Basic Legal Research for Criminal Justice and the Social Sciences James R. Acker, Richard D. Irving, 1998 This essential primer on legal research is written specifically for criminal justice and social sciences students The book s basic how to approach makes it suitable not only as a guiding text for research courses but also as a key supplementary text for courses in which legal research is a secondary requirement Stripped of the cumbersome information found in similar texts for legal students this slim essentials book gives criminal justice and social sciences students the tools they need for successful research

Research Methods in Criminal Justice and Criminology Callie Marie Rennison, Timothy C.

Hart, 2022-01-31 Research Methods in Criminal Justice and Criminology connects key concepts to real field research and practices using contemporary examples and recurring case studies throughout the book that demonstrate how concepts relate to students' lives. Authors Callie M. Rennison and Timothy C. Hart introduce practical research strategies used in criminal justice to show students how a research question can become a policy that changes or influences criminal justice practices. The book's student-driven approach addresses both the why and the how as it covers the research process and focuses on the practical application of data collection and analysis. By demonstrating the variety of ways research can be used and reinforcing the need to discern quality research, the book prepares students to become critical consumers and ethical producers of research. The Second Edition includes two new case studies woven throughout and new expert profiles to highlight contemporary topics. Editable PowerPoint slides and a test bank are available to instructors.
