República Española Y La Guerra Civil La:

La República española y la guerra civil Gabriel Jackson, 2011-11-04 Entre los muchos libros dedicados a la historia de la segunda República española y la guerra civil el de Gabriel Jackson destaca por dos razones por ser el resultado de diez años de investigación y por ofrecernos una visión equilibrada de los acontecimientos rehuyendo los prejuicios de la extrema derecha y la extrema izquierda lo que no evita que estuviese prohibido en España hasta la muerte del general Franco Ambas cualidades hacen que siga siendo en la actualidad la mejor visión de conjunto de aquellos años cruciales en la historia de la España contemporánea La burguesía catalana ante la II República española: "Il trovatore" frente a Wotan Bernat Muniesa, 1985 La República Española y la Guerra Civil, 1931-1939 Gabriel Jackson, 1976 *La República Española en guerra (1936-1939)* Helen Graham, 2019-05-23 Una visión novedosa exhaustiva y crítica de los orígenes de la Guerra Civil española y su desarrollo La Guerra Civil es sin duda el hecho histórico más importante acaecido en España en el siglo XX y un conflicto cuyas consecuencias de una forma u otra llegan hasta la actualidad Sin embargo pocas personas han tratado la evolución política y social de la República durante la guerra y ninguna con la claridad y el rigor documental de la obra de Helen Graham El libro analiza la aportación clave de la sociedad civil y sus organizaciones políticas al frente bélico y demuestra que el factor determinante en la evolución de la República entre 1936 y 1939 fue la guerra misma en todas sus facetas Este trabajo de ardua investigación y síntesis histórica está destinado a convertirse en un libro de referencia imprescindible tanto por la cantidad de información que maneja como por la calidad y profundidad del análisis La profesora Graham ha escrito un libro brillante y arriesgado que rompe con las maniqueas e interesadas interpretaciones revisionistas de nuestra historia Reseña Este libro es con mucho el mejor que he leído en cualquier lengua sobre la Segunda República española durante la Guerra Civil La narración detallada y muy analítica de la evolución de la República supera todo lo que se ha escrito antes Es una obra fundamental escrita por una historiadora madura en la cumbre de sus capacidades Paul Preston

Gobierno y Administración Militar en la II República española Justo Alberto Huerta Barajas, 2016-05-01 Esta obra de Justo Alberto Huerta Barajas que recibí en 2011 el Premio Nacional de Investigación Histórica de Defensa en su duodécima edición es absolutamente novedosa en la bibliografía existente sobre el ejército español en el siglo XX Muchas son las obras que analizan la actitud del ejército en su conjunto el 18 de julio de 1936 pero lo que distingue a la que el lector tiene en sus manos es el estudio del tratamiento legislativo y constitucional que el ejército recibió durante los cinco años de la experiencia republicana El autor delimita las competencias de los Ministerios de la Guerra Gobernación y Hacienda expone la evolución de la estructura central y periférica del Ejército de Guerra la posición del presidente de la República y de su Cuarto Militar la configuración del nuevo cuerpo de guardias de asalto el tratamiento normativo de la guardia civil y la evolución de los presupuestos de defensa entre otros aspectos Especialmente relevante es el análisis de la estructura del ejército de fricción de la aviación y de la industria militar en su conjunto como temas con especial incidencia en el desenvolvimiento de la guerra civil en el campo

