**Kenneth J. Panton**

## **Royal Observations Canadians And Royalty:**

**Royal Observations** Arthur Bousfield, Garry Toffoli, 1991-01-12 These observations and quotations comprise a witty anthology of anecdotes by and about the royal family in Canada over the last 400 years Enhanced by drawings from the well known cartoonist Vince Wicks this book looks at the memorable encounters sometimes touching sometimes disconcerting sometimes hilarious that Canadians have had with their own and other royal families Arranged thematically Royal Observations covers such topics as Queen Victoria English French relations World War Two native peoples and royal tours

**The Crown and Canadian Federalism** D. Michael Jackson, 2013-08-31 Following Queen Elizabeth II's historic Diamond Jubilee in 2012 there is renewed interest in the institution of the Crown in Canada and the roles of the queen governor general and lieutenant governor Author D Michael Jackson traces the story of the monarchy and the Crown and shows how they are integral to Canada's parliamentary democracy

**Canada and the Crown** D. Michael Jackson, Philippe Lagassé, 2014-01-01 Stephen Harper's Conservative government has reversed the trend of its predecessors by giving the Crown a higher profile through royal tours publications and symbolic initiatives Based on papers given at a Diamond Jubilee conference on the Crown held in Regina in 2012 Canada and the Crown assesses the historical and contemporary importance of constitutional monarchy in Canada Established and emerging scholars consider the Canadian Crown from a variety of viewpoints including the ways in which the monarch relates to Quebec First Nations the media education Parliament the constitution and the military They also consider a republican option for Canada Editors D Michael Jackson and Philippe Lagassé provide context for the essays summarize and expand on the issues discussed by the contributors and offer a perspective on further study of the Crown in Canada Contributors include Richard Berthelsen Lieutenant Colonel Alexander Bolt Office of the Judge Advocate General James W J Bowden Stephanie Danyluk Whitecap Dakota First Nation Linda Cardinal University of Ottawa Phillip Crawley CEO The Globe and Mail John Fraser Massey College Carolyn Harris University of Toronto Robert E Hawkins University of Regina Ian Holloway University of Calgary Senator Serge Joyal Nicholas A MacDonald Christopher McCreery Office of Lieutenant Governor of Nova Scotia J R Jim Miller University of Saskatchewan Peter H Russell University of Toronto David E Smith Toronto Metropolitan University and John D Whyte University of Regina

**The Queen Mother and Her Century** Arthur Bousfield, Garry Toffoli, 2000-07 To honour the Queen Mother and mark the occasion of her 100th birthday Dundurn Press is publishing a biography of this remarkable woman in words and pictures Since her marriage to George VI the Queen Mother has been a public figure who has always evoked passionate reactions whether it was the anonymous soldier who vowed to fight for that little lady Adolf Hitler who described her as the most dangerous woman in Europe or the Canadian journalist who coined the expression the Queen Mum A Canadian perspective on a sovereign who created and cultivated a special relationship with Canada informs The Queen Mother and Her Century The first of many tours of Canada the Royal Tour of 1939 which gave Canadians our initial opportunity to experience the

Queen Mother's personal magnetism first hand is described in detail along with the many Canadian relationships the Queen Mother has formed since The Queen Mother and Her Century is a wonderful album sized 8 1/2 x 11 commemorative keepsake and makes a thoughtful gift for the many admirers of the Queen Mother The text and 120 colour photographs are complemented by time bars lists of the Queen Mother's official tours associations the Queen Mother is patron of places that are named after the Queen Mother and the Royal Family tree The Canadian Kingdom D. Michael Jackson, 2018-04-14 An integral part of Canada's political culture the constitutional monarchy has evolved over the 150 years since Confederation to become a uniquely Canadian institution Canada inherited the constitutional monarchy from Britain even before Confederation in 1867 In the 150 years since then the Crown has shaped and been shaped by Canada's achievement of independence its robust federalism the unique identity of Quebec and its relationship with Indigenous peoples What has this Canadian Crown contributed to the Canada of the twenty first century How is this historic yet resilient institution perceived today The essays in this book respond to these questions from a variety of perspectives encompassing the arts the role of the vice regal representatives the Indigenous peoples and the contemporary position of the monarch In discussing whether there is a distinctly Canadian monarchy the authors look beyond Canada's borders too and explore how Canada's development has influenced other Commonwealth realms *Historical Dictionary of the British Monarchy* Kenneth J. Panton, 2011-02-24 The monarch is the United Kingdom's head of state exercising powers that are circumscribed by common law convention and statute law Nowadays many of the sovereign's functions are ceremonial but in the past the balance between ceremony and decision making was very different The foundations of the modern monarchy were laid more than a millennium ago in Anglo Saxon and Celtic Britain so its modern form is a stage in an evolution that has been shaped by attitudes towards divorce the changing role of women the democratization of society dynastic intermarriage financial demands religious convictions struggles for economic and political power and territorial aggrandizement Covering some of the most famous figures in world history including William the Conqueror Henry VIII and Queens Victoria Elizabeth I and Elizabeth II the Historical Dictionary of the British Monarchy provides a chronology starting with the year 495 and continuing to the present day an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on significant persons places events institutions and other aspects of British culture society economy and politics This book is a must for anyone interested in the British monarchy **The Enduring Crown Commonwealth** Michael J. Smith, Stephen Klimczuk-Massion, 2023-05-15 The controversial Netflix series The Crown covers the tumultuous period from the Queen's accession in 1952 to the present day and so does this book which explores the rise decline and to some unexpected rebound of the historic UK Canada Australia and New Zealand alliance While a post Brexit and post Elizabethan Britain seeks a new role in today's volatile world its traditional partner countries also recognise the logic of reinvigorating their relationship based on a multitude of still strong cultural economic political and military ties including the monarchy as a

