Renewal For The 21st Century Church:

Renewal for the 21st Century Church Waldo J. Werning, 1988 **Re** Jervis Djokoto, 2021-10-11 For almost the entire period of its existence the Church has fought to stay spiritually alive Now we face a faith crisis of global proportions particularly for our youth who are meant to lead us in the future **Re New A Case for Spiritual Renewal in the 21st Century** explores the critical need for examination and spiritual renewal at all levels This renewal will repair the leakages in our wells filling us afresh with the life of Christ and of His Spirit which will then overflow to transform the world This is the Renew Movement In the first book of the **Re New** series Pastor Jervis Djokoto explains the urgent call to action for all spiritual leaders and Christians to launch a spiritual revolution grounded in Christ and the power of the Holy Spirit Discover how you can join in at a Renewal Hub to spark the journey for you as an individual and your entire Church community **REVIEWS** As the Western Church is in decline and the Global Church is exploding the question before us is how does renewal take place in both contexts long term This book is one of many being written by the next generation of global Christian scholars that is so encouraging and needed right now Jervis has brought together biblical insight robust theological reflection has used his personal journey to give a strong way to move forward in the power of the Holy Spirit in both directions This conversation is key for us as we try to see the kingdom of God grow especially in globally influencing multicultural cities like Toronto where I serve Dr JON THOMPSON Senior Pastor Sanctus Church Canada and author of *Convergence* Why Jesus needs to be more than our Lord and Savior to thrive in a post Christian world Churches in the Global north are in a period of spiritual decline as believers get pulled into formal religion or abandon the faith all together But Jervis Djokoto a Canadian millennial pastor and Doctoral student of Ghanaian descent is out to change that In a hope filled compelling fashion Djokoto's **Re New A Case for Spiritual Renewal in the 21st Century Church** argues that the same experiential Spirit centered communal and embodied movement of God that shifted the center of Christianity to the global south is available to all countries and communities Joel 2 speaks of the Holy Spirit being poured out on all flesh That means in these last days there are renewal catalysts everywhere being moved by God to personal revitalization Djokoto shares his personal story of transformation and then invites other change agents to join him in local networking hubs that prioritize spirituality over structures and have a willingness to wait as long as it takes for the Spirit to come The result will be a creative contextualized gospel where Jesus the ultimate cure reverses the signs of sickness in our culture Here is a clarion call to be taken very seriously JAMES PENNER Lethbridge based speaker sociologist and lead author of *Hemorrhaging Faith Why and When Canadian Young Adults Are Leaving Staying and Returning to Church* In his call for spiritual renewal Pastor Jervis is not offering a new formula but instead is suggesting we slow down and pay attention to the work the Spirit has been doing all along Jervis makes his point via a survey of church history theology and global Christianity Spiritual vitality has consistently emerged as God works through the church's weakness and frailty This book rings true because it emerges from the author's own spiritual

journey as he has learned to listen and discern the voice of the Spirit REV DAN SHEFFIELD pastor church planter adjunct lecturer at Tyndale Seminary and author of *The Multicultural Leader* **Renewing a Modern Denomination** Andy Goodliff, 2021-01-19 This book is an exploration of the renewal of the Baptist Union of Great Britain in the 1990s the only historic UK denomination which grew in this period It was an exciting time with plenty of denominational activity and engagement both theological and institutional The book tells this story focusing on the particular individuals involved and the wide ranging discussions centered around mission and identity ministry associating and ecumenism It argues that there were competing visions emerging from two different streams of thought which whilst not divisive caused tension At the end of the decade structural changes were introduced with hope for the new millennium but the book contends that opportunities were missed for a more deeply theological renewal **The Protestant Church in the Netherlands: Church Unity in the 21st Century** Arjan Plaisier, Leo J. Koffeman, 2014 The Protestant Church in the Netherlands Dutch Protestantse Kerk in Nederland abbreviated PKN is the largest Protestant Christian denomination in the Netherlands This volume marks the 10th anniversary of the denomination which occurred on May 1 2014 The book outlines the long history that preceded the unification and the developments that occurred during the first decade of the church s existence Furthermore contributors from other countries share the stories of their united churches Their contributions enrich the picture of what church unification may entail Thus the book contributes to the field of ecumenical theology Additionally theologians from different backgrounds share some reflections on the issues raised by the book s articles Series Church Polity and Ecumenism Global Perspectives Vol 4 Subject Religious Studies History Ecumenism *An Urgent Call for Renewal* Pasquale de Marco, 2025-04-28 The Catholic Church is at a crossroads Facing challenges from within and without the Church needs to find a way to renew itself and remain relevant in the 21st century This book is a call to action for all Catholics who believe that the Church has a vital role to play in the world It is a call to renewal and reform a call to holiness and mission The book is divided into ten chapters each of which explores a different aspect of the Church s life and mission The chapters cover topics such as the nature of the Church the call to holiness the Eucharist the priesthood the laity marriage and family the social mission of the Church the Church in the digital age the future of the Church and a call to action The book is written in a clear and accessible style and it is intended for a wide audience of Catholics It is a book that will challenge readers to think deeply about the Church and its mission and it will inspire them to work for a better future for the Church The Church is facing many challenges today but it is also a time of great opportunity The Church has a long and rich history and it has weathered many storms With the help of God the Church will continue to be a force for good in the world for centuries to come This book is a call to all Catholics to be part of the renewal of the Church It is a call to holiness to mission and to hope Let us answer this call with courage and enthusiasm and let us work together to build a better future for the Church and for the world **Planting Growing Churches for the 21st Century** Aubrey Malphurs, 2004-10-01 If the church is to thrive in

