Commemorative Medals of The Queen's Reign in Canada, 1952-2012 Christopher McCreery, 2012-05-19 A celebration in medals of Queen Elizabeth II s 60 years as our monarch On the occasion of the diamond jubilee of Queen Elizabeth II s accession to the throne as Queen of Canada Canada has followed a long tradition of recommending to Her Majesty the institution of a commemorative medal to mark this auspicious milestone Commemorative Medals of The Queen s Reign in Canada 1952-2012 examines in detail this element of the Canadian honours system This short and accessible work provides the reader with an interesting and informative study of the honours that have recognized nearly a quarter of a million Canadians over the past six decades Fully illustrated in colour the book recounts the history and development of the commemorative medals awarded during The Queen s 60 years as monarch **Public Accounts of Canada** Canada. Public Works and Government Services Canada, 2007 **Canada Gazette** Canada, 1920 *Encyclopedia of Canadian Social Work* Francis J. Turner, 2009-07-23 All of us as Canadians are touched throughout our lives by some aspect of social welfare either as recipients donors or taxpayers But despite the importance of the social network in our country there has been no single source of information about this critical component of our society Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure The Encyclopedia of Canadian Social Work fills this need Over five hundred topics important to Canadian social work are covered written by a highly diverse group of social workers covering all aspects of the field and all areas of the country Practitioners policy makers academics social advocates researchers students and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada The principal finding from this project underscores the long held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries The Encyclopedia of Canadian Social Work will be an important source of information both to Canadians and to

interested groups around the world The Encyclopedia of Canadian Social Work is available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary

The Canadian Encyclopedia James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the

time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada *Post-Traumatic Stress Disorder - Latest Developments in Diagnosis, Causes, and Treatments* Robert W. Motta, 2024-12-19 Post traumatic stress disorder PTSD originated as a diagnostic entity owing to observed negative emotional and behavioural consequences of Vietnam War veterans PTSD is now understood as the outcome of a wide variety of traumatic experiences not just those of veterans This book clearly defines the nature of PTSD its origins and phenomenological roots and explores traditional and emerging treatments for this disorder Traditional treatments have focused on cognitive behaviour therapy and its variants We have now learned that PTSD is more than a problem of one's dysfunctional cognitions it encompasses behavioural emotional and spiritual aspects as well As such healing from PTSD essentially involves a transformation of self and a deep appreciation of the impact of this disorder on all aspects of functioning The various chapters in this book provide novel insights into where and why PTSD occurs while also addressing traditional and nontraditional interventions *Beyond the Line* Alice B. Aiken, Stéphanie A.H. Bélanger, 2013-11-01 Caring for veterans returning from service is just as important as preparing troops for deployment Beyond the Line is a collection of current research presented by the Canadian Institute for Military and Veteran Health Research an organization committed to finding the best solutions to address the range of health issues arising from military service Bringing together work by defence scientists and researchers and clinicians from several Canadian universities contributors present their findings on topics such as mental physical social rehabilitative and occupational health in addition to combat care Diverse topics ranging from technology to programs for children add depth and dimension Providing expert insight into healthcare for armed forces veterans and their families Beyond the Line engages the research community towards the common goal of improved healthcare services for Canada's military population **Annual Departmental Reports** Canada. Dominion Bureau of Statistics, 1927 *The Book of Ancestors* Claire Goodchild, 2023-10-03 Find spiritual healing and everyday magic in this beautifully mysterious guide to communing with your ancestors Picking up where The Book of Seances left off artist author and witch Claire Goodchild delivers a guide that is truly the first of its kind The Book of Ancestors a map for seekers looking to develop a relationship with their ancestors Through a combination of text and illustration The Book of Ancestors explores the history of traditional genealogy topics such as how to research and build a family tree and the history of cemeteries Alongside these practical measures Claire provides rituals spells and crafts from her own personal practice drawing on the British and Slavic traditions of her heritage alongside contributions from fellow witches including Codi Popovich and Marjorie from The Punk Priestess for a broader more enriched lens As the text progresses Claire guides her readers through the creation their own Book of Ancestors a family grimoire of sorts blending together their own ancestral legacies with witchcraft that can be passed down to future family Visually The Book of Ancestors pairs with The Book of Seances

containing witchy esoteric and funerary images in a Victorian style with lots of floral embellishments and classic colors
Whether a seasoned witch or a newcomer to the spirit world readers will walk away from The Book of Ancestors feeling empowered to perform their own rituals and spells research family history and form a lasting relationship with those who came before
