Mainstream Tomas Jimenez's study adds a much needed but long absent element to our understanding of how immigration contributes to the construction and reproduction of Mexican American ethnicity even as it continuously evolves. His work provides useful and needed detail that are absent even from the most reliable surveys. Rodolfo de la Garza, Columbia University. In a masterful piece of social science, Tomas Jimenez debunks allegations about slow social and cultural assimilation of Mexican Americans through a richly textured ethnographic account of Mexican Americans' lived experiences in two communities with distinct immigration experiences. Population replenishment via immigration, he claims, maintains distinctiveness of established Mexican origin generations via infusion of cultural elixir in varying doses over time and place. Ironically, it is the vast heterogeneity of Mexican Americans' generational depth, socioeconomic, national origin, and legal status that both contributes to the population's ethnic uniqueness and yet defies singular theoretical frameworks. Jimenez's page-turner uses the Mexican American ethnic prism to re-interpret the U.S. ethnic tapestry and revise the canonical view of assimilation. Replenished Ethnicity sets a high bar for second-generation scholarship about Mexican Americans. Marta Tienda, The Office of Population Research at Princeton University.

Love Under Two Warriors (The Lusty, Texas Collection 42) Cara Covington, Siren Menage Everlasting Erotic Romance Contemporary Menage Small Town Cowboys MFM HEA Jennifer Kendall arrived in Lusty to be closer to her brother Ian and her Grandpa Noah. She doesn't believe anyone knows her secret. She felt a draw, an urge she could neither explain nor resist. She believed herself destined to love two men. Peter Phillips, retired from the Navy, decided to come to Lusty to be close to his sister Brittany. He did not come here to find a best friend and a woman they could share. Yet, within his first few days, he meets and clicks with Charlie Archer. And then he meets his sister's new cousin-in-law, Jennifer. Charlie knew Lusty was his home. And that truth became even more solid when he met first Peter and then Jennifer. None of them were prepared for a vision from the distant past. Or the unshakable sense of impending doom Peter feels. And none of them know what, if anything, they can do to ward off what could very well be a catastrophic event. Cara Covington is a Siren exclusive author. *McCall's*, 1991-04. **Object/S** N. E.
