his young daughter died when she was vaccinated at school without his consent Angela Rippon created the Victoria Plum doll series based on a plum tree in her garden Holly Hobbie is an author and illustrator who named the famous patchwork wearing little girl after her It became a popular doll in the 1970s      *Girls Transforming* Sanna Lehtonen,2013-04-26 This book explores representations of girlhood and young womanhood in recent English language children s fantasy by focusing on two fantastic body transformation types invisibility and age shifting Drawing on recent feminist and queer theory the study discusses the tropes of invisibility and age shifting as narrative devices representing gendered experiences The transformations offer various perspectives on a girl s changing body and identity and provide links between real life and fantastic discourses of gender power invisibility and aging The main focus is on English language fantasy published since the 1970s but the motifs of invisibility and age shifting in earlier tales and children s books is reviewed this is the first study of children s fantasy literature that considers these tropes at length Novels discussed are from both critically acclaimed authors and the less well known Most of the novels depicting invisible or age shifting girls are neither thoroughly conventional nor radically subversive but present a range of styles In terms of gender children s fantasy novels can be more complex than they are often interpreted to be      *Library Lantern* University of New Hampshire. Library,1927      **Dust Off the Gold Medal**

Sara L. Schwebel,Jocelyn Van Tuyl,2021-08-23 The oldest and most prestigious children s literature award the Newbery Medal has since 1922 been granted annually by the American Library Association to the children s book it deems most distinguished Medal books enjoy an outsized influence on American children s literature figuring perennially on publishers lists on library and bookstore shelves and in school curricula As such they offer a compelling window into the history of US children s literature and publishing as well as into changing societal attitudes about which books are best for America s schoolchildren Yet literary scholars have disproportionately ignored the Medal winners in their research This volume provides a critically and historically grounded scholarly analysis of representative but understudied Newbery Medal books from the 1920s through the 2010s interrogating the disjunction between the books omnipresence and influence on the one hand and the critical silence surrounding them on the other *Dust Off the Gold Medal* makes a case for closing these scholarly gaps by revealing neglected texts insights into the politics of children s literature prizing and by demonstrating how neglected titles illuminate critical debates currently central to the field of children s literature In particular the essays shed light on the hidden elements of diversity apparent in the neglected Newbery canon while illustrating how the books respond sometimes in quite subtle ways to contemporaneous concerns around race class gender disability nationalism and globalism

**Spreading the Gospel of Books** Florence M. Jumonville,2019-11-06 In 1925 Essae Martha Culver a California librarian arrived in Louisiana to direct a three year project funded by the Carnegie Corporation that aimed to introduce public libraries to rural populations Culver purchased a round trip ticket but she never used the second half Instead she stayed in Louisiana the rest of her life working tirelessly to see libraries established in every parish by 1969 In *Spreading the Gospel of*

Books Florence M Jumonville chronicles the impressive colorful history of Louisiana parish libraries and the State Library of Louisiana She draws upon Culver s journals and library reports in addition to correspondence scrapbooks and State Library internal documents and includes photos from five decades many never before published The campaign to persuade individual parishes to financially support a library of their own was a long uphill pull through poverty and politics flood and famine discouragement and depression war and bureaucracy ignorance and prejudice Culver credited success to the citizens whose thirst for books and embrace of the idea of a library inspired perseverance In time Culver s Louisiana plan served as an exemplar of library development elsewhere in the United States as well as abroad Culver touched the lives of generations of Louisianians who have never heard her name Spreading the Gospel of Books is her story along with that of colleagues and supporters of making the dream of library service come true for all      **Honey for a Child's Heart** Gladys Hunt, Gladys M.
