Renewing The Center Evangelical Theology In A Post Theological Era:

Renewing the Center Stanley James Grenz, 2000 Assesses evangelical history past present and future to make a case for a renewed centrist evangelicalism marked by generous orthodoxy Beyond Pentecostalism Wolfgang Vondey, 2010-09-23 The Pentecostal Manifestos series aims to speak for and to a rising outward looking generation of Pentecostal scholarship Written by both established and newly emerging scholars the various manifesto volumes are to be creative statements marked by rigorous theological scholarship reflecting a distinctly Pentecostal engagement with wider themes and concerns in Christian thought today **Pentecostalism as a Christian Mystical Tradition** Daniel Castelo, Elaine Heath, 2017-04-10 Informed reassessment of Pentecostalism as a mystical tradition of the church universal Pentecostalism says Daniel Castelo is commonly framed as evangelicalism with tongues or dismissed as simply a revivalist movement In this book Castelo argues that Pentecostalism is actually best understood as a Christian mystical tradition Taking a theological approach to Pentecostalism Castelo looks particularly at the movement's methodology and epistemology as he carefully distinguishes it from American evangelicalism Castelo displays the continuity between Pentecostalism and ancient church tradition creating a unified narrative of Pentecostalism and the mystical tradition of Christianity throughout history and today Finally he uses a test case to press the question of what the interactions between mystical theology and dogmatics could look like Free Churches and the Body of Christ Jeffrey W. Cary, 2012-11-05 Those within the free church tradition have often appealed to the notion of the invisible church to account for the unity of the Body of Christ A growing number of free church theologians however are giving increased attention to the importance of visible ecclesial unity which immediately raises the perennial problem of the authorities by which unity is maintained There is also a growing recognition among free church theologians of the need to recognize the authority of tradition in tandem with the authority of Scripture In this book Cary affirms these recent developments but then inquires whether a turn toward visible unity together with an embrace of the authority of tradition can eventually be coherent without also embracing the authority of an extra congregational teaching office To guide his study Cary engages the work of two theologians from outside the free church tradition Robert Jenson and Rowan Williams He then brings them into contact with the prominent free church theologian James McClendon in order to supplement some of the deficiencies Cary perceives in McClendon's groundbreaking work Once these deficiencies are addressed however the question intensifies whether the free church tradition as such can remain a coherent ecclesial option over time *An Interweaving Ecclesiology* Mark Scanlon, 2021-11-30 What is church What spaces does church occupy Can ecclesial space exist beyond the boundaries of church In *An Interweaving Ecclesiology* Mark Scanlan offers a fresh vision of Christian community as constructed for and by participants as potential ecclesial spaces combine to create an experience which we call church Drawing in particular on research into the dynamic between youth groups and the churches within which they operate Scanlan brings us a distinct approach to the church in mission that can nuance and develop the tired and sometimes

flawed thinking around Fresh Expressions and pioneer ministry Combining deep ecclesiology with a practical approach this book will be useful to students and scholars of pioneer and youth ministry and those with a wider interest in how churches operate

Stewart, 2013 This volume highlights points of agreement and disagreement on the subject of religious pluralism The dialogue partners in the discussion are Paul F Knitter Paul Tillich Professor of Theology World Religions and Culture at Union Theological Seminary and Harold A Netland professor of Mission and Evangelism and director of Intercultural Studies at Trinity Evangelical Divinity School in Deerfield Illinois A transcript of the March 2009 Point Counterpoint event between Knitter and Netland allows the reader to see how each presents his position in light of the others as well as their responses to selected audience questions The balance of the volume is comprised of substantive essays on various facets of the question of religious pluralism from a diverse set of scholars The Greer Heard Point Counterpoint series takes pride in presenting a fair and balanced case for both sides of complex issues and in providing the tools for students and scholars to form their own conclusions

The Gospel and Pluralism Today Scott W. Sunquist, Amos Yong, 2015-10-06 This collection of essays explores the legacy of Lesslie Newbigin's classic work *The Gospel in a Pluralist Society* critically analyzing the nature of Western pluralism and discussing the influence of Newbigin's work on the field of missiology By looking backward this volume advances a vision for Christian witness in the pluralistic world of the twenty first century

Charismatics and Postmodernity Jitesh K. Patel, 2025-09-05 Is charismatic renewal a bit too much like postmodernism With its multiple ways of knowing what is true touchy feely and pragmatic with an emphasis on personal story and community why does it look like

something dreamt up by postmoderns longing for a church befitting their ideals This book explores these questions by investigating an example of charismatic renewal the Charismatic Movement in the Church of England leading to some surprising results Appearances can be deceiving and what seems postmodern about charismatic renewal is a complex mix of modernism reactions to modernism and a longing to go back to a time before modernism reared its head Jitesh Patel helps show how renewal s ongoing life has much still to contribute to the wider church s life once it recognizes the strengths and weaknesses of how it has formed in the context of modernism and the chapters herein illuminate what its future could look like as a result

The Bridge Michael W. McGowan, 2015-05-04 Philosophers of religion and theologians have long wrestled with the concept of revelation Does God reveal truth to human subjects primarily through sacred texts or audible voices Through inner experiences or pronouncements of religious leaders What is the relationship between the truths given in revelation and those discoverable by reason Revelation is a challenge not only to scholars but also for churchgoers How can the same God command one person to do one thing and another to do something quite different In *The Bridge* Michael McGowan explores how a number of great twentieth and twenty first century thinkers understand the concept of revelation Using insights from their work and some recent advances in literary theory and communication studies he constructs a model of revelation in which symbol and narrative figure heavily Ancient ideas are given new life in this contemporary explication of the nature of revelation God as the Revealer and revelation s implications

