Round the Horne 7 Barry Took, Marty Feldman, Kenneth Horne, 1995 *Classic CD.*, 1998 **Shakespeare and Sexuality in the Comedy of Morecambe & Wise** Stephen Hamrick, 2020-02-18 Contextualizing the duo's work within British comedy Shakespeare criticism the history of sexuality and their own historical moment this book offers the first sustained analysis of the 20th Century's most successful double act Over the course of a forty four year career 1940 1984 Eric Morecambe Ernie Wise appropriated snippets of verse scenes and other elements from seventeen of Shakespeare's plays more than one hundred and fifty times Fashioning a kinder more inclusive world they deployed a vast array of elements connected to Shakespeare his life and institutions Rejecting claims that they offer only nostalgic escapism Hamrick analyses their work within contemporary contexts including their engagement with many forms and genres including Variety the heritage industry journalism and more The Boys deploy Shakespeare to work through issues of class sexuality and violence Lesbianism drag gay marriage and a queer aesthetics emerge helping to normalize homosexuality and complicate masculinity in the permissive 1960s Bodies of Sound Susan C. Cook, 2016-04-08 From the ragtime one step of the early twentieth century to the contemporary practices of youth club cultures popular dance and music are inextricably linked This collection reveals the intimate connections between the corporeal and the sonic in the creation transmission and reception of popular dance and music which is imagined here as bodies of sound The volume provokes a wide ranging interdisciplinary conversation that includes scholarship from Asia Europe and the United States which explores topics from the nineteenth century through to the present day and engages with practices at local national and transnational levels In Part I Constructing the Popular the authors explore how categories of popular music and dance are constructed and de stabilized and their proclivity to appropriate and re imagine cultural forms and meanings In Part II Authenticity Revival and Reinvention the authors examine how popular forms produce and manipulate identities and meanings through their attraction to and departure from cultural traditions In Part III Re Framing Value the authors interrogate how values are inscribed silenced rearticulated and capitalized through popular music and dance And in Part IV Politics of the Popular the authors read the popular as a site of political negotiation and transformation **Life on Air** David Hendy, 2007 Radio Four has been described as the greatest broadcasting channel in the world the heartbeat of the BBC a cultural icon of Britishness and the voice of Middle England Defined by its rich mix encompassing everything from journalism and drama to comedy quizzes and short stories Many of its programs such as Today The Archers Woman's Hour The Hitchhiker's Guide To the Galaxy Gardeners Question Time and The Shipping Forecast have been part of British life for decades Others less successful have caused offence and prompted derision Born as it was in the Swinging Sixties Radio Four's central challenge has been to change with the times while trying not to lose faith with those who see it as a standard bearer for quality authoritativeness or simply old fashioned BBC values In this first major behind the scenes account of the station's history David Hendy a former

producer for Radio Four draws on privileged access to the BBC's own archives and new interviews with key personnel to illuminate the arguments and controversies behind the creation of some of its most popular programmes. He reveals the station's struggle to justify itself in a television age favouring clear branding and tightly targeted audiences with bitter disputes between the BBC and its fiercely loyal listeners. The story of these struggles is about more than the survival of one radio network. Radio Four has been a lightning rod for all sorts of wider social anxieties over the past forty years. A kaleidoscopic view of the changing nature of the BBC, this book provides a gripping insight into the very nature of British life and culture in the last decades of the twentieth century.

People of Today, 2002 **A National Joke** Andy Medhurst, 2007-09-18

Comedy is crucial to how the English see themselves. This book considers that proposition through a series of case studies of popular English comedies and comedians in the twentieth century, ranging from the Carry On films to the work of Mike Leigh and contemporary sitcoms such as *The Royle Family* and from George Formby to Alan Bennett and Roy Chubby Brown. Relating comic traditions to questions of class, gender, sexuality and geography, *A National Joke* looks at how comedy is a cultural thermometer taking the temperature of its times. It asks why vulgarity has always delighted English audiences, why camp is such a strong thread in English humour, why class influences what we laugh at, and why comedy has been so neglected in most theoretical writing about cultural identity. Part history and part polemic, it argues that the English urgently need to reflect on who they are, who they have been, and who they might become, and insists that comedy offers a particularly illuminating location for undertaking those reflections.

Round the Horne Barry Took, 2014-10-16 **Round the Horne**, 2004-04-01

Round the Horne is the classic BBC radio comedy series which took comedy to a new level of outrageousness in the late 1960s. Kenneth Horne is the suave host whilst around him orbit those no-holds-barred satellites Kenneth Williams, Betty Marsden, Hugh Paddick and Bill Pertwee.

Beyond Our Ken Eric Merriman, 2018-02-27

Volume 1 of the fourth series of the madcap forerunner to *Round the Horne*. A hectic mix of sketches and songs, *Beyond Our Ken* kept millions of listeners in stitches between 1958 and 1964. These ten fantastic episodes, published for the first time on audio, were first broadcast on the BBC Light Programme in 1960 and 1961.