republicano Finalmente la obra se cierra con un impresionante apéndice legislativo que permite la consulta directa de las abundantes fuentes empleadas por el autor **La Guerra Civil española, una visión bibliográfica** VV. AA., 2017-03-14 La bibliografía sobre la Guerra Civil no ha cesado de aumentar ni dentro ni fuera de España Esta tendencia se observa desde hace varios años y nada hace pensar que vaya a disminuir en los próximos En 2016 el número de publicaciones se habrá incrementado pues no en vano se cumple el octogésimo aniversario del comienzo del conflicto Los años entre 2016 y 2019 se perfilan como un período en el que los interesados en lo que parece ser un tema inagotable centrarán una parte sustancial de sus investigaciones Y esto con independencia de que el mercado no siempre se muestre tan acogedor como antes de la larga crisis económica que sufre entre otros países España Este libro no trata de hacer un inventario más o menos completo de todo lo editado sobre la Guerra Civil eso hubiera sido una tarea quimérica Es imposible que transcurra una semana sin que se publique algún libro y no es infrecuente que aparezcan varios Se trata de ofrecer a los lectores una orientación valorativa Los autores han tenido total libertad para seleccionar aquellos títulos que han querido comentar y para descartar los que no les han parecido tan interesantes o que por cualesquiera otras razones no han deseado incluir Hay títulos que siendo susceptibles de enfoques varios aparecen no en uno sino en varios artículos No lo hemos impedido y alentado porque implícitamente con ello ofrecemos al lector dos o más formas de enfocar un mismo libro **Un Siglo de España (1923-2023)** Ángeles Egido León, Francisco M. Balado Insunza, 2025-01-08 Este manual expone con agilidad precisión y objetividad el último siglo de la historia de España de 1923-2023 Arranca con la quiebra del sistema liberal decimonónico con el golpe de Primo de Rivera y se extiende hasta la etapa de gobierno de Pedro Sánchez Su propósito fundamental es proporcionar los conocimientos fundamentales para comprender la evolución política de España durante este periodo sin menoscabo del contexto social económico e internacional en que se produjo El marco internacional resulta especialmente relevante por las características de esta etapa crucial La dictadura de Primo de Rivera se desarrolló en el marco de la Europa desarticulada por la cruenta Primera Guerra Mundial La II República se proclamó como un proyecto de vocación democrática en un momento de afianzamiento de los regímenes totalitarios con aspiraciones expansionistas que desembocó en la segunda gran guerra La Guerra Civil que fue sin duda una cuestión entre españoles no se comprende sin sus implicaciones internacionales que la convirtieron en un aterrador prolegómeno de la Segunda Guerra Mundial La España de Franco en buena medida residual en la Europa en que habían triunfado las democracias pudo paradójicamente prosperar acomodándose con su anticomunismo como bandera en el contexto bipolar de la Guerra Fría La Transición y el triunfo del socialismo de Felipe González no se comprenden en fin sin la inevitable integración definitiva en Europa cerrando un ciclo que se había iniciado en España muchos años antes Por último no hay duda sobre la interrelación entre nuestras actuales dificultades económicas y las europeas Presentar de manera objetiva esta larga trayectoria insertando definitivamente la historia de España en la historia de Europa y del mundo a la que sin duda pertenece es el propósito fundamental de este libro **Ponencias presentadas al Coloquio**

Internacional sobre la IIa República Española Pierre Broué,1983 **Fotoperiodismo y República** Juan Miguel Sánchez Vigil,María Olivera Zaldua,2014-02-13 En la d cada de los treinta del siglo XX el fotoperiodismo alcanz su esplendor La actividad en a os anteriores debido al desarrollo de la prensa ilustrada propici la toma de conciencia de un colectivo tradicionalmente desunido y acostumbrado a trabajar en solitario Aunque se ha escrito que la fotograf a de reportaje no consigui su elemento definidor hasta la guerra civil lo cierto es que a os antes sobre todo tras proclamarse la Segunda Rep blica la informaci n gr fica ya era imprescindible en la prensa peri dica La crítica de la crítica Alberto Reig Tapia,2017-07-11 *Diario de sesiones de las Córtes Constituyentes de la República Española* España Córtes Constituyentes,1870 La República Ramón Tamames,1988 Despu s de una larga presencia en el mercado bibliogr fico su primera edici n se public en 1973 la Historia de Espa a dirigida por Miguel Artola ha sido escrita de nuevo por sus autores de acuerdo con los avances historiogr ficos de los ltimos a os As pues se a na la novedad del texto y la continuidad en sus principios orientadores un trabajo en com n para desarrollar el relato hist rico sin repeticiones la prioridad concedida a las pocas m s recientes y la consideraci n de todos los aspectos de la realidad con objeto de ofrecer una im gen completa del pasado Este ltimo volumen se ocupa del eper odo comprendido entre la proclamaci n de la Rep blica en abril de 1931 y la aprobaci n de los Pactos de la Moncloa en octubre de 1977 En la primera parte se analiza la evoluci n de la Rep blica los partidos y las organizaciones de clase la estructura econ mico social el r gimen y la din mica hist rica etc La segunda secci n estudia la guerra civil destacando su componente internacional las operaciones militares y las secuelas socio econ micas La tercera parte que aborda la era de Franco dedica un cap tulo final a la transici n desde la dictadura a la democracia

Diario de sesiones de las Córtes constituyentes de la República española Spain. Cortes Constituyentes (1873-1874),1874 *Mass Killings and Violence in Spain, 1936-1952* Peter Anderson,Miguel Ángel del Arco Blanco,2014-09-19 Historians have only recently established the scale of the violence carried out by the supporters of General Franco during and after the Spanish Civil War of 1936 1939 An estimated 88 000 unidentified victims of Francoist violence remain to be exhumed from mass graves and given a dignified burial and for decades the history of these victims has also been buried This volume brings together a range of Spanish and British specialists who offer an original and challenging overview of this violence Contributors not only examine the mass killings and incarcerations but also carefully consider how the repression carried out in the government zone during the Civil War long misrepresented in Francoist accounts seeped into everyday life A final section explores ways of facing Spain s recent violent past **Socialism and War** Helen Graham,1991-06-28 This book recovers the lost history of Spanish socialism during the turbulent years of the Civil War 1936 39 Just as the energy of the socialist movement had sustained the pre war Second Republic as an experiment in reform so too it underwrote the Republican war effort in the crucial years of the conflict which would determine Spain s long term future Leading Socialist Party PSOE cadres formed the bedrock of the government while thousands of Party and union militants

