Republican Party

**United States. Congress. Senate.
Committee on Privileges and Elections**

Republican Party:

The Origins of the Republican Party, 1852-1856 William E. Gienapp Professor of History Harvard University, 1987-06-04 The 1850s saw in America the breakdown of the Jacksonian party system in the North and the emergence of a new sectional party the Republicans that succeeded the Whigs in the nation's two party system This monumental work uses demographic voting and other statistical analysis as well as the more traditional methods and sources of political history to trace the realignment of American politics in the 1850s and the birth of the Republican party Gienapp powerfully demonstrates that the organization of the Republican party was a difficult complex and lengthy process and explains why even after an inauspicious beginning it ultimately became a potent political force The study also reveals the crucial role of ethnocultural factors in the collapse of the second party system and thoroughly analyzes the struggle between nativism and antislavery for political dominance in the North The volume concludes with the decisive triumph of the Republican party over the rival American party in the 1856 presidential election Far reaching in scope yet detailed in analysis this is the definitive work on the formation of the Republican party in antebellum America

What Happened to the Republican Party? John White, 2015-08-14 As the 2016 election campaign attests the Grand Old Party once moderate and even magnanimous has fallen into a prison of its own making when it comes to presidential politics After the debacle of the George W Bush presidency and the rout of the Romney candidacy Republicans said they must broaden their base become more inclusive and return to the warmth of Reagan idealism Instead what we have is a bitter backbiting and race and gender baiting campaign with a candidate more exclusive than any before him How did we get here and how do we get out This book tracks the modern history of the Republican Party and shows its decline even while shining a light on its high points and urging it back in a positive direction Every reader interested in the US presidential election the primary process and the clash of politics and culture will find something enlightening in John White's exposition Above all he puts the Age of Trump into perspective looking back as well as forward in his analysis Who is this book for Students of American government political parties campaigns elections Scholars in political science and political history General readers interested in the current presidential campaign and the health of American democracy Features 1 Current Anticipates the current state of the Republican Party at odds with itself as much as with the American public Includes 2014 midterm election data with an eye toward the 2016 presidential contest 2 A broad historical sweep Covers a broad historical period from the 1950s Eisenhower era to the present with a strong emphasis on the Reagan years which represent the GOP at its zenith 3 Efficient use of polling and demographic data Takes a broad swath of historical data including polling data and presents it in a condensed readable format At the same time the reader is not inundated by polling and demographic data 4 Bold Any reader will come away from this book understanding that the GOP predicament is likely to last for some time to come The problems Republicans face are both intellectual and political They are not likely to be solved by any one candidate or election and will

be compounded and confounded by the events of 2016

Livingstone's History of the Republican Party William

Livingstone,1900

The Republican Party Ronald Laone,Ronald Laone Db,Jay Laone,2012-03 When Ronald Laone s son was eleven he asked his father What does it mean to be a conservative From that simple question came a journey of political enlightenment for father and son one that culminated in The Republican Party a history of the Republican Party leaders and beliefs Beginning with a comprehensive overview of the origins of the Republican Party Laone examines the various political battles of the nineteenth century and how they shaped the party s establishment in 1854 and its core ideologies He then profiles each Republican president from Abraham Lincoln to George W Bush offering a short biography and major highlights of each one s presidency Laone also reveals the major political firsts of the Republican Party including the first African American US senator the first Hispanic US congressman and the first female US congresswoman recording their significant contributions to the conservative movement A comprehensive bibliography offers titles for further reading Thoroughly researched and educational The Republican Party offers information for those seeking to understand the origins of conservative thinking values and beliefs within the American political system

