Racial Prejudice:

Philosophers on Race Julie K. Ward, Tommy L. Lott, 2008-04-15 Philosophers on Race adds a new dimension to current research on race theory by examining the historical roots of the concept in the works of major Western philosophers

Pragmatism and the Problem of Race Bill E. Lawson, Donald F. Koch, 2004-04-21 How should pragmatists respond to and contribute to the resolution of one of America's greatest and most enduring problems? Given that the most important thinkers of the pragmatist movement—Charles S. Peirce, William James, John Dewey, and George Herbert Mead—said little about the problem of race, how does their distinctly American way of thinking confront the hardship and brutality that characterizes the experience of many African Americans in this country? In 12 thoughtful and provocative essays, contemporary American pragmatists connect ideas with action and theory with practice to come to terms with this seemingly intractable problem. Exploring themes such as racism and social change, the value of the concept of race, the role of education in ameliorating racism, and the place of democracy in dealing with the tragedy of race, the voices gathered in this volume consider how pragmatism can focus new attention on the problem of race. Contributors are Michael Eldridge, Eddie S. Glaude Jr., Judith M. Green, D. Micah Hester, Donald F. Koch, Bill E. Lawson, David E. McClean, Gregory F. Pappas, Scott L. Pratt, Alfred E. Prettyman, John R. Shook, Paul C. Taylor, and Cornel West.

An Introduction to Sociology Ken Browne, 2005-04-29 Thoroughly revised and fully updated, *An Introduction to Sociology* gives concise yet comprehensive coverage of all the topics specified by the GCSE examining boards. The second edition was described by the AQA's Chief Examiner for GCSE Sociology as establishing the standard for textbooks at this level; this new edition builds on the book's existing achievements. New material is found throughout the book, including substantive new sections on gender identity, citizenship education, new social movements, poverty, and the welfare state, religion, the mass media, work and leisure, and population. The book has been carefully designed to support and extend students' learning. Each chapter begins with a summary of the key issues to be covered and goes on to highlight important terms, which are then explained in a clear glossary. Summaries at the end of each chapter, a lively range of new activities, and discussion points, the use of websites, as well as helpful suggestions for coursework, all add to the book's value as a learning and teaching resource. Student-friendly cartoons, tables, diagrams, and photographs, and the re-designed internal layout also enliven the text, making sociology seem exciting and relevant to students of all interests and abilities. The new edition of this highly successful textbook will prove invaluable to anyone taking an introductory sociology course, especially at GCSE and related levels. Students taking AS and A level, as well as Access nursing and health and social care courses, will also find the book provides an easy and fun introduction to studying sociology.

Quantitative Data Analysis with SPSS 12 and 13 Alan Bryman, Duncan Cramer, 2005 This text provides a non-technical approach to quantitative data analysis and a user-friendly introduction to SPSS. It takes the reader step by step through the techniques, reinforced by exercises.

An Integrated Programme Mary Gurney, 1998 A chart in each pack shows how themes are developed across

