Evolution of Love Sheldon W. Liebman,2021-04-06 This book an examination of Judaism as it evolved over a period of approximately 1 500 years is an analysis of the Hebrew Bible and other ancient Jewish writings with special emphasis on theology and morality By the middle of the first millennium with the writing of Deuteronomy the Psalms and the works of the prophets Judaism had embraced the idea that God is a compassionate father that His relationship with His people is based on love rather than fear and that His response to their commission of sins is based on the assumption that they are capable of repentance and worthy of forgiveness In the final stage of its development culminating in the first and second centuries AD Judaism was understood to require its adherents to enact the will of God specifically to establish a community based on political economic and social laws that enforce the principles of justice and mercy And that process came to be seen as inevitably dependent on human agency the need for human beings to fulfill God s commandments In Judaism loving neighbors and strangers came to be understood as the principal and for many Jews the only way of loving God **The**

Making Sense of Genesis J. Wilson, 2017-04-25 Early Genesis is like a table of contents for the rest of the book a seed from which the rest of Scripture and history unfolds so many ideas images and events can be traced back to it Like the seeds that are so often our staple for life Genesis also provides food for the soul true wisdom and the big picture we need to live in this world But its message can be hindered by misunderstanding its purpose Making Sense of Genesis looks at what works and what doesn't work when interpreting Genesis It's not a commentary so it doesn't interact with all of Genesis or much that has been written about it Rather it observes how the ideas and images in early Genesis unfold and are fulfilled and how they are just as true and fresh for us now as they were in the beginning

These Brothers of Mine Rob Dalrymple, 2015-05-11 While the conflict in the Middle East continues to fester many Christians advance a theology that perceives these events to be the hand of God Has God truly brought the Jewish people back to the land in fulfillment of biblical prophecies Must we truly bless Israel in order to be blessed by God Lost in the midst of the turmoil over the Holy Land reside Christian communities Has the church in an

effort to see prophecy fulfilled failed to care for the least of these brothers of mine This book steps into this controversial topic with several aims First Dalrymple answers two key questions Are the Jews still God s chosen people And does the Holy Land belong to them Dalrymple contends that just as Jesus is the fulfillment of God s purpose for the Temple so also Jesus is the fulfillment of the promises to Abraham that he would receive the Holy Land and an uncountable number of descendants Dalrymple also responds to some of the common assertions set forth by Christian Zionists Many might still ask Why should I care about what happens in Israel and Palestine The fact is that we must care And we must alert the Church that we must care Too much is at stake We have Christian brothers and sisters throughout the Middle East in general and in the Holy Land in particular who have been directly impacted by our theological opinions As a result the Church cannot be silent It must not be silent