The Republican Party of Texas Wayne

Thorburn,2021-06-01 The former executive director of the Texas GOP offers a granular blow by blow account of his party from Reconstruction to the 21st century Publishers Weekly On July 4 1867 a group of men assembled in Houston to establish the Republican Party of Texas Combatting entrenched statewide support for the Democratic Party and their own internal divisions Republicans struggled to gain a foothold in the Lone Star State which had sided with the Confederacy and aligned with the Democratic platform In The Republican Party of Texas Wayne Thorburn chronicles more than 150 years of the defeats and victories of the party that became the dominant political force in Texas in the modern era Thorburn documents the organizational structure of the Texas GOP drawing attention to prominent names such as Harry Wurzbach and George W Bush alongside lesser known community leaders who bolstered local support The 1960s and 1970s proved a watershed era for Texas Republicans as they elected the first Republican governor and more state senators and congressional representatives than ever before From decisions about candidates and shifting allegiances and political stances to race based divisions and strategic cooperation with leaders in the Democratic Party Thorburn unearths the development of the GOP in Texas to understand the unique Texan conservatism that prevails today

The Republican Party John Davis Long,1888

Illustrated with engravings History essays and position papers by various leading Republican politicians of the day including future President William McKinley Senators William Chandler Joseph Hawley John Ingalls and representatives Benj Butterworth and Henry Cabot Lodge future senator and great friend of Theodore Roosevelt Issues discussed include public lands pensions fisheries Navy Merchant Marine Coast Defense foreign trade revenue protective tariff internal development civil service the fair vote and honest count

Back to Basics for the Republican Party Michael Zak,2003

Back to Basics for the Republican Party is a history of the GOP from the Republican point of view explaining how the party of Emancipation

and 40 acres and a mule developed through the Clinton presidency See www.republicanbasics.com for more information

The Republican Party Francis Curtis, 1904 **American Government** Cal Jillson, 2007-07-30 In this introductory American politics text Cal Jillson provides not only a sense of how politics works today but also how institutions systems political participation and policies have developed over time to produce today's political environment in the United States This historical context provides the necessary backdrop for students to understand why things work the way they do now Going one step further the book identifies critical reforms and how American democracy might work better In a streamlined presentation Jillson delivers a concise and engaging narrative to help students understand the complexities and importance of American politics Key features The 4th edition is thoroughly updated including full analysis of the 2006 mid term elections and shift in partisan control of Congress Chapter opening Focus Questions illustrative figures and charts Let's Compare and Pro key terms time lines and end of chapter suggested readings and web resources Companion website for students <http://americangovernment.routledge.com> features chapter summaries focus questions practice quizzes glossary flashcards participation activities and links Instructor's resources on the web and on CD ROM including Testbank Instructor's Manual figures and tables from the text and lecture outlines *The Formation of the Republican Party as a National Political Organization* Gordon Saul Philip Kleeberg, 1911 *The Republican Party* Dale Anderson, 2007 Traces the origins of the Republican Party discussing key figures conventions platforms and its organization *Russia Political Parties and Organizations Directory Volume 1 Strategic Information, Regulations, Contacts* IBP USA, *The Gallup Poll* Jr. George Gallup, 1999 This work is the only complete compilation of polls taken by the Gallup Organization the world's most reliable and widely quoted research firm An invaluable tool for ascertaining the pulse of American public opinion in a certain year as well as for documenting changing perceptions over time of crucial core issues such as women's rights health care It is necessary for all social science research More than just a collection of polls each title in this series offers in depth commentary and analysis placing current topics in a readable historical context Survey results are given in a easy to use form Breakdowns by sex age race level of education and other factors enable the reader to grasp major issues quickly Topics in 1998 Edition Monica Lewinsky and Bill Clinton President Clinton and the Impeachment Hearings The Starr Report Microsoft Corporation Viagra President Clinton and the Starr Investigation Y2K Computer Bug Confidence in President Clinton or Republicans in Congress Seinfeld President Clinton Congress Satisfaction Index U S Space Program Crime Most Admired Person Personal Satisfaction Levels Economic Conditions the Stock Market Congressional Elections Paula Jones Trust in the News Media Bilingual Education Federal Budget and Government Spending Presidential Extramartial Affairs The Super Bowl Northern Ireland The Iraq Situation Race Relations **Nelson Rockefeller's Dilemma** Marsha E. Barrett, 2024-08-15 Nelson Rockefeller's Dilemma reveals the fascinating and influential political career of the four time New York State governor and US vice president Marsha E Barrett's portrayal of this multi faceted political player focuses on the eclipse of

