and cope with a politics of race *Lies My Teacher Told Me: Young Readers' Edition* James W. Loewen, 2019-04-23 Now adapted for young readers ages 12 through 18 the national bestseller that makes real American history come alive in all of its conflict drama and complexity *Lies My Teacher Told Me* is one of the most important and successful history books of our time Having sold nearly two million copies the book won an American Book Award and the Oliver Cromwell Cox Award for Distinguished Anti Racist Scholarship Now Rebecca Stefoff the acclaimed nonfiction children's writer who adapted Howard Zinn's bestseller *A People's History of the United States* for young readers makes Loewen's beloved work available to younger students Essential reading in our age of fake news and slippery sloppy history *Lies My Teacher Told Me Young Readers Edition* cuts through the mindless optimism and outright lies found in most textbooks that are often not even really written by their authors Loewen is as historian Carol Kammen has said the history teacher we all should have had Beginning with pre Columbian history and then covering characters and events as diverse as the first Thanksgiving Helen Keller the My Lai massacre 9 11 and the Iraq War Loewen's lively provocative telling of American history is a counter textbook that retells the story of the American past The Nation This streamlined young readers edition is rich in vivid details and quotations from primary sources that poke holes in the textbook versions of history and help students develop a deeper understanding of our world *Lies My Teacher Told Me Young Readers Edition* brings this classic text to a new generation of readers and their parents and teachers who will welcome and value its honesty its humor and its integrity *African Americans in Sports* Gary A. Sailes, 2017-07-05 Research on African American athletes generally focuses on negative stereotypes of physical prowess and socially controversial themes Most studies investigate racism prejudice discrimination and exploitation experienced by African American athletes Many studies contrast African American and white athletes on a number of variables that support prevailing elitist stereotypes and denigrate African American athletes But few studies investigate the diverse and complex cultural dichotomies within the infrastructure of sport in the African American community Gary Sailes maintains that it is crucial to develop a more eclectic and immersed cultural approach when investigating African American involvement in competitive sports The contributors to *African Americans in Sports* show that there are also intrinsic cultural paradigms that are evident presenting an informative and interesting narrative regarding African American athletes The chapters that make up this volume were written by noted scholars who were selected based on their expertise in their specific academic areas They write about different components of the experience of African American male athletes Chapters and contributors include *Race and Athletic Performance A Physiological Review* by David W Hunter *The Athletic Dominance of African Americans Is There a Genetic Basis* by Vinay

Harpalani African American Player Codes on Celebration Taunting and Sportsmanlike Conduct by Vernon L Andrews and Stacking in Major League Baseball by Earl Smith and C Keith Harrison Many chapters were originally published as a special issue of the Journal of African American Men This volume should be read by all those involved in athletics as well as by sports sociologists and African American studies scholars

Gender on Campus Sharon Gmelch, 1998 Gender on Campus is the first book to combine solid analyses of the broad range of gender issues for women in college with realistic approaches to heighten awareness and alleviate problems Written for students the book first clarifies the concept of feminism and then examines gender dynamics in a variety of settings and contexts from the classroom to the sports field and from language to social life Sharon Gmelch probes sexism racism and homophobia on campus and surveys the special issues facing diverse women students The book also addresses issues relating to body image and sexuality Its final chapters analyze the role gender continues to play after college in the media workplace and politics After a thorough discussion of a topic each chapter concludes with possibilities for action What You Can Do as well as a selected bibliography of books videos and organizations that students can consult Gender on Campus is an invaluable resource for students parents and administrators as well as an excellent text for women's studies courses

The New Color Line Paul Craig Roberts, Lawrence M. Stratton, Jr., 1997-05-01 In The New Color Line authors Paul Craig Roberts and Lawrence M Stratton boldly challenge the affirmative action policies that have governed America for the past thirty years The authors show that equality under the law has given way to legal privileges based on race and gender Liberal society is being lost along with the presumption of goodwill that is the basis of democracy The New Color Line offers an explanation for these ironic outcomes judicial and regulatory edicts have taken the place of statutory law accountable to the people and coercion has replaced persuasion This happened because elites regarded democracy as the problem not the solution

Divided by Faith Michael O. Emerson, Harry and Hazel Chavanne Fellow in Religion and Public Policy Michael O Emerson, William R Kenan Jr Professor of Sociology Christian Smith, 2025-11-17 Divided by Faith has become an American classic This 25th anniversary edition includes new data analysis updated language updated references and a brand new concluding chapter The new chapter considers pertinent changes over the past quarter of a century and the validity of the Divided by Faith argument for current times Combining a substantial body of evidence with a sophisticated analysis the authors throw a sharp light on the oldest American dilemma Through a nationwide survey of 2 000 people and 200 face to face interviews the authors probed the grassroots of white evangelical America They found that despite recent efforts by the movement's leaders to address the problem of racial discrimination evangelicals themselves are preserving America's racial chasm In fact most white evangelicals see no systemic discrimination against African Americans or other groups However the authors contend that it is not active racism that prevents evangelicals from recognizing ongoing problems in American society Instead it is the evangelical movement's emphasis on individualism free will and personal relationships that make invisible the pervasive injustice that perpetuates

racial inequality Most racial problems the subjects told the authors can be solved by the repentance and conversion of the sinful individuals at fault As a result of using the cultural tools of their faith white evangelicals are more divided from Christians of other racial backgrounds than are those in the general public And this reality has substantial implications for American life Racial justice and reconciliation remain far over the horizon **White Lies** Maurice Berger, 2025-09-23 The acclaimed work that debunks our myths and false assumptions about race in America Maurice Berger grew up hypersensitized to race in the charged environment of New York City in the sixties His father was a Jewish liberal who worshiped Martin Luther King Jr his mother a dark skinned Sephardic Jew who hated black people Berger himself was one of the few white kids in his Lower East Side housing project Berger s unusual experience and his determination to examine the subject of race for its multiple and intricate meanings makes *White Lies* a fresh and startling book Berger has become a passionate observer of race matters searching out the subtle and not so subtle manifestations of racial meaning in everyday life In *White Lies* he encourages us to reckon with our own complex and often troubling opinions about race The result is an uncommonly honest and affecting look at race in America today free of cant surprisingly entertaining unsettled and unsettling Winning the Race to Unity Clarence Shuler, 2003-04-01 It s been said that the most segregated time of the week is Sunday morning The church experiences the same racial tensions as the rest of society and this certainly does not bring glory to God In *Winning the Race to Unity* Clarence Shuler directly confronts this racial divide and challenges the church to face these problems and tackle them head on Come along on this necessary journey and prepare to grow and be changed