helped bear the tremendous weight of the war effort The role of the PSOE in the construction of Republican political unity during the Civil War was pivotal Yet paradoxically previous accounts of wartime Republican politics have virtually written the PSOE out of the script by concentrating exclusively on the fierce ideological dispute between anarchists and communists But the key issues of revolution and State power marked all the forces in Republican Spain none more so than the Socialist movement As the traditional party of the working class and the only mass party in Spain as late as 1931 PSOE militants were to be found on both sides of the revolutionary reformist divide which split fatally the Republican forces during the Civil War The PSOE's disintegration was a function of that of the Republic itself but the reverse was no less true The book investigates the responses of organised socialism to the complex issues raised by the conflict as it charts the PSOE's devastating experience of political power and desperate crisis in a war it could not win

La Segunda República española Norbert Bilbeny, 2021 El libro publicado por Edicions UB es una antología de setenta textos fundamentales de la Segunda República española que incluyen discursos leyes proclamas y textos institucionales Est dividido en nueve partes que tratan los grandes ámbitos de esa experiencia institucional el advenimiento de la República la política general republicana el debate autonómico el nuevo orden militar la cuestión religiosa las reformas educativas las reformas educativas la reforma agraria y económica la transformación social y finalmente el compromiso antifascista durante la Guerra Civil Cada parte cuenta con una pequeña introducción para ubicar al lector con una selección de textos con una bibliografía así como con unas referencias web para quien quiera consultar más documentación Por otra parte cada parte también cuenta con la imagen de uno de los carteles de propaganda republicana custodiados en el CRAI Biblioteca del Pabellón de la República de la Universidad de Barcelona que ha cedido su uso para la ocasión El libro quiere ser una herramienta útil dirigida a un público diverso centros de estudio académicos estudiantes y público en general interesados en la historia contemporánea Editor

The Spanish Republic at War 1936-1939 Helen Graham, 2002-12-19 This book is a comprehensive 2002 analysis of the Spanish left during the civil war of 1936-9

Enciclopedia histórica y política de las mujeres Christine Fauré, 2010-03-15 Esta obra no trata ni de anunciar una nueva visión de la imagen de las mujeres ni de hacer la historia de su presencia sino de evaluar las acciones reales en las que participaron en momentos clave de la historia de Occidente Situar describir valorar la participación de las mujeres en el movimiento general de las transformaciones políticas implica pretender examinar el conjunto de su actuación sin caer en el elogio de los individualismos legitimadores de ausencias y desigualdades

Historia desconocida de la Edad Media J. Vilmont, 2021-02-03 La Edad Media abarca el espacio de tiempo comprendido desde comienzos del siglo V hasta finales del siglo XV A lo largo de estas centurias grandes desafíos pusieron a prueba azotaron y en ocasiones asolaron a las mujeres y hombres medievales No obstante siempre terminaron por sobreponerse a las terribles guerras pestes hambrunas crisis revueltas y demás jinetes apocalípticos que intermitentemente los persiguieron durante mil largos años de Edad Media Esa imagen oscura lúgubre y decadente que tradicionalmente evoca el Medievo en el imaginario popular está iluminada como si se

tratase de la tcnica art stica del claroscuro por los grandes logros que hemos heredado del hombre del Medievo como las ciudades las universidades las rutas y t cnicas comerciales los grandes descubrimientos geogr ficos las irrepetibles y alt simas catedrales g ticas el arte en todas sus facetas o la misma imprenta propulsora de una alfabetizaci n generalizada Todo esto y mucho m s acerca de algunos de los acontecimientos m s relevantes que tuvieron lugar durante la Edad Media y que nos demuestran que la Edad Media era mucho m s de lo que nos hab an contado hasta ahora **Lo que fue de la Rep blica. La experiencia republicana en la historiograf a (1940-2021)** Rebeca Rod r guez Hoz ,2024-12-30 Desde comienzos de siglo la II Rep blica espa ola se ha convertido en el centro de una pugna discursiva estrechamente vinculada con las pol micas sobre la legitimidad del sistema pol tico construido en la Transici n Este libro parte de un interrogante en torno a la revisi n acometida por un sector de la historiograf a que ha impugnado la naturaleza democr tica de la primera democracia espa ola rescatando narrativas que hab an quedado superadas al t rmino de la dictadura El prop sito de la obra es indagar la genealog a de nuestro presente a trav s del estudio de la evoluci n del conflicto de interpretaciones entre las corrientes historiogr ficas y pol tico ideol gicas que han contribuido a la producci n de sentido sobre la II Rep blica desde el final de la guerra civil hasta nuestros d as Se trata de contribuir al mejor conocimiento de c mo se ha ido escribiendo la historia de una experiencia hist rico pol tica que ha sido objeto de recurrentes querellas entre distintas fuerzas que luchan por marcar la direcci n del futuro a trav s de la imposici n de su propia interpretaci n del pasado
