*Housing Policies for Distressed Urban Neighborhoods*, 1993 *Living With Urban Environmental Health Risks* Girma Kebbede, 2017-11-28 Although it still has a low urban population when compared with the rest of the world Ethiopia nevertheless has been experiencing one of the most rapid urbanization processes of recent years This rapid urban growth however has not been accompanied by a commensurate increase in basic infrastructure and amenities that are essential for a healthy urban environment Housing water supply sanitation services drainage transport networks and health services have not been able to keep pace with the prevailing urban growth rates resulting in a deterioration of urban living conditions and increasingly serious health problems *Living With Urban Environmental Health Risks* examines the extent and nature of environmental problems in urban areas in Ethiopia and their impact on health The book points to the economic and political causes that underlie many of the urban problems in the country This in depth analysis suggests ways to deal with these problems at community municipal and national levels **Shattered Spaces** Michael Meng, 2011-11-29 After the Holocaust the empty silent spaces of bombed out synagogues cemeteries and Jewish districts were all that was left in many German and Polish cities with prewar histories rich in the sights and sounds of Jewish life What happened to this scarred landscape after the war and how have Germans Poles and Jews encountered these ruins over the past sixty years In the postwar period city officials swept away many sites despite protests from Jewish leaders But in the late 1970s church groups local residents political dissidents and tourists demanded the preservation of the few ruins still standing Since the collapse of the Soviet Union in 1989 this desire to preserve and restore has grown stronger In one of the most striking and little studied shifts in postwar European history the traces of a long neglected Jewish past have gradually been recovered thanks to the rise of heritage tourism nostalgia for ruins international discussions about the Holocaust and a pervasive longing for cosmopolitanism in a globalizing world Examining this transformation from both sides of the Iron Curtain Michael Meng finds no divided memory along West East lines but rather a shared memory of tensions and paradoxes that crosses borders throughout Central Europe His narrative reveals the changing dynamics of the local and the transnational as Germans Poles Americans and Israelis confront a built environment that is inevitably altered with the passage of time *Shattered Spaces* exemplifies urban history at its best uncovering a surprising and moving postwar story of broad contemporary interest

*American Urban Architecture* Wayne Attoe, Donn Logan, 1989-01-01 Attoe and Logan propose a specifically American theory of urban design Arguing that theories of urban design especially theories about the remaking of cities have been largely European in origin and thus of questionable value in American contexts the authors see the characteristic features of

American cities the grid loft buildings distinctive styling and so forth as opportunities for a specifically American urbanism

**Home Front**, 1999 *Times Square Remade* Lynne B. Sagalyn, 2023-10-10 The illuminating evolution of the iconic space of Times Square What is it about Times Square that has inspired such attention for well over a century And how is it that despite its many changes of character the place has maintained a unique hold on our collective imagination In this book which comes twenty years after her widely acclaimed *Times Square Roulette* Lynne Sagalyn masterfully tells the story of profound urban change over decades in the symbolic space that is New York City's Times Square Drawing on the history sociology and political economy of the place *Times Square Remade* examines how the public private transformation of 42nd Street at Times Square impacted the entertainment district and adjacent neighborhoods particularly Hell's Kitchen Sagalyn chronicles the earliest halcyon days of 42nd Street and Times Square as the nexus of speculation and competitive theater building as well as its darkest days as vice central and on to the years of aggressive government intervention to cleanse West 42nd Street of pornography and crime Thematically the author analyzes the three main forces that have shaped and reshaped Times Square theater real estate and pornography and explains the politics and economics of what got built and what has been restored or preserved Accompanied by nearly 160 images more than half in color *Times Square Remade* is a deftly woven narrative of urban transformation that will appeal as much to the general reader and New York City enthusiast as to urbanists city planners architects urban designers and policymakers

**New York City's Hart Island** Michael T. Keene, 2019-10-14 The story of the nation's largest mass graveyard and the nearly one million people buried there based on new documents and advances in DNA technology Once a Civil War prison and training site and later a psychiatric hospital among other incarnations Hart Island just off the coast of the Bronx in the Long Island Sound eventually became the repository for New York City's unclaimed dead The island's mass graves are a microcosm of New York history from the 1822

burial crisis to casualties of the Triangle Shirtwaist fire and victims of multiple epidemics Among the indigent and forgotten important artists who died in poverty have also been discovered to be interred there including Disney star Bobby Driscoll and playwright Leo Birinski In this wide ranging exploration touching on many aspects of the city s past Michael T Keene reveals the history of New York s potter s field and the stories of some of its lost souls Includes photographs Culture, Class, And Development In Pakistan Anita M. Weiss, 2019-04-11 This book is concerned with social change in Pakistan particularly the relationship between indigenous sociocultural orientations the development process and the rise of a new middle level entrepreneurial class in the Punjab
