**The Rossettis and Their Circle** Frances Winwar, 1934      Recollections of Dante Gabriel Rossetti and His Circle (Cheyne Walk Life) Henry Treffry Dunn, 1904 Excerpt from Recollections of Dante Gabriel Rossetti and His Circle Cheyne Walk Life Viewed solely from the literary standpoint that these memories have a certain charm and quality in this regard will not I think he denied About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Rossetti and His Circle** Elizabeth Prettejohn, 1998 The rumours it aroused mixed fact and fiction to tell of love affairs between artists and models of nocturnal rambles and drunken poetry recitations of the house's collection of Oriental china medieval musical instruments and exotic animals But fact or fantasy the circle's unconventional image was inseparable from their artistic experiments      Rossetti's Reading and His Critical Opinions Albert Morton Turner, 1927      *The Cambridge History of English Literature* Sir Adolphus William Ward, Alfred Rayney Waller, 1917

The Achievement of Christina Rossetti David A. Kent, 2019-05-15 Bringing to bear a variety of perspectives on the poetry prose and letters of a writer whose work is just now beginning to emerge from critical neglect this collection edited by David A Kent should play an important role in the re evaluation of Christina Rossetti It consists of fifteen essays by gifted Victorian scholars who represent a wide range of methodologies and critical concerns and it offers alternatives to the autobiographical approach that has limited appreciation of Rossetti the writer      *The Cambridge History of English Literature: The nineteenth century. II* Sir Adolphus William Ward, Alfred Rayney Waller, 1922      **The Collected Works of Dante Gabriel Rossetti** Dante Gabriel Rossetti, 1890      **The Literary World**, 1883      Dante and the Victorians Alison Milbank, 1998 Milbank English U of Cambridge argues that an understanding of Victorianism's reception of Dante is essential for understanding its notions of history nationalism aesthetics and gender as well as the often strange intersections between any two or more of them She offers a new genealogy of literature in modern times substituting a continuous Dantism for the conventional tale of Victorian realism and historicism challenged by modernist symbolism She also finds Dante to be the first writer to historicize fictionalize and humanize the eternal realm and therefore the route through which history secularized fiction and positivist humanism can be traced to a lost transcendent Distributed in the US by St Martin's Press Annotation copyrighted by Book News Inc Portland OR      **Literature and the Politics of Post-Victorian Decadence** Kristin Mahoney, 2015-06-09 In *Literature and the Politics of Post Victorian Decadence* Kristin Mahoney argues that the early twentieth century was a period in which the specters of the fin de siècle exercised a remarkable draw on the modern cultural

imagination and troubled emergent avant gardistes These authors and artists refused to assimilate to the aesthetic and political ethos of the era representing themselves instead as time travelers from the previous century for whom twentieth century modernity was both baffling and disappointing However they did not turn entirely from the modern moment but rather relied on decadent strategies to participate in conversations concerning the most highly vexed issues of the period including war the rise of the Labour Party the question of women s sexual freedom and changing conceptions of sexual and gender identities The Rossettis Elisabeth Luther Cary,1900 Beauty and the Beast ,2020-10-12 1994 marked the centenary of the deaths of Walter Pater Christina Rossetti and Robert Louis Stevenson and Beauty and the Beast is largely devoted to an exploration of aspects of their lives and their writings and the role they played in the development of British literature Both individually and as a group these writers offer interesting opportunities to investigate a distinctive ambivalence in the literature of the last three decades of the nineteenth century Thus we may observe how Pater as the founder of Aestheticism in British literature addressed the Victorian dilemma how to live in Marius the Epicurean how Rossetti s poetry expresses both spiritual and erotic tendencies while Stevenson s The Strange Case of Dr Jekyll and Mr Hyde is perhaps the epitome of the fin de si cle tension between good and evil beauty and beast Yet the scope of this book also includes an examination of the relationships between these three authors and their contemporaries and of their setting on the British Isles as well as on the Continent Thus George Moore makes his appearance next to Anton Chekhov Arthur Schnitzler Oscar Wilde Alain Fournier and Louis Couperus The various discussions of these French German Russian Italian Irish and Dutch connections in this book reflect the international setting of the European fin de si cle as a background against which the theme of Beauty and the Beast is discussed Contributors are Wim Tigges C C Barfoot Jan Marsh Valeria Tinkler Villani Amanda Gilroy Peter van de Kamp Billie Andrew Inman Laurel Brake Peter Costello Ans Kabel Douglas S Mack Tim Youngs Neil Cornwell Sjef Houppermans Jacques B H Alblas John Stokes Susan de Sola Rodstein Rossetti Evelyn Waugh,1928 *Catalogue of the Library of the Peabody Institute of the City of Baltimore ...* George Peabody Library,1892

