Royal Rumble:

KB's History of the Royal Rumble Thomas Hall, 2016-12-24 Battle royals are really basic when you think about it. The idea of throwing a bunch of people in the ring and having the last one standing being the winner is as primal of a competition as you can get. It made perfect sense to have something like this in professional wrestling. Battle royals have taken place in the sport for years and none of them are more famous than the Royal Rumble. Starting back in 1988 the WWF started running an annual show featuring a major battle royal and the idea never stopped. Over the years other big matches were added and the show has become one of the biggest events on WWE's calendar. In this new book I'll be looking back at the twenty seven Royal Rumble events and breaking down every match segment and event in full while providing play by play historical context and analysis.

You First Liane Davey, 2013-09-23 Five common problems your team is susceptible to and the one thing you can do to fix all of them. There are so many ways a team can go wrong. Does your team make decisions so slowly that nothing ever gets done or does it go too fast and miss critical issues that come back to bite you later? Does your team bicker endlessly or smile and nod while avoiding the tough issues? Too often team dysfunction leads to abysmal productivity and zero innovation for your organization as well as misery and wasted time for you. Most team members sit and wait feeling trapped in a team that just isn't working. *You First: Inspire Your Team to Grow Up, Get Along and Get Stuff Done* presents a radical new idea you can change your team. Author Liane Davey shows how you from any seat at the table even without support from your colleagues or your team leader can transform even a toxic team. It starts with living up to five responsibilities that will change the workings of even the most dysfunctional team. Addresses the five most common ways your team can become toxic. Gives you a diagnostic to see if your team is at risk. Doles out practical suggestions to deal with the crisis in the short term. Instructs you on how to disrupt the patterns that leave you in an endless cycle of dysfunction. Replaces those patterns with positive interactions and even productive conflict. Gives you the right words to say to change your team for the better starting today. Written by Liane Davey PhD a highly sought after consultant and Principal of Knightsbridge Leadership Solutions and the Vice President of Global Solutions and Team Effectiveness. Designed for front line employees, middle managers, executives or anyone who works regularly in teams. *You First* will help you figure out how to make your team happier, healthier and more productive.

Berzerk Barry Ghabaei, 2017-03-28 And so the short story saga continues with Barry Ghabaei's encounters with different scenarios in *Berzerk*. *Berzerk* is a compilation of short stories and sketches meant to boggle the mind, make the belly bounce with comedic delight and to sometimes only sometimes look outward at the world we live in with a serious and straightened face and laugh, laugh, laugh some more just to feel the love.