Foundational Faith John Koessler, 2003-04-01 At various times some within the Protestant community have compromised core Christian principles to fit the times Challenging these truths many members of the evangelical community have stood up for the key doctrines that in their view remain essential to the Christian faith In *Foundational Faith* John Koessler a professor at Moody Bible Institute joins several of his colleagues in introducing fundamental truths of the Christian faith to a generation increasingly unfamiliar with the original and true essence of Christianity

Plunging into the Kingdom Way Tim Dickau, 2011-01-01 What practices might a community of faith take up that will bear witness to the alternative world Jesus envisions and calls us towards That is the question that Grandview Calvary Baptist Church an initially small and fragile group of Christ followers has kept asking over the last twenty years Along the way this small group has spawned a vibrant community of faith that has traveled along four trajectories towards a shared life in community radical hospitality justice for the least and confession leading to transformation In a culture where individualism consumerism injustice and autonomy shape us all these practices have re shaped not only the people of this church but also the neighborhood they inhabit in the East side of Vancouver British Columbia For anyone wanting to recover ancient but newly shaped practices of the first disciples *Plunging into the Kingdom Way* offers renewed hope By relating their story in conversation with a host of theologians sociologists and philosophers Tim Dickau sparks the imagination for how you and your friends your community or your church can live out the radical vision of Jesus in your neighborhood today Plunge in and you will discover renewed hope that you can actually follow the way of Jesus

today Network Church Andy Lord,2012-03-19 Drawing on pentecostal experience of growing church networks this book offers a systematic ecclesiology that provides a fresh approach to catholicity church structures partnership and contextualisation **Introducing Christian Doctrine** Millard J. Erickson,2015-08-11 Leading evangelical scholar Millard Erickson offers a new edition of his bestselling doctrine text over 100 000 copies sold now thoroughly revised throughout This book is an abridged less technical version of Erickson s classic Christian Theology Pastors and students alike will find this survey of Christian theology and doctrine to be biblical contemporary moderate and fair to various positions It is a practical and accessible resource that applies doctrine to Christian life and ministry This book is supplemented with helpful web materials for students and professors through Baker Academic s Textbook eSources Training Disciplined Soldiers for Christ Tim W. Callaway,2013-04-17 The comparative scarcity of academic attention given Prairie Bible Institute located at Three Hills Alberta Canada serves as the primary motivation behind this book This work should therefore be regarded as an attempt to contribute to and refine the very small amount of research available regarding how Prairie Bible Institutes first half century should be understood and interpreted by students of North American church history Drawing on an insiders perspective of PBI former PBI staff kid Tim W Callaway challenges the adequacy and accuracy of Canadian scholar Dr John G Stackhouse Jr s inference that the kind of sectish evangelicalism that typified PBI in the twentieth century was substantially different from the characteristics that define the traditional understanding of American fundamentalism The undertaking contained in these pages advances the perspective that Prairie Bible Institute during the L E Maxwell era did in fact reflect the influence and attributes of American fundamentalism to a far greater extent than what Stackhouse allowed for in his research *Evangelicals Engaging Emergent* Bill Henard,Adam W. Greenway,2009-05-01 While plenty of books related to the conversations as well as controversies surrounding the emergent church have surfaced in recent years no comprehensive evangelical assessment of the movement has been published until now Evangelicals Engaging Emergent draws from a broad spectrum of conservative evangelicalism to serve as a clear informative fair and respectful guide for those desiring to know what emergent means why it originated where the movement is going what issues concern emergent believers and where they sometimes go wrong theologically Among the dozen contributors are Norman Geisler A Postmodern View of Scripture Darrell Bock Emergent Emerging Christologies Ed Stetzer The Emergent Emerging Church A Missiological Perspective and Daniel Akin The Emerging Church and Ethical Choices The Corinthian Matrix **The Trinitarian Theology of Stanley J. Grenz** Jason S. Sexton,2013-09-12 Exploring one of the most controversial figures in recent evangelical theology this book thoroughly examines core features of Stanley J Grenz s Trinitarian vision SCM Studyguide: Theology in the Contemporary World Ben Pugh,2017-10-30 No sooner have they mastered the basics than students of theology can quickly find themselves in over their heads They are bombarded with claim and counter claim as soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or the atonement Other subjects might be less

contentious but attract an astonishing excess of literature Take the vast literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry

Pentecostal Ecclesiology Simon K.H. Chan,2019-05-21 This book argues that if the Pentecostal movement is to overcome its excessive individualism and structural instability the way forward is not more institutionalization but a coherent and robust ecclesiology based on the Pentecost event which is the coming of the Holy Spirit in his own person into the church A Pentecostal ecclesiology is essentially the working out of the ramifications of that key event The book takes a more ontological understanding of the relationship between the Spirit and the church than would Protestant and evangelical ecclesiologies In this respect it has more in common with Orthodoxy It is further argued that this realignment away from Protestantism and evangelicalism towards Orthodoxy far from removing Pentecostals from their roots actually brings them much closer to the heart of Pentecostal spirituality Evangelicals & Scripture Vincent E. Bacote,Laura Miguelez Quay,Dennis L. Okholm,2009-08-20 Vincent Bacote Laura C Migu lez and Dennis L Okholm present twelve essays that explore in depth the meaning of an evangelical doctrine of Scripture that takes seriously both the human and divine dimensions of the Bible