moderate Republicanism and the betrayal of deeply held principles for political power Although never able to win his party's presidential nomination Rockefeller's tenure as governor was notable for typically liberal policies infrastructure projects expanding the state's university system and investing in local services and the social safety net As the Civil Rights movement intensified in the early 1960s Rockefeller envisioned a Republican Party recommitted to its Lincolnian heritage as a defender of Black equality But the party's extreme right wing encouraged by its successful outreach to segregationists before and after the nomination of Barry Goldwater pushed the party to the right With his national political ambitions fading by the late 1960s Rockefeller began to tack right himself on social and racial issues refusing to endorse efforts to address police brutality accusing without proof Black welfare mothers of cheating the system or introducing harsh drug laws that disproportionately incarcerated people of color These betrayals of his own ideals did little to win him the support of the party faithful and his vice presidency ended in humiliation rather than the validation of moderate ideals An in-depth insightful and timely political history Nelson Rockefeller's Dilemma details how the standard bearer of moderate Republicanism lost the battle for the soul of the Party of Lincoln leading to mainlining of white grievance populism for the post civil rights era How Can We Explain Black Support For Donald Trump? Kofi Arhin, 2025-05-24 African Americans have long been the backbone of the Democratic Party Yet the rise of Donald Trump with his radical Republican stance did not diminish their support for him compared to previous Republican candidates This book analyzes an intriguing question Why are some African American voters not deterred by Trump's rhetoric Exploring a new theory the book argues that Black Trump voters have varying degrees of attachment to Black identity Those with weaker ties to Black identity are less likely to conform to the expected political behavior of their community Instead their primary identity often Christianity guides their voting decisions This shift in identity prioritization leads them to support the Republican Party regardless of the candidate This book provides a fresh perspective on race identity and political allegiance in contemporary America It will appeal to students scholars and researchers of political science in general and electoral studies in particular *Senator from Iowa United States. Congress. Senate. Committee on Privileges and Elections, 1926 Considers 69 S Res 21* **FEC Index of Independent Expenditures**, 1985 Trumpism, Bigotry, and the Threat to American Democracy Larry N. Gerston, 2023-12-11 In Trumpism Bigotry and the Threat to American Democracy Larry N Gerston examines the near lethal combination of American bigotry and the ability of Donald Trump to take advantage of this scourge to satisfy his own political objective The result is an individual who won election to the American presidency by adroitly pitting members of American society against one another while presenting himself as the only person in the position to save America from itself Having succeeded to the nation's most important political office Trump proceeded to use the position for his own benefit irrespective of laws norms and most importantly the Constitution So powerful was Trump that he and his minions came close to overturning the 2020 presidential election with the January 6 2021 insurrection against the nation's Capitol While Trump failed in his attempt to remain in office the threat

to the well being of the United States remains real *Congressional Record* United States. Congress,1973 *From Yellow Dog Democrats to Red State Republicans* David R. Colburn,2013-09-17 Likely to raise hackles among Democrats and Republicans alike this dynamic history of modern Florida argues that the Sunshine State has become the political and demographic future of the nation David Colburn reveals how Florida gradually abandoned the traditions of race and personality that linked it to the Democratic Party The book focuses particularly on the population growth and chaotic gubernatorial politics that altered the state from 1940 when it was a sleepy impoverished southern outpost to the present and the emergence of a dominant Republican Party

Republican Party Introduction

In the digital age, access to information has become easier than ever before. The ability to download Republican Party has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Republican Party has opened up a world of possibilities. Downloading Republican Party provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Republican Party has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Republican Party. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Republican Party. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Republican Party, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Republican Party has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility

it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Republican Party Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
