it That was the story we were told to give to the public and the news people and that was it Brigadier General Thomas J DuBose USAF The Roswell craft was extraterrestrial and at one time may have been at Wright Patterson in an off limits area Brigadier General Harry N Cordes USAF I am almost completely convinced that the object that crashed near Roswell was composed of materials not common on earth Major General Kenner F Hertford USA The stuff I saw I ve never seen anyplace else in my life It was the strangest thing I ever saw General William H Blanchard USAF They the Air Force knew that they had something new in their hands The metal and material was unknown to anyone I talked to A couple of guys thought it might be Rus sian but the final consensus was that the pieces were from space i e extraterrestrial Brigadier General Arthur E Exon USAF Stealth technology comes from the Roswell crash I have been informed by higher officers at the Pentagon that there still exists a Top Secret UFO Project That s where your Roswell file is Brigadier General Richard Mitchell USA Praise for the Authors Brilliant A well detailed concise A to Z chronological timeline of events that happened over seventy years ago The authors in depth information shows their many years of investigative reporting bearing the true facts of the Roswell Incident The reader is drawn into the complex information in the timeline becoming aware that the chain of events as described in fact occurred Colonel Scott D Miller Jr USA Carey and Schmitt show that good old fashioned investigative reporting is still alive and well Cheryl Jones former anchor CNN News There is no one on this planet who knows more about the Roswell Incident than these two guys Larry Landsman creative executive of the SyFy Channel documentary The Roswell Crash Startling New Evidence I think that Witness to Roswell by Carey Schmitt 2002 2009 will prove to be the most important UFO book ever written The evidence presented dovetails perfectly and makes a compelling case that an alien craft crashed outside of Roswell in 1947 After decades of controversy the authors through dedicated and persistent research have finally come up with very strong circumstantial evidence that is tantamount to proof Richard H Hall author of The UFO Evidence Vols I and II and past Chairman of the Fund for UFO Research If the cover up is ever going to have a stake driven through it and the Roswell case resolved once and for all it will most likely be Tom Carey and Don Schmitt who will do it Jeff Rense nationally syndicated talk show host Roswell: the Ultimate Cold Case Thomas J.