five years and how individual topics are covered **Social Psychology** Kopano Ratele, Norman Duncan, 2003 Using current socio political thought and research this book examines topics such as violence social and political transition race and racism and sexualities Theoretical and empirical research are related to topical problems highlighting the complex relations of individuals to their societies and to one another The histories and complexities of problems and their interconnectedness are examined and possible solutions are suggested Special attention is paid to class sexuality gender and race making psychology in general and social psychology in particular relevant and exciting International Action against Racial Discrimination Michael Banton, 1996-05-23 This is the first book to provide an inside account of how a United Nations human rights treaty body actually works At the same time it is an introduction to the international law of racial discrimination The book focuses on the practical operation and implementation of the International Covenant on the Elimination of All Forms of Racial Discrimination emphasising throughout the relationship between the law and politics The book takes account of current issues in international race relations from the process of dismantling apartheid in South Africa to recent horrors and genocides in the former Yugoslavia and Rwanda Michael Banton s latest work will be crucial reading for anyone interested in eliminating racial discrimination on an international level About Michael Banton Michael Banton is Chairman of the UN Committee on the Elimination of Racial Discrimination 1996-98 Confronting Racism Susan T. Fiske, 1998-02-12 The contributors to this volume identify the cognitive and motivational influences on the intrapersonal interpersonal and intergroup processes that lead to racism Confronting Racism establishes a unique link between public discourse on race and social scientific analysis Covering theory implications for policy and applications to education employment crime politics and health the book provides a collective account of the variety of racial outcomes and dynamics that result from the complex and multifaceted nature of racism and race relations *The Supreme Court, Race, and Civil Rights* Abraham L. Davis, Barbara Luck Graham, 1995-07-25 Providing a well rounded presentation of the constitution and evolution of civil rights in the United States this book will be useful for students and academics with an interest in civil rights race and the law Abraham L Davis and Barbara Luck Graham s purpose is to give an overview of the Supreme Court and its rulings with regard to issues of equality and civil rights to bring law political science and history into the discussion of civil rights and the Supreme Court to incorporate the politically disadvantaged and the human component into the discussion to stimulate discussion among students and to provide a text that cultivates competence in reading actual Supreme Court cases *Race, Ethnicity, and Policing* Stephen K Rice, Michael D White, 2010-03-01 From Rodney King and driving while black to claims of targeting of undocumented Latino immigrants relationships surrounding race ethnicity and the police have faced great challenge Race Ethnicity and Policing includes both classic pieces and original essays that provide the reader with a comprehensive even handed sense of the theoretical underpinnings methodological challenges and existing research necessary to understand the problems associated with racial and ethnic profiling and police bias This path breaking volume affords a holistic approach to

the topic guiding readers through the complexity of these issues making clear the ecological and political contexts that surround them and laying the groundwork for future discussions The seminal and forward thinking twenty two essays clearly illustrate that equitable treatment of citizens across racial and ethnic groups by police is one of the most critical components of a successful democracy and that it is only when agents of social control are viewed as efficient effective and legitimate that citizens will comply with the laws that govern their society The book includes an introduction by Robin S Engel and contributions from leading scholars including Jeffrey A Fagan James J Fyfe Bernard E Harcourt Delores Jones Brown Ramiro Martinez Jr Karen F Parker Alex R Piquero Tom R Tyler Jerome H Skolnick Ronald Weitzer and many others Race, Class, and Gender in the United States Paula S. Rothenberg, 2007 This book undertakes the study of issues of race gender and sexuality within the context of class Pref Hate Prejudice and Racism Milton Kleg, 1993-08-20 Hate Prejudice and Racism provides a comprehensive overview of the problems created by prejudiced attitudes racist beliefs and acts of discrimination from the casual racial or ethnic joke to the unrestrained violence of a lynch mob It addresses such topics as the nature of ethnicity stereotyping aggression and hate groups and individuals who promote ethnic and racial hatred Kleg's discussion of ethnicity and ethnic groups challenges us to reexamine the meaning of a multicultural society He traces the history of race as a scientific concept and its use as a social concept designed to stigmatize and subordinate members of minority racial and ethnic groups Chapters on prejudice stereotyping and discrimination scapegoating provide a foundation for the chapter on hate groups and haters which includes in depth descriptions of beliefs and activities of white supremacist groups and individuals who promote racism and anti-Semitism Finally Kleg outlines implications of hate prejudice and racism for educators and all cultural workers outlining suggestions on how to approach and study this important and controversial topic

Selected Works of Herbert Blumer Herbert Blumer, 2000 Provides a realistic appraisal and consideration of Blumer's work as it addresses America's racial political and labor problems his Public Philosophy refuting the characterization of Blumer as primarily a social psychologist of the self **Race and Racism in the United States** Charles A. Gallagher, Cameron D. Lippard, 2014-06-24 How is race defined and perceived in America today and how do these definitions and perceptions compare to attitudes 100 years ago or 200 years ago This four volume set is the definitive source for every topic related to race in the United States In the 21st century it is easy for some students and readers to believe that racism is a thing of the past in reality old wounds have yet to heal and new forms of racism are taking shape Racism has played a role in American society since the founding of the nation in spite of the words all men are created equal within the Declaration of Independence This set is the largest and most complete of its kind covering every facet of race relations in the United States while providing information in a user friendly format that allows easy cross referencing of related topics for efficient research and learning The work serves as an accessible tool for high school researchers provides important material for undergraduate students enrolled in a variety of humanities and social sciences courses and is an outstanding ready reference

