**Mamoulian** David Luhrssen, 2013-01-25 An Armenian national raised in Russia Rouben Mamoulian 1897 1987 studied in the influential Stanislavski studio renowned as the source of the method acting technique Shortly after immigrating to New York in 1926 he created a sensation with an all black production of Porgy 1927 He then went on to direct the debut Broadway productions of three of the most popular shows in the history of American musical theater Porgy and Bess 1935 Oklahoma 1943 and Carousel 1945 Mamoulian began working in film just as the sound revolution was dramatically changing the technical capabilities of the medium and he quickly established himself as an innovator Not only did many of his unusual camera techniques become standard but he also invented a device that eliminated the background noises created by cameras and dollies Seen as a rebel earlier in his career Mamoulian gradually gained respect in Hollywood and the Directors Guild of America awarded him the prestigious D W Griffith Award for Lifetime Achievement in 1983 In this meticulously researched biography David Luhrssen paints the influential director as a socially conscious artist who sought to successfully combine art and commercial entertainment Luhrssen not only reveals the fascinating personal story of an important yet neglected figure but he also offers a tantalizing glimpse into the extraordinarily vibrant American film and theater industries during the twenties thirties and forties

**Ready to Teach: The Strange Case of Dr Jekyll & Mr Hyde** Chris Curtis, Fiona Folan, 2023-11-03 Ready to Teach The Strange Case of Dr Jekyll and Mr Hyde is a compendium of background reading subject knowledge resources and classroom strategies to support the teaching of Stevenson's gothic tale of morality murder and science for GCSE Using a combination of pedagogical theory research and work from other Victorian writers of the time the book helps to prepare develop or deepen the teaching of the text in the classroom As part of the Ready to Teach series each chapter contains lesson by lesson essays and commentaries that enhance subject knowledge on key areas of the text alongside fully resourced lessons reflecting current and dynamic best practice The book also offers an introduction and exploration of Victorian society as seen in the novel but also how other writers of that time presented similar themes or ideas Literature is never created in a vacuum and Ready to Teach The Strange Case of Dr Jekyll and Mr Hyde explores how text reflects its Victorian context and what other writers were doing at that time Ready to Teach The Strange Case of Dr Jekyll and Mr Hyde has a level of duality like Doctor Jekyll himself On one level the book provides an exploration for the text for people new to teaching it On another level the

book provides new ideas or ways of seeing things for the established teacher A perfect addition for your CPD bookcase

*Man-Made Horrors* John Hamilton,2007-01-01 Presents fictitious as well as real life horrors *Dr Jekyll and Mr Hyde: Usborne Classics Retold* John Grant,2013-07-01 A spine chilling retelling of Robert Louis Stevenson s classic horror story guaranteed to thrill young readers Behind the locked door of Dr Jekyll s laboratory lies a mystery his lawyer is determined to solve Why does the doctor spend so much time in there What is the connection between the respectable Dr Jekyll and his loathsome visitor Mr Hyde Why has Dr Jekyll changed his will to Hyde s advantage And who killed Sir Danvers Crew Includes informative notes on both the author and the original text **Fantastic Cinema Subject Guide** Bryan Senn,2024-10-16 About 2 500 genre films are entered under more than 100 subject headings ranging from abominable snowmen through dreamkillers rats and time travel to zombies with a brief essay on each topic development highlights and trends Each film entry shows year of release distribution company country of origin director producer screenwriter cinematographer cast credits plot synopsis and critical commentary *Horror Literature through History* Matt Cardin,2017-09-21 This two volume set offers comprehensive coverage of horror literature that spans its deep history dominant themes significant works and major authors such as Stephen King Edgar Allan Poe and Anne Rice as well as lesser known horror writers Many of today s horror story fans who appreciate horror through movies television video games graphic novels and other forms probably don t realize that horror literature is not only one of the most popular types of literature but one of the oldest People have always been mesmerized by stories that speak to their deepest fears *Horror Literature through History* shows 21st century horror fans the literary sources of their favorite entertainment and the rich intrinsic value of horror literature in its own right Through profiles of major authors critical analyses of important works and overview essays focused on horror during particular periods as well as on related issues such as religion apocalypticism social criticism and gender readers will discover the fascinating early roots and evolution of horror writings as well as the reciprocal influence of horror literature and horror cinema This unique two volume reference set provides wide coverage that is current and compelling to modern readers who are of course also eager consumers of entertainment In the first section overview essays on horror during different historical periods situate works of horror literature within the social cultural historical and intellectual currents of their respective eras creating a seamless narrative of the genre s evolution from ancient times to the present The second section demonstrates how otherwise unrelated works of horror have influenced each other how horror subgenres have evolved and how a broad range of topics within horror such as ghosts vampires religion and gender roles have been handled across time The set also provides alphabetically arranged reference entries on authors works and specialized topics that enable readers to zero in on information and concepts presented in the other sections *The History of Evil in the Early Twentieth Century* Victoria Harrison,2018-06-14 The fifth volume of *The History of Evil* covers the twentieth century from 1900 through 1950 The period saw the maturation of intellectual movements such as Pragmatism and Phenomenology and

the full emergence of several new academic disciplines all these provided novel intellectual tools that were used to shed light on a human capacity for evil that was becoming increasingly hard to ignore An underlying theme of this volume is the effort to reconstruct an understanding of human nature after confidence in its intrinsic goodness and moral character had been shaken by world events The chapters in this volume cover globally relevant topics such as education propaganda power oppression and genocide and include perspectives on evil drawn from across the world Theological and atheistic responses to evil are also examined in the volume This outstanding treatment of approaches to evil at a determinative period of modernity will appeal to those with interests in the intellectual history of the era as well as to those with interests in the political philosophical and theological movements that matured within it

**Gutter Auteur** Rob Craig, 2012-12-13 Grindhouse filmmaker Andy Milligan has been the subject of a revealing biography and boasts a grassroots fan base but his remarkable work has thus far received no serious critical overview Working virtually alone on infinitesimal budgets often using a used 16mm newsreel camera Milligan crafted some of the most unique melodramas of the 1960s and 1970s Often mounted as period pieces using costumes sewn by the filmmaker Milligan's gritty bizarre films come across as inimitable meldings of the avant garde theater of Jean Genet the experimental films of Jack Smith and the random cinema verite of a lunatic with a home movie camera Yet Milligan's films are anything but random ruminating at length on profound sociocultural themes of the day including the emptiness of the sexual revolution Evident throughout all the films are two pet themes a rabid deconstruction of the heterosexual paradigm and a grotesque illumination of the family as breeder of dysfunction
