Renewing Jewish Faith Irwin Groner, 2004 Insightful observations on Judaism by this popular Southfield Michigan rabbi Jewish Renewal Rabbi Groesberg, Sholom Groesberg, 2008 In 1980 Sholom Groesberg changed his life s course He resigned as dean of engineering at Widener University in order to pursue a career in the rabbinate Accepted at the Academy for Jewish Religion he was ordained in 1984 Ten years later Rabbi Groesberg encountered the Jewish Renewal movement Its approach to creating an authentic identity within the context of living as a Jew resonated strongly within him He became an ardent adherent of the movement Jewish Renewed A Journey is a combination academic study and personal memoir written for the educated lay reader It traces the movement's history explicates its ideology and practices and examines the future challenges facing the movement Among others this book will interest History buffs Educators Spiritual seekers Environmentalists Alienated Jews seeking a home Practitioners in the helping professions This book will also appeal to those of a philosophical bent searching for answers to questions of Ultimate Concern answers that invest our lives with meaning Why bother to be Jewish Can secularism and religiosity be bridged Why do new religious movements survive or fail Are the Kabbalah s teachings relevant to contemporary times How can a modernist Jew conceptualize the significance of God The Spirit of Renewal Rabbi Edward Feld, 2014-02-11 Modernity has provided more than enough reason to give up believing in holiness still we have learned that to give up the struggle to achieve it means that we become less human As we leave the twentieth century we discover new reasons to return to old faith We rediscover an urgent need to defend the sacred even as our understanding differs from our ancestors We choose not to retreat from the world but to struggle within it to stain ourselves with sin even as we seek to establish the good from Chapter 13 Humanity The cataclysm of the Holocaust seems to forbid speech Yet even in the heart of that darkness sparks of sacredness were kept alive From these sparks Rabbi Edward Feld suggests Jews and others can renew a faith and find a language that recovers the holy even after experiencing the reign of a Kingdom of Night unimaginable to previous generations In a voice that is engaging often poetic Rabbi Edward Feld helps the modern reader understand events that span almost 4 000 years of the history of Judaism and the Jewish people With rare clarity insight and gentleness he offers a thought provoking yet accessible study of the way tragedy has shaped Jewish history and the self understanding of Jews The Spirit of Renewal explores four key events that reshaped religious expression two ancient and two modern the Babylonian exile the Bar Kochba revolution the Holocaust and the establishment of the State of Israel The Spirit of Renewal shows how even under the most traumatic of circumstances Judaism survives renewing itself and flourishing again This profound and wise meditation opens the way to a powerful new understanding of the nature of God and the spiritual life **Jewish Renewal in America** Barbara Dowd Wright, 2005 The Handbook to Jewish Spiritual Renewal Rabbi Arthur Segal, Frank Dunne, Jr., 2009-02-25 The Handbook to Jewish Spiritual Renewal A Path of Transformation for the Modern Jew contains millennia of sage advice in an easy to read step by step process for recapturing

New Heart, a Renewed Call David Claydon, 2005 Toward a Sociological Theory of Religion and Health ,2011-07-12 Driven by funding agencies empirical research in the social scientific study of health and medicine has grown in quantity and developed in quality When it became evident in what is now a tradition of inquiry that people s religious activities had significant health consequences a portion of that body of work began to focus more frequently on the relationship between health and religion The field has reached a point where book length summaries of empirical findings especially those pertinent to older people can identify independent mediating and dependent variables of interest Every mediating variable even if considered as a control variable represents an explanation a small theory of some kind However taken in granular form as it were the multiple theories do not comprise mid level theory let alone a general theoretical framework This volume seeks to move toward more general theoretical development Contributors include Alex Bierman Sherry Cummings Christopher G Ellison Andrea K Henderson Barbara Kilbourne Neal Krause Jeff Levin Robert S Levine Eric Liu Michael K Roemer Scott Schieman and Ephraim Shapiro Faith at the Crossroads Dov Schwartz, 2002-05-01 Religious Zionism emerged as an organized political movement in 1902 rebelling against the ethos of passivity endorsed by a mostly anti