*The Rosenbluth Case: Federal Justice on Trial* Rosemary Reeves Davies, 1971 *ABA Journal*, 1971-02 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association [The Jewish Tribune and Hebrew Standard](#), 1924 [A History of the Jews in America](#) Howard M. Sachar, 1993-11-02 Spanning 350 years of Jewish experience in this country A History of the Jews in America is an essential chronicle by the author of *The Course of Modern Jewish History* With impressive scholarship and a riveting sense of detail Howard M Sachar tells the stories of Spanish marranos and Russian refugees of aristocrats and threadbare social revolutionaries of philanthropists and Hollywood moguls At the same time he elucidates the grand themes of the Jewish encounter with America from the bigotry of a Christian majority to the tensions among Jews of different origins and beliefs and from the struggle for acceptance to the ambivalence of assimilation **American Sherlock** Evan E. Filby, 2019-07-31 Luke S May played a significant role in the development of scientific methods of crime investigation Although basically self taught in scientific matters May spent over a half century practicing scientific crime detection and built a solid reputation among police agencies and attorneys in the Pacific Northwest and Western Canada as a serious and effective scientific investigator This reputation as America's Sherlock Holmes also led to his being consulted on the establishment of the first full service public American crime laboratory at Northwestern University in Chicago Illinois and on a laboratory for the Royal Canadian Mounted Police at Regina Saskatchewan Canada When May began few people anywhere used scientific tools to investigate crime Except for a couple of minimal installations in Europe there were no crime labs So to solve his cases criminal and civil May improved or invented techniques in every area of forensic science in the era before public crime laboratories Along the way he exchanged ideas with many other well known crime fighting pioneers American Sherlock Remembering a Pioneer in Scientific Crime Investigation is the biography of this innovative criminologist giving a case based account of his life and honoring him as one of the pioneers of scientific crime detection **Antisemitism in America** Leonard Dinnerstein, 1995-11-02 Is antisemitism on the rise in America Did the Hymietown comment by Jesse Jackson and the Crown Heights riot signal a resurgence of antisemitism among blacks The surprising answer to both questions according to Leonard Dinnerstein is no Jews have never been more at home in America But what we are seeing today he writes are the well publicized results of a long tradition of prejudice suspicion and hatred against Jews the direct product of the Christian teachings underlying so much of America's national heritage In *Antisemitism in America* Leonard Dinnerstein provides a landmark work the first comprehensive history of prejudice against Jews in the United States from colonial times to the present His richly documented book traces American antisemitism from its roots in the dawn of the Christian era and arrival of the first European settlers to its peak during World War II and its present day permutations with separate chapters on antisemitism in the South and among African Americans showing that prejudice among both whites and blacks flowed from

the same stream of Southern evangelical Christianity He shows for example that non Christians were excluded from voting in Rhode Island until 1842 North Carolina until 1868 and in New Hampshire until 1877 and demonstrates how the Civil War brought a new wave of antisemitism as both sides assumed that Jews supported with the enemy We see how the decades that followed marked the emergence of a full fledged antisemitic society as Christian Americans excluded Jews from their social circles and how antisemitic fervor climbed higher after the turn of the century accelerated by eugenicists fear of Bolshevism the publications of Henry Ford and the Depression Dinnerstein goes on to explain that just before our entry into World War II antisemitism reached a climax as Father Coughlin attacked Jews over the airwaves with the support of much of the Catholic clergy and Charles Lindbergh delivered an openly antisemitic speech to an isolationist meeting After the war Dinnerstein tells us with fresh economic opportunities and increased activities by civil rights advocates antisemitism went into sharp decline though it frequently appeared in shockingly high places including statements by Nixon and his Chairman of the Joint Chiefs of Staff It must also be emphasized Dinnerstein writes that in no Christian country has antisemitism been weaker than it has been in the United States with its traditions of tolerance diversity and a secular national government This book however reveals in disturbing detail the resilience and vehemence of this ugly prejudice Penetrating authoritative and frequently alarming this is the definitive account of a plague that refuses to go away

**Louis Marshall and the Rise of Jewish Ethnicity in America** Matthew Silver, 2013-02-21 A milestone in modern Jewish history and American ethnic history the sweeping influence of Louis Marshall's career through the 1920s is unprecedented A tireless advocate for and leader of an array of notable American Jewish organizations and institutions Marshall also spearheaded civil rights campaigns for other ethnic groups blazing the trail for the NAACP Native American groups and environmental protection causes in the early twentieth century No comprehensive biography has been published that does justice to Marshall's richly diverse life as an impassioned defender of Jewish communal interests and as a prominent attorney who reportedly argued more cases before the Supreme Court than any other attorney of his era Silver eloquently fills that gap tracing Marshall's career in detail to reveal how Jewish subgroups of Eastern European immigrants and established Central European elites interacted in New York City and elsewhere to fuse distinctive communal perspectives on specific Jewish issues and broad American affairs Through the chronicle of Marshall's life Silver sheds light on immigration policies Jewish organizational and social history environmental activism and minority politics during World War I and he bears witness to the rise of American Jewish ethnicity in pre Holocaust America
