The Ecology of the Alpine Zone of Mount Kenya M.J. Coe, 2012-12-06 For centuries the peak of Mount Kenya has held a magical and religious significance for the Bantu and Nilohamitic peoples around its base The Kikuyu live around the Eastern and Southern bound aries and the closely related Uembu and Umeru on the S E and N E respectively Early in this century the Masai lived to the N W and North but after continual warfare between them and their neighbours the European administrators of that time moved them to a special reserve to the South which accounts at the present day for the retention in the Masai language of many words that refer to Mount Kenya Kikuyu folk lore tells how when the earth was formed a man named Mogai made a great mountain Kere Nyaga The fine white powder snow covering the peak which they called ira was said to be the bed of Ngai God and during male and female circumcision ceremonies a white powder was placed on the wound and the ini tiates were told that this material had been brought from the summit of the mountain In fact all important tribal ceremonies were and in many cases still are conducted facing the mountain Such occasions include marriage and sacrifice when in time of hardship Ngai s aid is called upon CAGNOLO 1933 KENYATTA 1938 CRIRA 1959 **Common**

Plants • Dicotyledons Joachim W. Kadereit, 2012-12-06 In this volume 24 flowering plant families comprising a total of 911 genera are treated They represent the asterid order Lamiales except for Acanthaceae including Avicenniaceae which will be included in a later volume Although most of the constituent families of the order have been recognized as being closely

related long ago the inclusion of the families Byblidaceae Carlemanniaceae and Plocospermataceae is the result mainly of recent molecular systematic research Keys for the identification of all genera are provided and likely phylogenetic relationships are discussed extensively To facilitate the recognition of relationships families are cross referenced where necessary The wealth of information contained in this volume makes it an indispensable source for anybody in the fields of pure and applied plant sciences Annual Report Iowa State Horticultural Society, Des Moines,1904 **Report** Iowa State Horticultural Society,1904 *Report of the Iowa State Horticultural Society ...* Iowa State Horticultural Society,1904 **Transactions of the Iowa State Horticultural Society for ...** Iowa State Horticultural Society,1904 *Transactions* Iowa State Horticultural Society,1904