for race scholars The entries provide readers with comprehensive content supplemented by historical backgrounds relevant examples from primary documents and first hand accounts Information is presented to interest and appeal to readers but also to support critical inquiry and understanding A fourth volume of related primary documents supplies additional reading and resources for research

Measuring Racial Discrimination National Research Council, Division of Behavioral and Social Sciences and Education, Committee on National Statistics, Panel on Methods for Assessing Discrimination, 2004-07-24 Many racial and ethnic groups in the United States including blacks Hispanics Asians American Indians and others have historically faced severe discrimination pervasive and open denial of civil social political educational and economic opportunities Today large differences among racial and ethnic groups continue to exist in employment income and wealth housing education criminal justice health and other areas While many factors may contribute to such differences their size and extent suggest that various forms of discriminatory treatment persist in U S society and serve to undercut the achievement of equal opportunity *Measuring Racial Discrimination* considers the definition of race and racial discrimination reviews the existing techniques used to measure racial discrimination and identifies new tools and areas for future research The book conducts a thorough evaluation of current methodologies for a wide range of circumstances in which racial discrimination may occur and makes recommendations on how to better assess the presence and effects of discrimination

Education and Racism Louk Hagendoorn, Shervin Nekuee, 2018-12-17 First published in 1999 this book gives an inventory of factors contributing to ethnic prejudice in seven countries and the role of formal education among them on the basis of national surveys It appears that education is crucial in all the countries surveyed and contributes to more tolerant views of ethnic and national minorities in Western European countries Poland and the United States The positive effects of education however do not always counter the negative effects of personality characteristics and conservative values on ethnic prejudice Moreover the negative effects of less formal education may be reinforced by perceived economical competition of ethnic minorities and thereby further bolster prejudiced views of the less educated This indicates that formal education alone is not sufficient to change prejudiced views Other forms of socialization transmitting values leading to open mindedness and the ability to secure one's economic position have to support the positive effects of formal education as well

Critical Perspectives on White Supremacy and Racism in Canadian Education Arlo Kempf, Heather Watts, 2024-03-12 *Critical Perspectives on White Supremacy and Racism in Canadian Education* shows how K 12 schooling continues to produce and maintain white supremacist and colonial logics and questions the alternate future of schooling in Canada It argues that white supremacy and race in schooling are present in colonial centered approaches to teacher education formal and informal exclusion through curriculum development and persistent failed commitments to racial justice and decolonization These themes guide the organization of this collection which is further underpinned by theoretical perspectives including critical race theory anti Blackness theory abolition and anticolonial theory Contributions are drawn from classroom teachers

community educators and pre service teacher educators and are powerfully informed by first hand accounts as well as stories of teachers and teacher candidates Combining theory with practice this edited volume will be important reading for advanced undergraduate and postgraduate students in social justice education multicultural education and Indigenous studies It will also be beneficial reading for antiracist and Indigenous education researchers as well as policymakers and practitioners within critical education

Race and Society: The Essentials Kathleen J. Fitzgerald, 2020-12-04 Race and Society The Essentials explains the basic theories and concepts related to the sociology of race and ethnicity covering topics such as prejudice and discrimination immigration and assimilation structural and institutional racism privilege intersectionality color blind racism interracial relationships multiracial families biracial multiracial identities and indigeneity It is designed to provide a foundation for students so they can have productive and necessary discussions about race racism and privilege and understand how to move towards a more racially just society Unlike many texts for this course it does not contain chapters on individual racial and ethnic minorities or on race within the context of social institutions Perfect for instructors who assign other kinds of materials for their race ethnicity courses research monographs journals articles published anthologies scholarly and trade books or for shorter courses this text will provide students with a solid theoretical and conceptual grounding in the field