uniquely shared global and not merely British institution But this wasn't always the case Although in the 1950s commentators spoke of a new Elizabethan Age with much postwar hope across the Commonwealth that optimism quickly faded By the 1970s many thought Britain washed up and that Crown and Commonwealth ties and allegiance were becoming obsolete Perhaps unsurprisingly the four countries increasingly went their separate ways So a groggy time traveller from that period appearing in London Toronto Sydney or Auckland today would be taken by surprise by the durability of the Crown even as it has passed to King Charles and the growing reconvergence of the four CANZUK realms in terms of trade defence foreign policy coordination freedom of movement mutual recognition of professional qualifications and other new or revived links This book evocatively tells the whole story of where we are what's possible for the future and not least how we got here In today's age of global instability and raw power politics this renewed Anglosphere Crown Commonwealth alliance is more important and relevant than ever

Canada , Royals in Canada 5-Book Bundle Arthur Bousfield,Garry Toffoli,2016-03-21 Discover the Royal Family as they go home to Canada Collected together are five must have books on the Royal Family's relationship with Canada their tours and a Canadian perspective on their biographies Includes Royal Tours 1786 2010 Fifty Years the Queen Queen Elizabeth The Queen Mother 1900 2002 Royal Observations Royal Spring *Majesty in Canada* Colin Coates,2006-02-04 On the occasion of the fiftieth anniversary of Queen Elizabeth's accession to the throne the Centre of Canadian Studies of the University of Edinburgh hosted its annual conference on the theme Majesty in Canada The essays that were presented at that conference reflect the wide ranging recognitions of the different roles that monarchs and their representatives have played in Canada The essays examine how Canadians have understood their ties to royalty and how the regal principle formed an important part of the national identity Royal tours vice regal initiatives representations of the sovereign's power and Canadian appeals to monarchical sentiments comprise the themes of these engaging essays providing an up to date look at the historical and current personal influence of the Crown in Canada

**The Veiled Sceptre** Anne Twomey,2018-04-12 The extension to other Realms of the reserve power to refuse a dissolution *Canadian Who's Who* 2003 Elizabeth Lumley,2003-03 Now in its 93rd year of publication this standard Canadian reference source contains comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity memberships creative works honours and awards and full addresses Of use to researchers students media business government and schools it is a useful source of general knowledge

**On His Majesty's Service** Julian Francis Godolphin,2025-05-06 The commonly held belief that the king or queen is a mere ornament of the constitution could not be further from reality The turbulent past decade has tested the British constitution like never before and Brexit the illegal