**Dante and English Poetry** Steve Ellis,1983 This book is a history of the influence of Dante on English poetry The focus is not primarily upon stylistic influences or attempts to imitate Dante s manner of writing but rather on the different guises in which the enormous presence of Dante has made itself felt and how that presence has affected some of the central concerns of the poets in question The poets considered are Shelley Byron Browning Rossetti Yeats Pound and Eliot In addition to analysing the way Dante is approached by these poets in their major poetry Dr Ellis also discusses relevant critical works Shelley s Defence of Poetry Pound s The Spirit of Romance and Yeats A Vision The critical survey is unified by the attempt to show certain recurrent preoccupations in the work of these writers such as the need to define a tradition in which Dante is a necessary forerunner Ellis also shows that Dante has been read in a very partial way by these poets and the images of him which emerge in their works are inevitably varied and contradictory **The Family Letters of Christina**

**Georgina Rossetti** Christina Georgina Rossetti, 1908 *The Family Letters of Christina Georgia Rossetti* Christina Georgina Rossetti, 1968 The Oxford Handbook of Victorian Poetry Matthew Bevis, 2013-10-31 I am inclined to think that we want new forms as well as thoughts confessed Elizabeth Barrett to Robert Browning in 1845 The Oxford Handbook of Victorian Poetry provides a closely read appreciation of the vibrancy and variety of Victorian poetic forms and attends to poems as both shaped and shaping forces The volume is divided into four main sections The first section on Form looks at a few central innovations and engagements Rhythm Beat Address Rhyme Diction Syntax and Story The second section Literary Landscapes examines the traditions and writers from classical times to the present day that influence and take their bearings from Victorian poets The third section provides Readings of twenty three poets by concentrating on particular poems or collections of poems offering focused nuanced engagements with the pleasures and challenges offered by particular styles of thinking and writing The final section The Place of Poetry conceives and explores place in a range of ways in order to situate Victorian poetry within broader contexts and discussions the places in which poems were encountered the poetic representation and embodiment of various sites and spaces the location of the Victorian alongside other territories and nationalities and debates about the place and displacement of poetry in Victorian society This Handbook is designed to be not only an essential resource for those interested in Victorian poetry and poetics but also a landmark publication provocative seminal volume that will offer a lasting contribution to future studies in the area Christina Rossetti Constance W. Hassett, 2005 Although the cultural and literary influence of Christina Rossetti has recently been widely acknowledged the belatedness of this critical attention has left wide gaps in our understanding of her poetic contribution Often focusing solely on her early work and neglecting her later volumes many critics minimized her relevance by measuring her stature through either her early poems or her relationships with well known Victorian literary figures In Christina Rossetti The Patience of Style Constance W Hassett argues against this diminishment by reopening Rossetti's canon challenging both critics and readers to trade their silent appreciation of her most familiar verse for a patient and active scrutiny of her body of work which contains some of the finest lyric poetry of the nineteenth century Keeping her primary focus on the poems themselves Hassett traces Rossetti's career through her five poetry collections Goblin Market and Other Poems 1862 The Prince's Progress and Other Poems 1866 Sing Song A Nursery Rhyme Book 1872 A Pageant and Other Poems 1881 and Verses 1893 In a comprehensive account of Rossetti's evolving style and genre Hassett analyzes the strengths and failures of the poetry its attention to the resources of rhythm and the shifts of diction its momentum and reserve and the rationale for its revision The book also explores Rossetti's innovative poetry for children her daring reconfiguration of religion and poetry in a late life commentary on the Apocalypse and the influences both of female precursors she admired and outgrew and of the male circle of Pre Raphaelite poets For art historians of the Pre Raphaelites scholars of women's writing and gender studies students of children's literature and researchers in religious studies not to mention readers in Victorian poetry Christina Rossetti The