Spirit-Empowered Christianity in the 21st Century

Vinson Synan, 2011-02-01 What does a re vision of the Charismatic Pentecostal Spirit empowered movement look like in the coming years of this millennium The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths but the perpetuators of them as well If any generation ceases to accentuate this emphasis the movement likely will forfeit the right to be recognized as such When the Pentecostal message is preached published and proclaimed through triumphant song an atmosphere is sustained for people to experience anew and again the reality of salvation holiness charismata wholeness and hope Such a revival will be biblically based rationally sound traditionally accurate and experientially real Spirit Empowered Christianity in the 21st Century is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa OK in April 2010 These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century For example one portion covers the topic of the 21st century renewal while another discusses how we can protect our Charismatic distinctive Another portion will highlight Charismatic adaptations for reaching this present age discussing issues of social and economic justice prosperity and suffering challenges to urban ministry the future of the next generation Oneness Pentecostalism and missiological aims in North America

Christian Responses to Spiritual Incursions into the 21st Century Church and Society

Nikolaos Asproulis, Stuart Devenish, 2020-10-30 This volume provides an account of the surprising in breaking of spiritual life that persists in our culture despite the best efforts of atheist spokespersons and secular theorists Spirituality in its varying forms is irrepressible resisting our attempts to exclude it by continuing to seep through the cracks and leak through the gaps When it is allowed to manifest itself through the Christian faith tradition it has the power to surprise transform and renew everything it touches This volume contains a series of case studies each of which describes the inner functionings and out workings of the spiritual life as a transformative point of contact between God world society and self Each chapter contains high level inquiry drawing on best practice scholarship that is deeply aware of the needs and opportunities that confront 21st century society

The Spirit of Vatican II Colleen McDannell, 2011-03-01 In 1962 a group of Catholic leaders traveled to Rome charged by Pope John XXIII with the task of making the gospel of Christ relevant in a modern world The Second Vatican Council transformed the lives of Catholics through sweeping reforms yet its

effect on the daily lives of practicing Catholics has never been fully understood In this illuminating study religious historian Colleen McDannell presents new insight into Vatican II by shifting the framework of its analysis from men to women from urban to suburban from theory to practice Using the story of her Catholic mother's life as a narrative thread McDannell presents in *The Spirit of Vatican II* a refreshingly positive portrayal of the state of modern Catholicism and a testament to the lasting effects of its liberalization *The Prodigal Church* Brandon McGinley,2020-06-23 Brandon McGinley argues that the Church is making a grave error in acquiescing to secularism just as it is falling into disrepute Indeed now is the Church's moment to reclaim not just our roots but the very reality of Christ's grace and peace and kingship in the world

Preaching Prophetic Care Phillis Isabella Sheppard,Dawn Ottoni-Wilhelm,Ronald J. Allen,2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today's social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice With contributions from Donna Allen L Susan Bond Teresa Fry Brown Gennifer Brooks Teresa Eisenlohr Anna Carter Florence Kenyatta Gilbert R Mark Giuliano David Schnasa Jacobsen John McClure Mary Elizabeth Moore Mary Alice Mulligan Debra Mumford Peter Paris Luke Powery Shelly Rambo Lee Ramsey Robert London Smith Amy Steele Frank A Thomas Lisa Thompson Scott Williamson Sunggu Yang Ted A Smith William B McClain

Charisms and Charismatic Renewal Francis A. Sullivan, 2004-10-13 The rapid growth of the charismatic renewal in the Catholic Church has brought with it both controversy and confusion and it has raised a number of important theological questions Is it an authentic renewal movement Exactly what is the baptism of the Holy Spirit How should we understand the gift of tongues What is prophecy Does God really heal by supernatural means One by one Francis Sullivan takes up these controversial points in one of the most thorough theological investigations yet undertaken into the Catholic charismatic renewal Charisms and Charismatic Renewal is a scholarly analysis of this dynamic renewal movement for those who want to know more about its history its theological and scriptural bases its present impact on the church and its probable future course

Bobie Amankwatia DMIN., 2020-01-10 A variety of books on spiritual leadership exist written by respected authors with unique insights and perspectives This book on revival leadership is no exception Dr K Bobie Amankwatia having served in several ministry capacities including youth leader senior pastor church planter Bible college teacher administrator and Christian counselor for over 40 years brings a fresh perspective to this important subject He explores the leadership principles that helped Zerubbabel usher the Jews from the doldrums of brokenness desolation and discouragement back to their ancestral home There they reclaimed and maintained their inheritance with renewed vigor and faith in their God Today's body of Christ can benefit from these principles Some of the principles addressed in this book help leaders set priorities move in faith and conviction to accomplish the seemingly impossible and confront challenges to ensure harmony in times of revival

Transforming Renewal Andy Lord, 2015-10-29 Pentecostal and charismatic renewal movements have seen great growth over the last century and have engaged with many Christian traditions Yet there are signs that all is not well and there is a need to develop theologies of renewal that engage with practice and across the traditions if the movements are to continue to grow In particular this book seeks an ecumenical engagement between David Watson and Thomas Merton leaders in the charismatic and monastic renewal movements The aim is to reflect on the theological roots of these renewal movements through a study of particular people who lived them in practice and sought to help others understand how the triune God was at work This is done against the wider background of contemporary renewal theology to develop constructive proposals for renewal theology in the future Receptive ecumenism provides the method for bringing the different voices into conversation in ways that also point forward in approaches to ecumenical dialogue It is thus a study relevant to those seeking new ways in theology those involved in renewal and ecumenical movements students of Thomas Merton and all who seek to better understand the Christian renewal movements that have swept the world