proroguing of Parliament and the near death of Boris Johnson while in office have demonstrated the often misunderstood but crucial role the sovereign plays in ensuring stability in our political system The king or queen holds a unique set of powers that enable them to act as the defender of our constitution a duty they perform not through the active use of power but by constitutional authority The mere threat of action by the sovereign is often all that is needed to get the political machine back on track and avoid crisis Taking us on a fascinating journey through centuries of British political history focusing on the monarch's powers to appoint and dismiss a Prime Minister grant a dissolution of Parliament and refuse assent to legislation On His Majesty's Service examines how past monarchs have avoided constitutional crisis and reveals the hidden hand of the monarchy in the smooth running of the state shattering the accepted political truism that the king reigns but does not rule These are the king's prerogative powers and this is their story      *Strangers in Arms* Robert C. Engen, 2016-04-04 Why do soldiers fight What keeps them going What compels them to face death when their long time comrades have fallen around them *Strangers in Arms* addresses these questions in a groundbreaking study of the behaviour morale and motivations of Canadian infantrymen on the front lines of the Second World War Canada's army has long faced intense criticism for its combat performance during the war and Canada's official history has presented Canadian soldiers as deficient inexperienced and unprepared in comparison with their enemies Questioning entrenched views Robert Engen explores a trove of contemporaneous documents to create a remarkable new portrait of Canadians at war Rather than the popular band of brothers image of soldier cohesion in battle he finds staggering casualty rates and personnel turmoil that left Canadian infantrymen often working with and fighting beside men they hardly knew Yet these strangers in arms continued to fight effectively and in good spirits against a tenacious and deadly enemy triumphing in the face of heartrending loss and sacrifice Challenging old narratives about the Canadian soldier and supported by cutting edge empirical and qualitative research *Strangers in Arms* crafts a new understanding of what happens at the sharp end of battle      **The Mining Laws of the British Empire and of Foreign Countries ...** Gilbert Stone, 1922      **The Order of Canada** Christopher P. McCreery, 2005-12-15 In 1966 a project to create a national honour for Canadians was begun The first recipients of the Order of Canada were announced a year later and in the nearly forty years since the Order has become a symbol familiar to and respected by people from across the country The spirit that motivates the Order of Canada celebration inclusion and democracy was born of the memories of Canada's earlier experience with honours From initial distrust and misunderstanding to the awakening of a national identity the development of the Order reflects the relationship Canadians have with their country their government their culture and their heroes The Order itself is a product of national identity politics and history reflected by the significance of its recipients accomplishments Indeed the Order's history is as fascinating as the more than 4000 Canadians who have received it This first book length history of the Order of Canada and first major work on Canadian honours by Christopher McCreery is a celebration of the Order and a close examination of its unique design and various early

incarnations McCreery provides both a history of the Order's beginnings and a more general overview of trends in Canadian honours Extensively illustrated with never before published photographs The Order of Canada Its Origins History and Developments pays tribute to the individuals who felt the need for a system of recognition for Canadians Electronic Format Disclaimer Images removed at the request of the rights holder **Canada and the World since 1867** Asa

McKercher,2019-09-19 This book is a history of Canada's role in the world as well as the impact of world events on Canada Starting from the country's quasi independence from Britain in 1867 its analysis moves through events in Canadian and global history to the present day Looking at Canada's international relations from the perspective of elite actors and normal people alike this study draws on original research and the latest work on Canadian international and transnational history to examine Canadians involvement with a diverse mix of issues from trade and aid to war and peace to human rights and migration The book traces four inter connected themes independence and growing estrangement from Britain the longstanding and ongoing tensions created by ever closer relations with the United States the huge movement of people from around the world into Canada and the often overlooked but significant range of Canadian contacts with the non Western world With an emphasis on the reciprocal nature of Canada's involvement in world affairs ultimately it is the first work to blend international and transnational approaches to the history of Canadian international relations Reflections on British

Royalty Jennifer J. Purcell,Fiona Courage,2024-02-22 In this original volume Jennifer J Purcell and Fiona Courage curate and contextualize the rich archival materials of social research organisation Mass Observation on the British popular imagination of the monarchy and the royal family between 1937 and 2022 From the coronation of George VI in 1937 to Elizabeth II's death via war weddings a jubilee and a tragedy this book incorporates everything from diaries and detailed responses to questionnaires internal organisational documents and published reports on popular attitudes to royalty in order to reveal the complex nature of Britain's relationship with its monarchy in the modern era How does the British public imagine the monarchy and its role in British society and governance What is the relationship between the British people and the Crown Using material from Mass Observation which has been asking these questions for over 80 years Reflections on British Royalty gets to the heart of these issues and more besides Mémoires Et Comptes Rendus de la Société Royale Du Canada Royal

Society of Canada,1899 **Canada's Constitutional Monarchy** Nathan Tidridge,2011-11-15 Canada's Constitutional Monarchy reintroduces Canadians to a rich institution integral to our ideals of democracy and parliamentary government Author Nathan Tidridge presents the Canadian Crown as a unique institution at the very heart of our Confederation exploring its history from its beginnings in 16th century New France

This is likewise one of the factors by obtaining the soft documents of this **Royal Observations Canadians And Royalty** by online.
