The Self-revelation of God Samuel Harris,1887 **God's Revelations of Himself to Men as Successively Made in the Patriarchal** Samuel James Andrews,1886 God's Revelations of Himself to Men as Successively Made in the Patriarchal, Jewish, and Christian Dispensations and in the Messianic Kingdom ... Samuel James Andrews,1898 **The Sel-revelations of God ...** Samuel Harris,1886 *Revelations and Story* Gerhard Sauter,John Barton,2018-02-06 This title was first published in 2000 From the work of Hegel and Schelling to the dialectical theology of Barth Bultmann and Gogarten Revelation has developed a long rich tradition of diverse thought as well as many misunderstandings Meaning first and foremost God s encounter with those to whom God wishes to communicate God s own self Revelation seeks to be recounted and communicated to others As a theological expression Revelation aims to direct our attention to the modes and areas in which we have a basis for expecting encounter with God through stories nature the world as creation From a rediscovered emphasis on story narrative theology has emerged a concept the English speaking world has welcomed for its neutrality between history and imaginative fiction and stress on narrative rather than doctrinal dimension of biblical text This volume brings into relationship a concern with theology of revelation and an interest in the theology of story or narrative theology

Radical Revelation Balázs M. Mezei,2017-11-30 This volume offers a practical and innovative interpretation of divine revelation from a philosophical theological perspective Bal zs M Mezei outlines the most important presuppositions of our notion of divine revelation in a historic and semantic setting as well as elaborating upon the methodology of model analysis He then introduces and analyses the notion of self revelation as the most important modern understanding of divine revelation and presents the notion of apocalyptic personhood as a corollary of radical personhood which is further developed into apocalyptic phenomenology Mezei further examines the remarkable development of some of the most important notions in the history of Christianity along with the homogenous infrastructure of these notions in the very essence of the religion the doctrine of Trinity Covering aspects of revelation from semantics to historical and cognitive origins and engaging with a wide variety of texts including Augustine Thomas Aquinas and Joseph Ratzinger Mezei makes a strong and clear statement when explaining what the radical revelation is how it can be understood and its overall importance *Revelations* Brian Rappert,2024-12-16 From tabloid headlines to scientific discoveries to investigative documentaries the claim that truth is being revealed is commonplace today Such attention grabbing claims can conjure allure sell products launch careers cement authority and much more besides And yet despite the familiarity of revelation talk this notion has been subject to limited academic theorizing to date outside of matters divine Revelations sets out to examine how the making available through revealing is accomplished as well as the implications of revealing In other words it is concerned with how revelations are realized and what is realized through them Central to the argument will be treating attempts to make available as processes that can entail mix that is as processes that combine treating truth as publicly demonstrable but also as beyond simple

verification as alternately intelligible but also as unknowable In taking the pervasive appeal to revealing as its topic and through drawing inspiration from a range of disciplines this book should appeal to a variety of audiences including those interested in secrecy conspiracy expertise celebrity science and technology Health Revelations from Heaven Tommy Rosa, Stephen Sinatra, 2017-09-19 In 1999 Bronx born plumber Tommy Rosa died after being the victim of a hit and run incident Lying by the road he felt a tug whisking him off into a tunnel of light He found himself in an indescribably beautiful place filled with a total sense of peace and joy Tommy met his Divine Teacher and received a series of profound lessons Eight Revelations about the nature of health healing and well being He was shown that God created the Earth to nourish and heal mankind and that our sense of separation from each other and the divine is of our own making Around the same time integrative cardiologist Dr Stephen Sinatra was revolutionizing his medical practice with a holistic approach to treatment When a chance meeting brought the two men together they gradually came to realize that the revelations of healing from Tommy's Teacher aligned with the groundbreaking results Dr Sinatra was seeing in his own scientific research Health Revelations from Heaven combines Dr Sinatra's practices with Tommy's Revelations to lead you toward revitalized health a newfound sense of purpose and spiritual balance Fully corroborated by Dr Sinatra's four decades of medical expertise these stories and practices can bring the gifts of Heaven and Earth into everyday life Pannenberg: A Guide for the Perplexed Timothy Bradshaw, 2009-08-30 Wolfhart Pannenberg is one of the most challenging contemporary theologians for students to study This Guide for the Perplexed explains his school of thought and overall ideas in a comprehensive and accessible form

Revelation as Self-communication of God Peter Paul Saldanha, 2005 **The Implicit Theology of the Lord's Prayer** Jan Muis, 2021-01-15 The postmodern and secular culture of the West requires a new reflection on God The Implicit Theology of the Lord's Prayer A Biblical and Theological Investigation reflects on God on the basis of an original and central expression of the Christian faith the Lord's Prayer First Jan Muis interprets the divine names central to this prayer in their biblical contexts Next Muis understands the divine attributes implied by these names from the biblical narrative of God's self-revealing actions and explains them in a contemporary framework God's Name indicates his particular personal presence and encounter with human beings The holiness of God's Name and the justice of his Kingship are more than just aspects of the love of the Father the Son and the Spirit The Creator is not a human blown large in his companionship with humans he remains the Exalted who lives both within and beyond created temporal reality In the context of a secular age Muis discusses in what sense this God exists American Theological Inquiry, Volume Six, Issue Two Gannon Murphy, 2013-07-26 American Theological Inquiry ATI reaches thousands of Christian scholars clergy and other interested parties primarily in the U S and U K The journal was formed in 2007 by Gannon Murphy PhD Theology Univ Wales Lampeter Presbyterian Reformed and Stephen Patrick PhD Philosophy Univ Illinois Eastern Orthodox to open up space for Christian scholars who affirm the Ecumenical Creeds to contribute research throughout the broader Christian scholarly community in America and the West

The purpose of ATI is to provide an inter tradition forum for scholars who affirm the historic Ecumenical Creeds of Christendom to constructively communicate contemporary theologies developments ideas commentaries and insights pertaining to theology culture and history toward reforming and elevating Western Christianity ATI seeks a critical function as much or more so as a quasi ecumenical one The purpose is not to erase or weaken the distinctives of the various ecclesial traditions but to widen the dialogue and increase inter tradition understanding while mutually affirming Christ s power to transform culture and the importance of strengthening Western Christianity with special reference to Her historic creedal roots Theologians would be theologians and the theologically attentive will want to check out American Theological Inquiry Richard John Neuhaus 1936 2009 First Things Deep Pantheism Robert S.
