Royal Victorians:

Royal Maladies Alan R. Rushton, 2008 An intensive historical study of the hereditary diseases hemophilia and porphyria in the personal and political lives of the European royal families Part I Nineteenth century medical knowledge of hemophilia as a hereditary bleeding disorder will be considered Hemophilia appeared in a son born to Queen Victoria in 1853 Hemophilia was transmitted through Victoria's unaffected daughters to the ruling houses in Germany Russia and Spain The political consequences of a chronically ill male heir to the throne fostered the demise of the royal families in these countries The royal physicians were well aware of the hereditary nature of hemophilia and failed to advise the British royal family on this matter that had significant political consequences for the modern world Part II The Madness of King George III resulted from variegated porphyria an inherited disorder of heme metabolism The disorder was evident in The immediate family of George III Ancestors from at least the 13th century Descendants into the 20th century The malady was inherited by other ruling houses in continental Europe and affected political life there for over six centuries Genetic analysis will consider how such an anomaly could have been inherited through so many successive generations Preliminary DNA evidence will be considered to document variegated porphyria in living relatives of the British royal family Alternate history if these disorders had not plagued the royal families will be considered in conclusion *The Royal Victorians* Christopher Hibbert, 1976 Biography of King Edward VII of England 1841-1910 **The London Gazette**, 1904-04 *Royal Navy List*, 1913 **The Canadian Honours System** Christopher McCreery, 2015-11-28 This updated full colour illustrated book recounts the history of Canada's various national orders decorations and medals This expanded and updated edition of The Canadian Honours System surveys the history of Canada's various orders decorations and medals from New France's Croix de St Louis Britain's the Order of the Bath to modern Canadian honours such as the Sacrifice Medal and recently created Polar Medal Since the establishment of the Order of Canada in 1967 the Canadian honours system has grown to become one of the most comprehensive in the world with more than 300 000 Canadians having been rewarded over the past fifty years Each honour in the modern Canadian honours system and its precursor the British imperial honours system is examined here in detail including historical background design and criteria for bestowal With special chapters on heraldry protocol and the proper mounting and wearing of medals The Canadian Honours System is an essential reference for anyone interested in Canadian honours *Royal supplement to Debrett's peerage, baronetage, knightage, and companionship* Debrett's illustrated peerage of the United Kingdom, 1901 **Debrett's Peerage and Baronetage 2019** Susan Morris, 2020-04-20 Debrett's Peerage Baronetage is the only up to date printed reference guide to the United Kingdom's titled families the hereditary peers life peers and peeresses and baronets and their descendants who form the fascinating tapestry of the peerage This is the first ebook edition of Debrett's Peerage Baronetage and it also contains information relating to The Royal Family Coats of Arms Principal British Commonwealth Orders Courtesy titles Forms of address Extinct dormant abeyant and disclaimed titles

Pinsent,2012-12-06 John P Horder President 1980 82 The first 30 years of the College have been an exciting experience for those most closely involved Some have already passed on but this account has been written soon enough for many of the actors to be historians Future members of the College will be grateful to them for what they have written as well as for what they did as a remarkably determined and harmonious team Students of twentieth century medicine in this country will also be grateful for a first hand account of the development of an institution which has been closely associated with and partly responsible for important changes in medical care and education Those who read these pages may wonder how the builders of this young College could have found time to do much general practice They did The three editors of this history which covers 25 years and the general practitioner members of the Steering Committee all ran large practices in which they worked very hard throughout that time Most of their work for the College was done during off duty hours weekends and holidays The College could not have developed as it did had they not been personally concerned with the practical problems and needs of clinical medicine This is also true of many of the contributors It is impossible to mention everyone who deserves credit The editors hope that they may be forgiven for any serious omissions **Victorian Year-book** Victoria. Government statist,1901 *Victorian Year-book...* ,1894 Dod's Peerage, Baronetage and Knightage of Great Britain and Ireland, Including All the Titled Classes ,1904 **The Official Gazette** Barbados,1917 Supplements contain abstracts of House of Assembly and Legislative Council debates Victorian Hansard, Containing the Debates and Proceedings of the Legislative Council and Assembly Victoria.
