Round Heeled Woman My Late Life Adventures In Sex And Romance:

A Round-Heeled Woman Jane Juska, 2004-05-11 Round heeled is an old fashioned label for a woman who is promiscuous someone who nowadays might be called easy It s a surprising way for a cultured English teacher with a passion for the novels of Anthony Trollope to describe herself but then that s just the first of many surprises to be found in this poignant funny utterly unique memoir Jane Juska is a smart energetic divorcee who decided she d been celibate too long and placed the following personal ad in her favorite newspaper The New York Review of Books Before I turn 67 next March I would like to have a lot of sex with a man I like If you want to talk first Trollope works for me This closing reference was a nod to her favorite author of course The response was overwhelming and Juska took a sabbatical from teaching to meet some of the men who had replied And since her ad made it clear that she wasn t expecting just hand holding her dates zipped from first base to home plate in record time Juska is a totally engaging perceptive writer funny and frank about her exploits It s high time someone revealed the fact that older single people are as eager for sex and intimacy as their younger counterparts Jane Juska s brave honest memoir will probably raise eyebrows and blood pressure but it will undoubtedly appeal to the very large audience of grown up readers who will be fascinated and inspired by her daring adventure

Unaccompanied Women Jane Juska, 2007-12-18 Before I turn 67 I would like to have a lot of sex with a man I like This inspired personal ad from Jane Juska drew tremendous response and swept the retired teacher into a whirlwind existence she barely recognized as her own She relayed her fun and frank exploits in the bestseller *A Round Heeled Woman* Now Juska continues her astonishing story in this much anticipated new adventure Five years after that fateful ad Juska has become a friend and confessor for women of all ages who confide in her their poignant tragic or blissful stories unaccompanied women who are alone for now but ever searching for intimacy And in spite of Juska's own success unaccompanied is a description that applies to her as well She's still looking for a man to keep her company not a husband not even a partner but simply the perfect lover once described by Katharine Hepburn as one who lives nearby and visits often *Unaccompanied Women* embraces not only Juska's continuing explorations of Eros note to fans her younger lover Graham is still on the scene but also a blossoming literary career that catapults her from San Francisco to New York London and Paris At book signings earnest men place themselves purposely at the end of the line in order to engage her in private conversations while women linger to confess their own erotic longings and their experiences with the good the bad and even the ugly All the while Juska is coping with the unnerving possibility of losing her home a tiny cottage in Berkeley California and so her search broadens and intensifies not just for love friendship and sex but also for enough money to keep a roof over her head Jane Juska shares all this richness of living in a poignant and humorous exploration of emotional terrain rarely discussed in our society This wise and warmhearted book provides vivid evidence that the pursuit of pleasure and lasting relationships is not just for the young but also for the young at heart *Reading Autobiography* Sidonie Smith, Julia Watson, 2010 projects and an extensive bibliography Book Jacket

On My Own Florence Falk, 2008-03-25 At some point over the course of the average American woman's life she will find herself alone whether she is divorced widowed single or in a loveless isolating relationship And when that time comes it is likely that she will be at a loss as to how to handle it As a society we have an unspoken but omnipresent belief that a woman alone is an outcast inherently flawed in some way In this invigorating supportive book psychotherapist Florence Falk aims to take the fear doubt confusion and helplessness out of being a woman alone Falk invites all women to find their own paths toward an authentic selfhood to discover the pleasures and riches of solitude and to reconnect with others through a newfound sense of self confidence Like so many women before her Florence Falk found herself divorced alone and unsure of herself Soon she realized that by embracing her solitude for what it was a potentially enriching and life altering experience she could turn what once would have felt like loneliness into a far more positive and empowered aloneness Falk notes that each of us has two opposing drives one causes us to yearn to make close connections with others and the other pulls us back into ourselves into the need for selfhood and certainty that can only be shaped through solitude In order to be whole she says we must heed both of those impulses But in our modern culture the former is stressed while the latter is neglected even vilified *On My Own* boldly shifts that paradigm With inspiring intimate stories of

women from all backgrounds Falk illuminates the essential role that being alone plays in women's lives Whether she is in a stable relationship or on her own every woman must learn to be by herself for if she can be fully free unfettered by society's stigmas about being alone life and all its possibilities will open up for her And as Falk demonstrates once a woman has discovered the richness of solitude she is not likely to give it up so easily **Best Life**, 2007-04 Best Life magazine empowers men to continually improve their physical emotional and financial well being to better enjoy the most rewarding years of their life **Dementia, Sex and Wellbeing** Danuta Lipinska, 2017-11-21 Tackling the last taboo in dementia care this book demonstrates how professionals can support the sexuality of people with dementia It includes advice on safeguarding and accessible explanations of how cognitive changes affect sexual behaviour and expression **Reading Autobiography Now** Sidonie Smith, Julia Watson, 2024-07-09 A user friendly guide to reading writing and theorizing autobiographical texts and practices for students scholars and practitioners of life narrative The boom in autobiographical narratives continues apace It now encompasses a global spectrum of texts and practices in such media as graphic memoir auto photography performance and plastic arts film and video and online platforms Reading Autobiography Now offers both a critical engagement with life narrative in historical perspective and a theoretical framework for interpreting texts and practices in this wide ranging field Hailed upon its initial publication as the Whole Earth Catalog of autobiography studies this essential book has been updated reorganized and expanded in scope to serve as an accessible and contemporary guide for scholars students and practitioners Sidonie Smith and Julia Watson explore definitions of life narrative probe issues of subjectivity and outline salient features of autobiographical acts and practices In this updated edition they address emergent topics such as autotheory autofiction and autoethnography expand the discussions of identity relationality and agency and introduce new material on autobiographical archives and the profusion of I's in contemporary works Smith and Watson also provide a helpful toolkit of strategies for reading life narrative and an extensive glossary of mini essays analyzing key theoretical concepts and dozens of autobiographical genres An indispensable exploration of this expansive transnational multimedia field Reading Autobiography Now meticulously unpacks the heterogeneous modes of life narratives through which people tell their stories from traditional memoirs and trauma narratives to collaborative life narrative and autobiographical comics **The Power of Experience** Jeremy Janes, 2007 What is the value of a life deeply lived Can fragments from the past help you navigate the future What good is wisdom in a world bewitched by ephemera Some of our best writers over 50 tackle these and other questions in this honest hard hitting collection about the search for meaning in the second half of life In moving works of self discovery they illuminate the fine art of growing up and the power of experience to transform your life Publisher website May 2008 [Something to Talk about](#) Ann-Marie Cyr, Kellie M.
