Materials

- Writing a news report worksheet

Introduction

During this lesson students will go through the process of developing ideas and collecting and organising information. They will then use the information to create the first draft of an imaginary news article. They will then focus on some key areas of good writing and try to redraft their articles with these in mind.

A variety of follow up tasks are offered after the main plan

Procedure

1. Pre-writing tasks (10- 15

Reporting And Writing The News:

News Reporting and Writing Missouri Group, Brian S. Brooks, George Kennedy, Daryl R. Moen, Don Ranly, 2010-11-10 It is a tumultuous time in journalism as media forms evolve and new models emerge. There are few clear answers but no one is more prepared than The Missouri Group to tackle these issues head on and to teach students the core enduring journalism skills they need to succeed whether they write for the local paper, a professional blog, cable news or even work in public relations.

News Reporting and Writing Brian S. Brooks, 2002 *Broadcast News Writing, Reporting, and Producing* Ted White, 2005-02-25 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company *Dynamics of News Reporting and Writing* Vincent F. Filak, 2018-01-02 Journalists in today's media environment require a skill set that can be adapted to a variety of media. *Dynamics of News Reporting and Writing: Foundational Skills for a Digital Age* teaches students the foundational skills they need to successfully report and write the news in an evolving digital landscape. Author Vince F. Filak offers guidance on the essential skills of the industry while weaving in the how to's of writing digital news. Recognizing that well-crafted stories are founded on sharp prose, this new text covers the foundational elements of newswriting such as lead writing, structure and storytelling while also teaching students how to think critically and determine what matters most to their readers. Key Features: An audience-centric approach encourages students to understand why and how news is relevant to the lives of their readers before they even start digging into their stories. Write Now Exercises provide students with an opportunity to immediately practice the core set of skills they have just learned and apply these skills to various platforms. Consider This debates spark classroom discussions by encouraging students to take a closer look at a current issue or ideological dilemma and make a valid case for their position. Thoughts from a Pro offer students an up close look at a specific aspect of reporting and writing from a professional who is plying their trade each day.

News Reporting and Writing The Missouri Group, 2019-07-01 *News Reporting Writing* teaches the essential reporting and writing skills within the context of today's digital media landscape. The Missouri Group including new author Beverly Horvit have extensively revised this edition with diverse examples and a focus on the role of technology to give students a strong foundation in the craft and raise awareness of current issues like fake news and censorship. The team focuses on developing the skills journalists actually use and the many careers in which they and students could use them from working in news to advertising to public relations. Much of the text has been rewritten and reorganized to introduce a stronger flow of content paired with the most current coverage of today's news industry. Available with LaunchPad Solo for Journalism the perfect tool set for budding media writers. This online resource includes access to *News Reporting Writing's* digital workbook and *Exercise Central for AP Style* a resource containing thousands of activities focused on overcoming the most common grammar and style issues journalism students make.

The Process of Writing News Brian Richardson, 2007 Using examples and exercises *The Process of Writing News* takes an impact elements and words approach to demystify reporting

and writing for beginners This is a concise book that approaches writing as a process using a pedagogy that has proven effective In each chapter the book addresses the roles of journalists at several levels of abstraction beginning with their responsibilities to audiences in a democratic society and continuing with ethical decision making in fulfilling those responsibilities Each chapter ends with reporting and writing exercises which allow the reader to develop skills for informing audiences and telling compelling stories in print broadcast and online news media and to practice and be evaluated on those skills The reader is taken through a year in the life of a fictional community revisiting issues and stories in a series of more than two dozen linked exercises of increasing complexity from lede writing to handling a major breaking story on deadline There are even opportunities to report and write from the reader's own community
