Samir Edward Morcos, 2010-11 Should wisdom be judged by the answers we give to life's greatest questions Or conversely should wisdom be judged by the profundity of our questions In The Chain author Samir Morcos inspires us to begin our search for insight by first acknowledging our ignorance He then guides us through the philosophical and theological maze he refers to as a puzzle One piece of the puzzle may trigger us to question how our bodily form came into existence Another piece may activate our curiosity about the ebb and flow of the ocean's tides Everywhere we look from the color of our eyes to the people in our lives we see questions and we are propelled by our inner longing to seek satisfying answers The Chain reveals startling revelations about age old reflections It takes its readers on the journey of their lives and beyond Life challenges inspired author Samir Edward Morcos to become intensely interested in some tough topics like guilt evil and truth His drive to unravel the uncertainty of the universe and to share what he has learned impelled him to write The Chain While he lives in the real world he is inspired by the ethereal The Chain will clear your confusion through logic wisdom and knowledge Morcos was born in Cairo Egypt and now lives in Fairfax Virginia Publisher's website <http://www.strategicpublishinggroup.com/title/TheChain.htm>
