It is a dramatic, emotional and ultimately inspiring story of how one woman's determination and courage in the face of extremely daunting odds brought about the reunion of her family. **Kidnapped to South America!** Randy Anglen, 2010-04. Imagine a parent's worst nightmare losing a child. Not to disease or accident but to a kidnapping. Randy Anglen's only son was abducted to South America by his Chilean mother when he was 20 months old. Anglen fought to get his son for 4 years, fighting a Chilean court system that ignored international law and protected the mother. Anglen searched the streets of Santiago for his son, hatched plans to steal his son out of Chile, paid witnesses and private investigators and made numerous trips to Chile. He was as close as 10 feet from his son but physically unable to get to him. Chilean courts handed him setback after setback despite the best efforts of a team of attorneys and U.S. Department of State personnel. The story does not have a happy ending. Anglen writes this book so his son will know what happened, what his daddy did to try to get his son. This is a story of intense grief, fear, frustration and injustice. A story of a father's fight to save the bond between him and his son. A story of a father's love for his child. A story of a corrupt and inefficient South American bureaucratic system that destroyed the relationship between a father and his son. After reading this story, you will give your children an extra hug. *Have You Seen My Kids?* Paul Fedynich, Rusty Fischer, 2004-05-11. This is a true story of a roller coaster ride from HELL that spans over six years of my life. Having your children abducted by their mother is severe enough, but when the mother suffers from Bipolar Disorder and Psychosis, the twists and turns life throws at you can become very bizarre. I will take you on the ride with me as I recap the happenings of losing my family, children, home, business and almost my life through the court systems of the United States and Canada and the agony of two Bipolar wives. I will also show you my dealings with attorneys who were both incompetent and fleecy, my incarceration, my path of self-destruction that I rode for several years, my constant search to find my children and how I managed to survive and persevere despite the void of not having my children in my life and all of my parental rights taken from me, not to mention still not knowing where my children are. A portion of the proceeds from this book will be donated to Take Root, a collective of adults who were parentally abducted as children, working with clinical and research personnel to better understand the impact of parental abduction. **Stolen From My Arms** Katherine Sapienza, 2020-03-09. When Katie Sapienza's six-year-old son is kidnapped by his estranged non-custodial father and taken to a foreign country, Katie's world falls apart. Leaving her California home and her supportive and frightened parents, Katie, in a state of panic and near hysteria, hops on a plane and flies half way around the world. She presents a meaningless warrant for Massimo's arrest to the Italian court system but is immediately legally assaulted by them. She is shocked to learn that the Italian judge on the case has sided with the father and makes it clear that Katie is not welcome there nor will they return her son to her. In despair, anguish and heartbreak, Katie, who does not know of God's love and Christ's sacrifice, decides she must remain in Italy, figure a way to support herself and develop a plan to get Alex safely back to the U.S. In her desperation and grief, Katie turns to alcohol and sedatives to make it through each torturous day and

sleepless night Forbidden unsupervised access to her son kept under the watchful glare of suspicious Italian relatives and emotionally withering under the barrage of false accusations and misrepresentations Katie suffers both regular anxiety attacks and deep depression Plan after plan to legally retake her son fails Days turn into weeks and weeks into months When three years have passed Katie now realizes she will never get her son back at least not through the Italian legal system She decides she must take a different course of action a dangerous one a very dangerous one but this is her son and she must do this When she is introduced to an international team of covert operatives who specialize in rescuing kidnapped children she arranges a secret meeting and pleads with them to help The paramilitary team are committed Christians and their hearts go out to this mother who has been driven to the edge of madness through the ordeal If the money can be raised for the expensive and risky rescue attempt they agree to do it Their hope and prayer is that they can not only return to Katie her beloved son now nine years old but also lead her to the One who can rescue her as well from the anguish and desperation of her soul A true suspenseful edge of your seat heart rending story which illustrates God s mercy and redemption *Bring Jerry Home* Bob Pfeifer,2016-12-06 The true story of a father who would stop at nothing to rescue his kidnapped son In 2012 Bob Pfeifer faced every father s worst fear his child had been kidnapped Maria his ex wife had taken his nine year old son Jerry and Jerry s half brother Sasha 3 to Europe on summer vacation She never brought them home After Maria cut all communications and disappeared Bob hired private investigators who discovered that Maria was hauling them all across Europe moving frequently from one city to another There were sightings in Prague Munich Paris and Bratislava but they never stayed in one place long The detectives always seemed to be one step behind and Bob feared for the health and safety of his son In desperation he turned to social media Jerry had already been gone a year when Bob launched both a Bring Jerry Home Facebook page and a Bring Jerry Home website Leads started coming in immediately from sympathetic strangers who eventually galvanized into a force known as Jerry s Army Bob devoted himself full time to pursuing each lead in the process forging valuable links with law enforcement officials both in Los Angeles and overseas Even after Jerry had been located however the battle was far from over Bringing Jerry Home is the suspenseful and ultimately uplifting story about the unbreakable bond between a father and son and about one parent s steely perseverance in the face of seemingly insurmountable odds *Making It Home Real-Life Stories from Children Forced to Flee* Beverly Naidoo,2004-01
