Lord Ted The Dexter Enigma:

Lord Ted Alan Lee,1995 **Ian Botham** Simon Wilde,2011-04-14 Ian Botham arrived on the international scene just in time to ride sport's first big financial wave and exploit the Thatcherite mantra of go out and get what you want. He certainly needed the cash having been regularly short since leaving state school in Yeovil at 15. In an era short on glamour and personalities Botham brought an irresistible cocktail of talent, energy and swagger. With the stench of economic failure still in the air, he made the country feel good about itself again. He showed that Britain could still produce champions and that the working class still deserved to be valued. For this he won himself a fund of public goodwill, a fund he sometimes threatened to drain but uncannily managed to replenish. Before Botham many saw cricket as a very staid, very boring game. He played it with an irreverent dash that stuck up two fingers at the cricket Establishment. He wore striped blazers and strange hats, sported long hair and droopy moustaches. He got into trouble over punch ups, drugs and girls. He was even banned from playing at one point. But all this would have meant little had he not been able to keep on achieving remarkable things as he did with impeccable timing and implausible frequency. He had an insatiable appetite and an uncanny knack for creating tales of heroism, but if he failed on that score there was always the chance of a scandal or two. He gave the media everything they needed for front pages and back and some newspapers discovered that it didn't necessarily matter if the story was true or not as long as he was in it. Ian Botham tells the story, a great piece of British sporting history, one of the greatest of a man for whom the glamour and the grit came together. And it was the grit of the times in which Botham had grown up and the grit of the where he had come from.

British Sport: Biographical studies of British sportsmen, sportswomen, and animals Richard William Cox,2003. [The Hollow Crown](#) Mark Peel,2020-05-18. Award winning cricket writer Mark Peel charts the development of the England captaincy from 1945 to the present with portraits of England's 43 captains. Is England's failure to produce sufficient leaders of stature, especially in comparison with Australia, down to individual deficiencies or the exacting nature of the job?

Fred Trueman Chris Waters,2011-10-01. Fred Trueman was so much more than a cricketing legend. The greatest living Yorkshireman according to Prime Minister Harold Wilson, he couldn't help excelling at everything he did, whether it was as a hostile fast bowler for Yorkshire and England and the first man to take 300 Test wickets in a career or as a fearlessly outspoken radio summariser for Test Match Special. He was famous for regularly spluttering that 'I don't know what's going on out there' as well as for the amount of swearing he managed to incorporate into everyday speech. Beloved of cricket crowds who filled grounds to witness his belligerent way of playing the game and nothing but trouble to the cricket authorities, fiery Fred was the epitome of a full-blooded Englishman. But as Chris Waters reveals in this first full biography, behind the charismatic exuberant mask lay a far less self-assured man, terrified.

even that his new dog wouldn't like him and whose bucolic version of his upbringing bore no relation to the gritty and impoverished South Yorkshire mining community where he actually grew up Drawing on dozens of new interviews with his Yorkshire colleagues family and friends this life of Fred Trueman will surprise and even shock but also confirm the status of an English folk hero *British Sport - a Bibliography to 2000* Richard Cox,2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian
