**Gough Whitlam** Jenny Hocking, 2014-11-10 Gough Whitlam Australia's twenty first prime minister swept to power in December 1972 ending twenty three years of conservative rule In barely three years Whitlam's dramatic reform agenda would transform Australia It was an ascendancy bitterly resented by some never accepted by others and ended with dismissal by the Governor General just three years later an outcome that polarised debate and left many believing the full story had not been told In this much anticipated second volume of her biography of Gough Whitlam Jenny Hocking has used previously unearthed archival material and extensive interviews with Gough Whitlam his family colleagues and foes to bring the key players in these dramatic events to life The identity of the mysterious third man who counselled the Governor General Sir John Kerr in his decision to sack the twice elected Whitlam government and appoint Malcolm Fraser as prime minister is confirmed here by Kerr himself as the High Court justice Sir Anthony Mason and the full story of his involvement is now revealed for the first time From Kerr's private papers Hocking details months of secret meetings and conversations between Kerr and Mason in the lead up to the dismissal that had remained hidden for over thirty seven years In response to these revelations Sir Anthony Mason released an extensive public statement acknowledging his role and disclosing additional information that is fully explored in this new edition This definitive biography takes us behind the political intrigue to reveal a devastated Whitlam and his personal struggle in the aftermath of the dismissal the unfulfilled years that followed and his eventual political renewal as Australia's

ambassador to UNESCO It also tells through the highs and the lows of his decades of public life how Whitlam depended absolutely on the steadfast support of the love of his life his wife Margaret For this is also the story of a remarkable marriage and an enduring partnership The truth of this tumultuous period in Australia s history is finally revealed in Gough Whitlam His Time Report of the Committee on the Judiciary, House of Representatives, Ninety-seventh Congress, First Session Identifying Court Proceedings and Actions of Vital Interest to the Congress ,1980 **Technical Corrections Act of 1977** United States.
