Prabhupada Meditations Satsvarupa Dasa Goswami, 1991 Meditations from Iraq Lance Kittleson, 2005 I experienced the power of God's grace in two ways as I have read these e-mails I heard the story of faith of an ordinary parish pastor who served God in a rather extraordinary setting and I experienced the power of God to make the ordinary precious These letters are filled with simple moments of serving coffee and serving God baptism by bottled water and denominational tensions melting under a desert sun Lance Kittleson shares with all of us a small piece of God's kingdom in a far off land from the Preface Elaine Siemsen Assistant Professor of Religion St Olaf College In January 2003 Lance Kittleson's army reserve unit was deployed to Kuwait and Iraq For the next 14 months his ministry was transformed instead of pastoring an Iowa congregation he now served under harsh and sometimes dangerous conditions as a chaplain for a support unit on the edge of war Yet even in this chaotic and challenging environment his trained pastor's eye finds the presence of God in moments both mundane and exhilarating In this collection of e-mails sent to family and friends during his time in the Middle East Kittleson shares insightful poignant and humorous meditations on faith and life You'll get a firsthand glimpse of military life as well as the remarkable ways of the spirit both divine and human at work When the camp's altar suddenly disappears you'll read about how Kittleson comes to understand that the crude replacement altar hastily assembled from discarded shipping crates is a better symbol of Jesus than any fancy altar in an ornate sanctuary You'll also see how the sight of a superior officer offering a cup of coffee draws quizzical responses from servicemen accustomed to a rank conscious army Whether you are interested in learning more about what some of our men and women in uniform are experiencing in Iraq want thoughtful sermon illustrations or just desire inspirational reading that highlights God's presence even in the worst of life Meditations From Iraq is a fascinating volume for everyone Some of the illuminating chapters include A Baptism In The Desert The Spirit's Honeywagon The Rivers Of Babylon Tikrit And Perspective Or Dodging Bat Guano In The Desert Saint SGT Murphy Eli's Christmas Tree Or Someone In Iowa Loves You The Last Convoy SRP Blues Lance Kittleson has been an ELCA pastor since

1981 He is currently the pastor of Deer Creek Lutheran Church in Carpenter Iowa and St Peter Lutheran Church in Toeterville Iowa Kittleson previously served parishes in Iowa and Oregon and has been a missionary in Senegal Kittleson s military service has included 17 years as a chaplain in the Army Reserve and 10 years as an infantry officer He is a graduate of North Carolina State University and Luther Seminary click here for sample

Method, Intuition, and Meditation in Descartes' Meditations on First Philosophy Stanley Tweyman,2023-07-07 This book deals with Descartes efforts in his Meditations to discover the first principles of human knowledge that is what must be known before anything else can be known In order for these principles to be first principles they cannot be conclusions obtained through deductive reasoning Further Descartes insists that these first principles cannot be known through the senses but only through intuition or meditation our only cognitive faculties for grasping self evident first principles This book provides Descartes reasons for rejecting the senses as the source of these first principles and offers textual support for the role of intuition and meditation in apprehending the first principles of human knowledge Although the bulk of the book is largely exegetical in nature the last chapter proceeds more critically to show the failures of Descartes approach
