Midnight's Anguish Yasmin,2023-11-28 In the darkest hours where the night s veil descends and the mind s labyrinthine thoughts take hold this poetry collection emerges as a beacon of solace With each verse we embark on a journey through the complex terrain of early adulthood where confusion and chaos reign Through the delicate art of language the poet navigates the tumultuous waves of distress using words as lifeboats to reach the shores of understanding These verses are the profound culmination of emotions and thoughts woven together in the quiet stillness of midnight With every line the poet reveals that each life phase is a unique odyssey a new iteration of Hiraeth a longing for the intangible This collection encourages us not to discard our emotions but to cradle them tenderly recognizing that vulnerability is the essence of our human experience

Roses of Crimson , George Moore Mary Pierse,2009-01-23 The Irish writer George Moore 1852 1933 was a very significant and often controversial figure on the literary stages of Paris London and Dublin at a key cultural moment Between 1880 and 1931 his creative involvements included spells with literary theatres in London and Dublin jousts with the daring and repression of the fin de si cle and a hail and farewell to Yeats and the Irish Revival This collection of essays offers fresh insights into diverse elements of his uvre and reflects some of the wide variety in Moore s literary innovations influences and legacy Contributors note his pioneering contributions to the short story his penetrating insights into Greek classical literature his avant garde feminism and egalitarianism and what may surprise 21st century readers of biblical theme blockbusters his sensitive but contentious novelistic treatment of the historical Jesus In this volume there are studies of sophisticated composition and fresh approaches to textual analysis The multiple Moore talents are scrutinised myths are dispelled and new evidence is uncovered for historic linkages George Moore s anticipation of Freudian psychological insights and his engagement with Darwinian theses are but two of his close involvements with key nineteenth century figures Manet Degas Parnell Kant Maupassant Gladstone Zola Marx and Woolf must feature on the list of names that are inseparable from Moore s life and work Yeats and Joyce also loom large and their under acknowledged indebtedness to Moore poses difficult questions for literary history While Moore s own debt to French artistic influences English models and Irish heritage has long been recognised perceptions of Moore s writing from outside the Anglophone world highlight issues that demand further consideration This multi faceted author is well served by these new studies that in turn suggest additional avenues yet to be explored

journey of poignancy and hope difficult to put down I loved it Jennie Goutet author of the Clavering Chronicles series Sarah Drayton is eager to spend a holiday at her best friend's crumbling Northumberland castle estate Alas rather than easy companionship with her dear friend she finds herself being inveigled into a marriage of convenience with her friend's rakish brother When James Langley returns to his family's estate war is raging and he wants only distraction not serious tethers But his roguish ways have backed him into a corner and he has little choice but to obey his father's shocking decree marry before returning to war or else Suddenly he finds himself wedded to a clever and capable woman he barely knows Sarah craves love and a place to belong neither of which James offered before returning to the battlefield Now everyone around her thinks she married above her station and they have no intention of rewarding her for such impertinence Only when her husband returns from war does she begin to hope they may find real happiness When tragedy strikes this pair must learn to trust God and cling to the belief that even in the darkest depths of night the morning still holds hope Random Thinking O. E.

Cramer,2011-08-02 The book Random Thinking is my first attempt at writing a full length manuscript and having it published as a writer It is a collection of short poems observations make believe and not so make believe things that pop into my head then suddenly appear on the written page This book as well as my children's book titled Non sencicles is on my bucket list which simply put are things I want to achieve in my life Both are scheduled for release toward the middle of November this year **Goatscaping Gone Wild** Hawke Alderwood,2024-09-26 In Goatscaping Gone Wild retired accountant Eloise

Peabody trades spreadsheets for shrubbery as she embarks on a hilarious journey into the world of goat based landscaping Set in the charming town of Meadowbrook this uproarious tale follows Eloise's transformation from a buttoned up number cruncher to the infamous Goat Lady as she grapples with her midlife crisis in the most unconventional way possible As Eloise's caprine crew munches their way through manicured lawns and prized rose gardens chaos ensues entangling her in a web of small town politics and eccentric personalities Each chapter unfolds a new landscaping disaster from runaway goats crashing garden parties to four legged vandals redecorating the town square The story crescendos to a side splitting climax during the annual garden competition where Eloise's hooved helpers stage a town wide invasion Amidst the mayhem readers will delight in the dry wit situational humor and the unique goat's eye view interludes that offer a comical commentary on human behavior **The Rose-jar** Thomas Samuel Jones (Jr.),1917 **The Rose-jar** Thomas Samuel Jones,1909 *The Racing*