Zionist Eastern European Orthodoxy The book presents religious Zionists as a new religious type driven by distinct theological conceptions that reexamine fundamental notions including God faith and historical process Schwartz s detailed analysis exposes the roots of a political movement that has proven crucially influential in Israeli politics both before and after the establishment of the state **Renewal** Shmuley Boteach, 2010-09-07 Our culture is showing the cracks of a growing fracture Soaring divorce rates a crippled economy that rewards the few and punishes the many religious fueled hatred record rates of depression the headlines paint a grim picture We inhabit a society that desperately needs fixing But as Rabbi Shmuley Boteach reveals in his new book Renewal our society can made whole again when we as individuals make the choice to live a life based on values For too long conversations about values have been derailed by political movements trying to score points over hot button issues like gay marriage or abortion Boteach one of our wisest and most respected counselors and spiritual experts reaches deep into our history and into our shared religious legacy to revive the key universal values of Judaism for our struggling world He presents these age old ideas as guideposts for the challenges of modern times These values whose roots are in the Bible and thousands of years of Jewish spiritual living can be applied to anyone in the modern world from Christians and Muslims to atheists and agnostics who want to renew their existence and recommit themselves to the most precious things in life Renewal shows everyone how to use the timeless values of the Hebrew Bible and Judaism to live a more fulfilling modern life Renewal Shmuel Boteach, 2010-05-25 Our culture is showing the cracks of a growing fracture Soaring divorce rates a crippled economy that rewards the few and punishes the many religious fueled hatred record rates of depression the headlines paint a grim picture We inhabit a society that desperately needs fixing But as Rabbi Shmuley Boteach reveals in his new book Renewal our society can made whole again when we as individuals make the choice to live a

life based on values For too long conversations about values have been derailed by political movements trying to score points over hot button issues like gay marriage or abortion Boteach one of our wisest and most respected counselors and spiritual experts reaches deep into our history and into our shared religious legacy to revive the key universal values of Judaism for our struggling world He presents these age old ideas as guideposts for the challenges of modern times These values whose roots are in the Bible and thousands of years of Jewish spiritual living can be applied to anyone in the modern world from Christians and Muslims to atheists and agnostics who want to renew their existence and recommit themselves to the most precious things in life Renewal shows everyone how to use the timeless values of the Hebrew Bible and Judaism to live a more fulfilling modern life Destiny Unlike the Greeks who believed that life was scripted from birth the Jews believe in destiny In short they reject the idea of tragic fates and instead champion the individuals capacity to create their own destiny through individual choice Redemption Christians and Muslims emphasize salvation or the need for man to become spiritual to refine his character and earn a place in heaven But Jews believe in world redemption the capacity for the individuals to make heaven here on earth for the betterment of the community Action What you do is more important than what you believe Good deeds always supersede good dogma Enlightenment Jews are an infinitely curious people and believe that the great bane of existence boredom can only be cured by knowledge Marriage Marriage refers not just to the institution but rather the softening of the masculine by exposure to the feminine A culture that does not know how to respect women is bound to collapse Struggle It is wrestling with our nature rather than attaining perfection that constitutes true righteousness Everyone is somehow flawed but righteousness is found in the struggle to do right amid a predilection to act selfishly Sacred Time Whereas other religions sanctify space Jewish values privilege special moments The Sabbath day the holiest day of the week provides a time for connecting with family and friends Renewing the Old, Sanctifying the New Marc B. Shapiro, 2024-12-01 Ray Kook's theological positions have moulded the attitudes and beliefs of generations of religious Zionists Newly published writings reveal his innovative approaches to such key topics as non Jewish religions morality heresy and animal sacrifice Lucidly presented here these ideas will foment much discussion and shape new ideological directions "The Learning of the Jews" Gary A.
