Royal Faces From William The Conqueror To The Present Day:

Royal Faces National Portrait Gallery (Great Britain), Dana Bentley-Cranch, 1990 What did he or she actually look like A question that has been asked throughout the ages and never with more interest than when the face is a royal one But putting faces to names is only one facet of the story of 900 years of British monarchy In this book portraits of the kings and queens are accompanied by brief accounts of their lives showing how they attained the throne and how the line of succession was maintained or overthrown It also traces the history of the Crown itself and tells how the absolutist rule of the early kings evolved into our constitutional monarchy **Historical Dictionary of the British Monarchy** Kenneth J. Panton, 2011-02-24 The monarch is the United Kingdom's head of state exercising powers that are circumscribed by common law convention and statute law Nowadays many of the sovereign's functions are ceremonial but in the past the balance between ceremony and decision making was very different The foundations of the modern monarchy were laid more than a millennium ago in Anglo Saxon and Celtic Britain so its modern form is a stage in an evolution that has been shaped by attitudes towards divorce the changing role of women the democratization of society dynastic intermarriage financial demands religious convictions struggles for economic and political power and territorial aggrandizement Covering some of the most famous figures in world history including William the Conqueror Henry VIII and Queens Victoria Elizabeth I and Elizabeth II the *Historical Dictionary of the British Monarchy* provides a chronology starting with the year 495 and continuing to the present day an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on significant persons places events institutions and other aspects of British culture society economy and politics This book is a must for anyone interested in the British monarchy *Museums Journal* Elijah Howarth, F.
