Financial Reporting, 3rd Edition Janice Loftus,Ken Leo,Sorin Daniliuc,Noel Boys,Belinda Luke,Hong Nee Ang,Karyn Byrnes,2020-02-25 The third edition of Loftus Financial Reporting has been updated for recent developments in the Australian Accounting Standards including the release of the new Conceptual Framework This text is designed to be used across the 2nd and 3rd year financial accounting units A hallmark feature of the text is that it provides both a conceptual understanding and a practical application of the accounting standards For students an understanding of the conceptual basis of accounting and the rationale behind the principles is crucial to the consistent application of standards in a variety of practical contexts The Financial Reporting interactive e text features a range of instructional media content designed to provide students with an engaging learning experience This includes practitioner videos from Ernst Young interactive worked problems and questions with immediate feedback Loftus unique resource can also form the basis of a blended learning solution for lecturers **Educating Moral Sensibilities in Urban Schools** ,2019-02-11 Nowadays schools face the challenge of creating pedagogical environments that are sensitive to numerous individual backgrounds in order to support students social and academic success Urban schools are communities with rich possibilities to learn how to think feel and act morally In this task principals teachers parents and students of the schools each have their own voice All these voices have to be heard in order to build communities with moral sensibilities This book brings together recent work by international researchers from nine countries in the fields of moral development and citizenship education The book consists of twelve chapters and it is divided into three parts While the first part deals with the voices of urban school educators the

second part contains chapters with the focus on students The third part is about curriculum programs and practices in schools that contribute to the education of moral sensibilities in the school communities This book can be used as a textbook in moral and citizenship education or as an updated research report on international research on moral sensibilities *Lost in Nomansland* Robin Eddy, 2011 Love Lost in Translation K. Renato Lings, 2013-06-06 Love Lost in Translation systematically examines the biblical stories and passages that are generally assumed to deal with or comment on homoerotic relationships Noah and Ham Sodom and Gomorrah Leviticus 18 22 Deuteronomy 23 17-18 Judges 19 Romans 1 26-27 and 1 Corinthians 6 9 K Renato Lings convincingly demonstrates that mistranslations of these texts into Greek Latin and other languages occurred early and that serious errors continue to be committed by translators today This explains the painful controversy about same sex relationships which has rocked Christian churches for decades Love Lost in Translation proposes a fresh approach to translating the Bible by means of linguistic and literary criteria As demonstrated throughout this ground breaking book the method enables readers to become acquainted with the literary sophistication psychological insights and spiritual depth of the Bible Combining meticulous scholarship with an accessible style Love Lost in Translation provides a much needed infusion of essential learning into a subject that affects millions of Bible readers today Tell Me a Story, and Then I'll Go to Bed . . . Paula Oltman, 2017-11-17 At the time of the authors retirement a few years ago writing a childrens storybook for her grandchildren was one of the top items on her bucket list However it wasnt far into the project that she realized that these stories based on her familys real life experiences and her most cherished tales from childhood begged to be shared The collection represents a legacy for future generations and each story is just too precious to be forgotten The twelve stories appropriate for bedtime are introduced by scripture texts that can be memorized by even young children Lessons of Gods protection answered prayers the care of angels thankfulness and Gods direction in our lives are but a few of the faith building topics covered Each story is beautifully illustrated by the watercolor and colored pen artistry of the authors good friend Darla Hanson The authors purpose in writing this book is to provide yet another avenue for children to know Jesus in their formative years and develop a growing and lifelong relationship with him Her prayer is that one of these stories might linger in your childs memory as a reminder of Gods love and care in trying circumstances
