Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet C zanne Renoir Degas and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition each artist painted to express feelings of the moment instead of hewing to time honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a sweeping study of this artistic period from its origins to its manifestations in the works of some of art history s most revered painters Following this overview is a substantial and selective bibliography featuring access through author title and subject indexes *Punch* , 1988-03 *Stories My Father Told Me: Notes from "The Lyons Den"* Jeffrey Lyons, 2011-06-14 An incredible collection of celebrity stories and photographs from 1934 to the present from the archives of The Lyons Den by eminent New York Post columnist Leonard Lyons compiled by his son movie critic Jeffrey Lyons This amazing collection of choice anecdotes takes us right back to the Golden Age of New York City nightlife when top restaurants like Toots Shor s 21 and Sardi s as well as glittering nightclubs like the Stork Club Latin Quarter and El Morocco were the nightly gathering spots for great figures of that era movie and Broadway stars baseball players champion boxers comedians diplomats British royalty prize winning authors and famous painters From Charlie Chaplin to Winston Churchill from Ethel Barrymore to Sophia Loren from George Burns to Ernest Hemingway from Joe DiMaggio to the Duke of Windsor Leonard Lyons knew them all For forty glorious years from 1934 to 1974 he made the daily rounds of Gotham nightspots collecting the exclusive scoops and revelations that were at the core of his famous newspaper column The Lyons Den In this entertaining volume Jeffrey Lyons has assembled a considerable compilation of anecdotes from his father s best columns and has also contributed a selection of his own interviews with stars of today including Pen lope Cruz and George Clooney among others Organized chronologically by decade and subdivided by celebrity Stories My Father Told Me offers fascinating amusing stories that are illustrated by approximately seventy photographs He so captured the tenor of those exciting times that the great Lincoln biographer Carl Sandburg said Imagine how much richer American history would have been had there been a Leonard Lyons in Lincoln s time **Bulletin from Virginia Kirkus' Service** Kirkus Service, 1962 *Obituaries in the Performing Arts* Harris M.
