It approaches mental health from two perspectives, firstly as a positive state of well being and secondly as psychological difference or abnormality in its social context.

Mental Health, Racism, and Sexism Charles V. Willie, 1995-01-15 The essays in this volume discuss racism and sexism as they affect mental health. In particular they focus on training, diagnosis, treatment and research, emphasizing the power relationships between individuals and groups that cause unequal access to mental health care. They offer perspectives on issues and their distinct effects on mental health: interracial adoptions, teenage motherhood, gender bias in mental health diagnosis and therapy, prisons used as substitutes for hospitals, homeless families and increasing violence in the home, on college campuses and in the streets. *Black Psychiatrists and American Psychiatry* Jeanne Spurlock, 1999 Presenting a vivid historical account of the contributions that black psychiatrists have made to American psychiatry, this important book documents the growth and influence of the group in tandem with the advancement of the field as a whole. It provides us with

a deep appreciation for what these pioneers accomplished and the hurdles they overcame Spurlock and the book's many distinguished contributors provide an overview of the history spanning generations and various areas of psychiatry This volume documents early and contemporary pioneers and their contributions to modern psychiatry Surveys of black psychiatrists in academia child psychiatry psychiatric research forensic psychiatry and psychoanalysis provide an enlightening view of their experiences From a collection of descriptive essays readers can step into the shoes of several pioneers and experience how they lived These personal reflections provide enormous insight into the history of American psychiatry Finally the book addresses current mental health issues affecting African Americans as well as the barriers black psychiatrists face and the coping mechanisms they use This work should be of particular interest to psychiatry students or residents and to anyone interested in the history of American psychiatry It discusses the widening opportunities for professional growth for black psychiatrists and the important place black psychiatrists have reached in the present mental health arena

The Psychology of Black Boys and Adolescents Kirkland C. Vaughans, Warren Spielberg, 2014-06-30 Drawing on personal insights and research based knowledge this important work facilitates understanding of the psychological struggles of young African American males and offers ameliorative strategies Despite examples set by successful black men in all walks of life the truth remains that a disproportionate number of black boys and young men underperform at school suffer from PTSD and too often find themselves on a pathway to jail The two volume The Psychology of Black Boys and Adolescents marks the first attempt to catalog the many psychological influences that can stack the deck against black male children and to suggest interventions Bringing together an expansive collection of new and classic research from a wide variety of disciplines this set sheds light on the complex circumstances faced by young black men in the United States Contributions by authors Kirkland Vaughans and Warren Spielberg contain insights from the groundbreaking Brotherman study conducted over a ten year period to report on the lives and psychological challenges of over a hundred African American boys and their families Among the myriad issues studied in this set are the often negative expectations of society the influence of gangs and the impact of racism and poverty Of equal importance the work explores culturally specific ways to engage families youths communities and policymakers in the development of healthy safe educated boys who will become whole and successful adults

Race, Culture and Mental Illness in the International Criminal Court's Ongwen Judgment: Biases and Blindspots Beth S. Lyons, 2024-12-18 Dominic Ongwen was abducted in 1987 when he was 8 or 9 years old by the Lord's Resistance Army LRA in Northern Uganda and trafficked as a child soldier he made multiple unsuccessful attempts to escape and finally succeeded in late 2014 He turned himself into the International Criminal Court in 2015 and was prosecuted Mr Ongwen's defence was that he was not responsible for the crimes of the LRA based on his mental illnesses and duress stemming from his abduction and subsequent coercion and indoctrination under Joseph Kony within the LRA In February 2021 the ICC's Trial Chamber IX convicted Dominic Ongwen of 61 charges and two modes of liability and he was sentenced to 25 years incarceration This work critiques the judicial racial and cultural biases and blindspots in the Ongwen Judgment rendered by the ICC as related to the affirmative defences of mental disease or defect and duress and to sentencing from the perspective of the author who served as a defence counsel in the case

Principles of Social Psychiatry Craig Morgan, Dinesh Bhugra, 2010-03-04 Social psychiatry is concerned with the effects of the social environment on the mental health of the individual and with the effects of the person with a mental disorder on his/her social environment The field encompasses social interventions prevention and the promotion of mental health This new edition of Principles of Social Psychiatry provides a broad overview of current thinking in this expanding field and will be a source of ideas both in research and for the management of mental disorder It opens by putting social psychiatry in perspective within both psychiatry and the social sciences From the patient's perspective the outermost influence is the

culture in which they live followed by their neighbourhoods workmates and friends and family The next section considers how we conceptualize the social world from families through cultural identity and ethnicity to the wider social environment The book reviews the social determinants and consequences of the major mental disorders before considering interventions and service delivery at various levels to mitigate these It closes with a review of the social impact of mental illness around the world and a thoughtful essay by the editors on the current state of social psychiatry and where it is heading
