The Lords of Midnight Drew Wagar,2025-03-03 Based on Mike Singletons epic 1984 ZX Spectrum game this is a full length Tolkienesque novel written by best selling science fiction and fantasy author Drew Wagar Set in Mike Singleton s epic realm of Midnight this story brings to life the desperate struggle of the Free and the Fey against the evil Witchking Doomdark It is clearly written by someone who has actually played the game extensively and who understands the characters and their motivations Within the events of the novel most readers will probably recognize various tactics and stratagems that they themselves have employed The author also manages to successfully dovetail the two different ways to complete the game the roleplaying quest and the militaristic wargame campaign A masterful novelization You don t have to be a fan of the original game Lords of Midnight to appreciate and enjoy this book Considering the scale and scope of the original game an entire land locked in ice with dozens of castles and cities inhabited forests all being fought over in almost real time by multiple armies of a malevolent overload in true Tolkein fashion it s a minor miracle that the book is only 550 or so pages I devoured this book which brings to life the characters landscape and lore of Midnight perfectly Author Drew Wagar sets out an excellent storyline and plot which is a key challenge in itself given the open world nature of the game Wagar s story also brings to life the legendary characters of Midnight in a compelling and convincing manner This is a key storytelling challenge as the leading characters Luxor Morkin Rorthron and Doomdark have very close equivalents in Tolkein s masterpiece The Lord of the Rings The Lords of Midnight The land of Midnight was cursed into eternal winter many thousands of moons ago The survivors battle hardship famine and war even beating back Doomdark the Witchking in a battle that lives on in legend But now at the Winter Solstice neither the Lords of Midnight or the Fey of the Forest can resist his greatest weapon the ice fear Their only hope rests in ancient lore the myth of a long lost house and the legend of the Moonprince

and my Father is the husbandman 2 Every branch in me that beareth not fruit he taketh it away and every branch that beareth fruit he cleanseth it that it may bear more fruit 3 Already ye are clean because of the word which I have spoken unto you 4 Abide in me and I in you As the branch cannot bear fruit of itself except it abide in the vine so neither can ye except ye abide in me 5 I am the vine ye are the branches He that abideth in me and I in him the same beareth much fruit for apart from me ye can do nothing 6 If a man abide not in me he is cast forth as a branch and is withered and they gather them and cast them into the fire and they are burned 7 If ye abide in me and my words abide in you ask whatsoever ye will and it shall be done unto you 8 Herein is my Father glorified that ye bear much fruit and so shall ye be my disciples 9 Even as the Father hath loved me I also have loved you abide ye in my love 10 If ye keep my commandments ye shall abide in my love even as I have kept my Father's commandments and abide in his love 11 These things have I spoken unto you that my joy may be in you and that your joy may be made full
