When the Enemy Strikes Charles F. Stanley, 2006-03-12 Your enemy is strong The battle is real Prepare for victory Fear discouragement loneliness anger temptation These struggles are common to every human Yet not all circumstances or negative emotions originate within They could be the result of a willful coordinated assault of Satan In *When the Enemy Strikes* best selling author Dr Charles Stanley explores the often overlooked reality of spiritual warfare the tactics used by Satan to taunt confuse slander and harm Your adversary wants to crush your will delay your promise hinder your destiny destroy your relationships and lead you into sin Dr Stanley reveals how you should respond The most important component of warfare says Dr Stanley is the supremacy of God both His sovereignty and His power Practically this means the battles you face are ultimately allowed by God to bring you to a place of greater reliance on Him His strength crushes the enemy This is a world of conflict between good and evil of powers beyond the merely human The battle is unavoidable but take heart God has given you the strength to stand

Pictures Brad Young, 2023-03-08 Children s books are almost always picture books When there is any uncertainty or confusion regarding the story line children can look at the pictures for clarification The pictures not only help to hold their interest but they can also simplify what might otherwise be a complex and complicated narrative God is continually engaged in the lifelong process of teaching His children Knowing how helpful and useful picture illustrations are in the learning process He has provided us with hundreds of them These pictures have been graciously provided not only to hold our interest as His Word is being taught but more importantly to also simplify what might otherwise be a complex and complicated passage of Scripture In the first section of the book we look at pictures developed by God from the material realm Many of the elements of creation were intended by God not only to make physical life possible and sustainable but also to speak to us about spiritual reality What is visible to us in the material realm explains

the invisible We discover in this section how light darkness water thirst sowing reaping and fire are picture illustrations designed to help us know our creator and better understand His purpose for our lives In the second section of the book we look at various New Testament doctrines and then turn to the people and events of the Old Testament for picture illustrations that clarify the teaching It has been said that for every New Testament principle there is an Old Testament illustration We will see why this may very well be true In the third section of the book we look at what the New Testament teaches about the person of Jesus Christ and about God s plan of salvation for the world Each picture illustration taken from the people and events of the Old Testament is a priceless masterpiece **An Intervening Love** Thomas M. Stallter,2025-05-15 This is the second of two books the first is titled Finding Freedom and Grace in a Broken World A Journey in the Purposes and Providence of God intended to help longtime but tired believers and those at a distance or disenchanted with what they have seen in Christianity to know God better to experience his grace from the inside and to grow deep in their faith and loyalty to the God of the universe The 248 themes here are intended to help readers continue to become what God wants them to be in a broken world trying to make them into something else These words are for people who want to move from Christian routines rituals and information about God to flourishing faith and trust enveloping an ongoing intimate relationship with him in their daily lives For he continues to move in the history of the world he created coming between humankind and the darkness that has settled in offering his welcoming grace to the most unworthy bringing freedom to the oppressed hope to the weary and reigniting the faith of tired Christians It is the story of his intervening love for everyone who wants it
