Music Journal ,1974

Rachmaninoff: Composer, Pianist, Conductor Barrie Martyn, 2017-07-05 This study is the first to consider all three of Rachmaninoff's careers in detail After surveying his place in Russian musical history and his creative activity the author examines with musical examples each working chronological order against the background of the composer's life Among the many subjects upon which new light is shed are the operas the songs and the religious music Rachmaninoff's remarkable career as a pianist his style of playing and repertoire are analysed along with his historically important contribution to the gramophone and his work for the

reproducing piano The book includes a survey of his activity as a conductor There are extensive references to Russian sources and the first appearance of a complete Rachmaninoff discography is included This book is the only comprehensive study in any language of the three aspects of Rachmaninoff's musical career and is a stimulating read for music lovers everywhere Clavier, 1993 **A Catalogue of the Compositions of S. Rachmaninoff** Robert Threlfall, Geoffrey Norris, 1982 Fortegnelse over musikalske værker af den russiske komponist Sergej Rachmaninov 1873-1943 heriblandt omskrivninger af andre komponisters værker **Music, Books on Music, and Sound Recordings** Library of Congress, 1978 **National Union Catalog**, 1973 **Rachmaninoff's Complete Songs** Richard D. Sylvester, 2014-04-22 Sergei Rachmaninoff the last great Russian romantic and arguably the finest pianist of the late 19th and early 20th centuries wrote 83 songs which are performed and beloved throughout the world Like German Lieder and French mélodies the songs were composed for one singer accompanied by a piano In this complete collection Richard D Sylvester provides English translations of the songs along with accurate transliterations of the original texts and detailed commentary Since Rachmaninoff viewed these romances primarily as performances and painstakingly annotated the scores this volume will be especially valuable for students scholars and practitioners of voice and piano **Traditional World Music Influences in Contemporary Solo Piano Literature** Elizabeth C. Axford, 1997-11-06 Identifies pieces in contemporary solo piano literature that show world music influences not traditionally associated with the standard repertoire of Western European art music The resulting annotated bibliography therefore includes pieces which use or attempt to emulate non Western scales modes and folk tunes and rhythmic percussive or harmonic devices and timbres **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1976 **Catalogue** Colley Cibber Music, 1984 **The Piano Quarterly**, 1981

Rachmaninoff Michael Scott, 2011-10-21 The musical child of Russia's golden age Sergei Rachmaninoff was the last of the great Romantics Scorned by the musical establishment until very recently his music received hostile reviews from critics and other composers Conversely it never failed to find widespread popular acclaim and today he is one of the most popular composers of all time Biographer Michael Scott investigates Rachmaninoff's intense and often melodramatic life following him from imperial Russia to his years of exile as a wandering virtuoso and his death in Beverly Hills during the Second World War worn out by his punishing schedule In this remarkable biography which relates the man to his music Michael Scott tells the colourful story of a life that spanned two centuries and two continents His original research from the Russian archives so long closed to writers from the West brings us closer to the spirit of a man who genuinely believed that music could be both good and popular a belief that is now triumphantly vindicated
