good romance Diana Terry's life has been turned upside down by a bitter divorce. When her beautiful eccentric grandmother dies, she's devastated. Taking nothing but a battered suitcase and her canine buddy Charlie, she leaves her old life behind to comfort her family and find a new kind of normal. Ethan Preston is a former Navy SEAL and a counselor at the medical clinic in Sapphire Bay. For him, the best thing about living in the small Montana town is the way the community embraces people who come there seeking refuge, compassion, and support. Meeting Diana has changed Ethan's life. Her kindness and quiet strength makes what he has seen and done during his military career easier to bear. Before long, he begins to see a brighter future for both of them. When a family heirloom disappears from The Lakeside Inn, a series of events is set in motion that tests Diana and Ethan's growing relationship. Can Diana trust Ethan, or will her past experiences overshadow what is in her heart?

SUMMER AT LAKESIDE is the second book in a new series that will follow the Terry sisters as they return to a community with big hearts and warm smiles. Romance, adventure, and intrigue are waiting for you in Sapphire Bay. This novel can easily be read as a standalone. Each of Leeanna's series are linked, so you can find out what happens to your favourite characters in other books.

Happy reading! Praise for Leeanna Morgan's books: I am addicted to Leeanna Morgan's books. The only problem with them is that I hate coming to the end of one and can't wait for the next good read. I love how she weaves the characters together and draws you right into their lives. If you haven't discovered her, please do give her books a try. You won't be disappointed except for not having found her sooner. I thoroughly enjoyed this book. I couldn't put it down. I purchased it today and finished it just now. Captivating story from beginning to end. Definitely a five-star book.

Princess Diana Jon King, John Beveridge, 2008-06

The book that the British government tried to ban: British investigative journalists Jon King and

John Beveridge have maintained from the outset that they were informed of a plot to assassinate Princess Diana one week before her death Three years ago Royal Butler Paul Burrell s revelations confirmed their claim In an astonishing letter written ten months before her death Princess Diana confirmed that a plot to assassinate her in a road traffic accident was indeed planned and carried out by order of the British Royal Establishment The letter owned by Burrell and written by Diana in October 1996 reads This particular phase in my life is the most dangerous My husband is planning an accident in my car brake failure and serious head injury in order to make the path clear for him to marry Ten months later on 23 August 1997 one week before her death the authors were informed of this same plot to kill Diana The EVIDENCE they uncovered during their subsequent investigation is truly disturbing Letters to a Lady Joan Smith,2010-09-14 Diana Beecham s only use for her neighbor Lord Harrup was to get him to provide a job for her brother Ronald So she picked up the documents Harrup sought only to have them stolen Seems Harrup seeking a high government position was being blackmailed by his former mistress Undeterred by a little setback or a little housebreaking Diana pursued where her heart led Regency Romance by Joan Smith originally published by Fawcett Crest
