Rough Stuff Faheem, 2018-07-07 Have you ever seen your mother cry Have you ever seen your brother die Have you ever seen your aunt refuse to try Have you ever seen your uncle steal from your grandmother then lie Have you ever understood how a child feels when they don't have and the other kids laugh It's some ROUGH STUFF This story takes place in Newark New Jersey The city is infested with rodents insects poverty and excessive violence The year is 1979 although the problems back then haven't changed much nowadays Elizabeth Bren Patty and Millie are four young women who think they know it all However they are wrong They don't know what the future holds Nor do they realize that one bad decision can completely alter a good situation Things don't always go as planned Unforeseen occurrences befall us all This is really ROUGH STUFF

Dealing With The Tough Stuff Darren Hill, Alison Hill, Sean Richardson, 2016-02-01 A practical toolkit for handling workplace conflict and difficult conversations Dealing with the Tough Stuff is the business leader's critical guide to handling difficult conversations in the workplace Based on the science of human behaviour both verbal and nonverbal this book is packed full of practical and pragmatic strategies for managing conflict situations You'll learn a variety of diagnostics models and processes that you can start using today and you'll benefit from expert tips tricks and tools for leading important conversations with empathy and assertiveness This updated second edition includes new material on key conversations with distance workers as well as within the context of a fast growth company and a broad selection of real world case studies from a diverse array of workplaces Backed by contemporary psychological theory and time tested amongst thousands of leaders these highly relevant suggestions give you the power to deal with the tough stuff effectively and compassionately The human element plays a large part in the manager's role yet many lack the training needed to deal with people effectively This book helps you understand what makes people tick and helps you develop the human skills you need to manage Achieve clarity and directness in your communications Deal with anger stubbornness and defensiveness Develop the skills to manage immediate crises Set priorities and build a foundation of strong communication Avoiding the tough stuff can be extremely costly for managers staff and the business as a whole No one enjoys these conversations but they are inevitable and the right set of skills goes a long way toward making them run smoothly with greater results out the other side Dealing with the Tough Stuff is your indispensable primer on human behaviour and effectively navigating tough conversations at work **Bulletin**

National Society for Vocational Education, 1907 Bulletin, 1907 The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively

scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean; emphasis on post World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1 000 new entries from the US, UK and Australia; New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources and new glosses. The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language.

Christianish Mark Steele, 2013-02-15. It may feel like authentic faith. It may even look like the real deal. Yet it's often easy to settle for the souvenir t-shirt, the appearance of a transformed heart instead of taking the actual trip through true life change. We find ourselves settling for a personal faith that's been polluted by culture and diluted by other people's take on spirituality. **Christianish** tells the story of one man's journey to move from the in-between to a life that's centered on Christ. To move forward, author Mark Steele goes back to the beginning to examine Christ's life and words. Through stories and insights that are sometimes profound, often hilarious and always honest, Mark delivers a compelling look at what our faith is all about.
