**The Last Hurrah** Graham Viney, 2019-04-18 Young Elizabeth captures in vivid detail perhaps the single most important formative experience in Queen Elizabeth s life the 1947 royal tour of southern Africa with her parents King George VI Queen Elizabeth and Princess Margaret during which she celebrated her twenty first birthday The year of the royal tour of southern Africa 1947 marked both the high water mark of the British Empire and the very moment at which it began to unravel Graham Viney has written an intimate revealing portrait of the young princess on tour with her parents and sister Princess Margaret hard at work in the national interest and succeeding triumphantly against all odds In the words of Rian Malan South African author of *My Traitor s Heart* it is a story about a country teetering on the brink of convulsive change and yet almost united at least for a moment by love for a king and queen who weren t really ours The year 1947 was a pivotal moment not just in the history of the Union of South Africa but of the British Empire itself Later that same year India gained independence and just one year later the Afrikaner Nationalist victory in South Africa would lead inexorably to the Republic of South Africa in 1961 and its departure from the Commonwealth The present Queen Elizabeth must have learned a great deal about statecraft from her father and about duty tact and hard work from both her parents in the course of this three month tour during which the then princess celebrated her twenty first birthday It was also the family s first real experience

of multiculturalism Graham Viney's book gives us an intimate and revealing portrait of the royal family while also superbly capturing a moment in the life of a fractious recently formed nation before its descent into over four decades of darkness The royal family travelled ceaselessly from February to April on a specially commissioned white and gold train meeting thousands of people at every stop along the way The tour was a show of imperial solidarity and a recognition of South Africa's contribution to the Allied cause during the Second World War specifically that of South African prime minister Jan Smuts who had served in both British war cabinets Young Elizabeth draws skilfully on many diverse sources not least the Royal Archive at Windsor and includes many photographs of the royal family not previously published such as stills from film footage held by the South African National Film Video and Sound Archives in Pretoria

Family Business Management Rodrigo Basco, 2023-10-02 Family Business Management provides an accessible overview of the core aspects of family business with an international practice based perspective Structured in four parts the book covers key topics such as family firm goals conflict management human resources strategy financial management family and business governance and succession planning A wide variety of cases and examples are used throughout the book to highlight cultural and institutional differences between family businesses in contrasting contexts Each chapter offers a detailed case study and boxed examples illustrating real life family business situations and stimulating students critical thinking and decision making Readers are further supported by learning objectives discussion questions and further reading suggestions Digital supplements for instructors include lecture slides a test bank and additional case studies This textbook is an ideal companion for family business courses catering to both undergraduate and postgraduate students It offers valuable insights and practical guidance for business families as well as professionals working in family businesses

**British Cultural Identities** Mike Storry, Peter Childs, 2013 In British Cultural Identities Mike Storry and Peter Childs assess the degree to which being British impinges on the identity of the many people who live in Britain They analyze contemporary British identity through the various and changing ways in

which people who live in the UK position themselves and are positioned by their culture today Using examples from contemporary and popular culture each chapter covers one of seven intersecting themes place and environment education work and leisure gender sex and the family youth culture and style class and politics ethnicity and language religion and heritage This new edition is fully updated to include Britain s relationship with the wider world changes in university education and testing in schools the trend towards electronic entertainment and social networking the new impact of class and the culture of political leaking

*Royal Education* Peter Gordon, Denis Lawton, 2003 Many people assume that kings and queens have generally received a good education perhaps the best that money could buy at the time This book investigates the reality what is known about the education of British sovereigns from the beginning of the Tudor period to the end of the 20th century There have been enormous differences in the seriousness with which education was regarded at different points in history For example Henry VIII and his children were educated at a high point in the Renaissance when educational ideas were regarded as important as well as exciting Queen Elizabeth I was by any standards extremely well educated by contrast Queen Elizabeth II s education has been described as undemanding because her parents wanted her to have a happy childhood Peter Gordon and Denis Lawton have traced changes in royal education through the centuries and related them not only to educational ideas and theories but also to changing political social and religious contexts The monarchy itself has changed as an institution from the semi absolute authority of the Tudors to a much more limited kind of monarchy by the end of the Stuart period after one king had been executed and another exiled to the constitutional monarchy of the 20th century To what extent have such changes made any difference to royal education What is the most appropriate kind of education for future kings and queens in our present day democracy In this book the authors confront these and other such questions and explore some of the answers

*A Week in the Life of the Royal Family* Sunday Express, Sunday Express Staff, 1983 Portrays the daily activities of Queen Elizabeth the Prince of Wales Princess Anne and the other members of the British royal family
