Europe in Its Own Eyes, Europe in the Eyes of the Other David B. MacDonald, Mary-Michelle DeCoste, 2014-04-23 What is Europe Who is European What do Europe and European identity mean in the twenty first century This collection of sixteen essays seeks to answer these questions by focusing on Europe as it is seen through its own eyes and through the eyes of others across a variety of cultural texts including sport film literature dance cartography and fashion These texts as interpreted here by emerging researchers as well as well established scholars enable us to engage with European identities in the plural and to understand what these identities mean in larger cultural and political contexts The interdisciplinary focus of this volume permits an exploration of European identity that reaches beyond the area of European studies to incorporate understandings of identity from the viewpoints of both insider and other Contributors explore diverse understandings of what it means to be other to a country a culture a society or a subgroup This book offers a fresh perspective on the evolving concept of identity in the context of Europe s past present and future and expands on the existing literature by considering the political tensions and social implications of the development of European identity as well as its literary artistic and cultural manifestations

Latin American Identities After 1980 Gordana Yovanovich, Amy Huras, 2010-04-23 Latin American Identities After 1980 takes an interdisciplinary approach to Latin American social and cultural identities With broad regional coverage and an emphasis on Canadian perspectives it focuses on Latin American contact with other cultures

and nations Its sound scholarship combines evidence based case studies with the Latin American tradition of the essay particularly in areas where the discourse of the establishment does not match political social and cultural realities and where it is difficult to uncover the purposely covert This study of the cultural and social Latin America begins with an interpretation of the new Pax Americana designed in the 1980s by the North in agreement with the Southern elites As the agreement ties the hands of national governments and establishes new regional and global strategies a pan Latin American identity is emphasized over individual national identities The multi faceted impacts and effects of globalization in Bolivia Ecuador Mexico Cuba Brazil Chile Argentina and the Caribbean are examined with an emphasis on social change the transnationalization and commodification of Latin American and Caribbean arts and the adaptation of cultural identities in a globalized context as understood by Latin American authors writing from transnational perspectives *A Report on the Afterlife of Culture* Stephen Henighan,2008-04-30 In this essay collection Henighan ranges across continents centuries and linguistic traditions to examine how literary culture and our perception of history are changing as the world grows smaller He weaves together daring literary criticism with front line reporting on events such as the end of the Cold War in Poland and African reactions to the G8 Summit *The World of After* Stephen Henighan,2021-04-17 In a graduate student residence at Oxford University in the early 1990s Kevin an Irish Montrealer meets Leon a London Jew from a Communist family and Alex a Soviet defector s son brought up in Toronto When Alex begins to tutor a charming yet troubled upper class English undergraduate the dynamics in their conflicted three way friendship culminate in Kevin and Leon playing a prank on Alex The act s disastrous outcome binds the three young men together emotionally even as it dispatches them on separate courses through the 1990s Ranging from a precisely and ironically evoked Oxford which parodies that of Evelyn Waugh s *Brideshead Revisited* to post Referendum Montreal war ravaged former Yugoslavia London Moscow Poland and Berlin *The World of After* depicts the 1990s as an interlude of freedom and confused but enriching self discovery between the rigidity of the Cold War and the stark divisions of the post September 11 2001 world Kevin struggles to find love recover a friendship he has betrayed and chart a world he no longer understands as Leon dodges his past and Alex descends into a criminal culture that leads to a confrontation with his own values *Speaking of Writing* Ann Clayton,2017-08-24 SPEAKING OF WRITING is a collection of interviews conducted by Ann Clayton with Canadian novelists including Janice Kulyk Keefer Alice Boissonneau Joy Kogawa Aritha van Herk Stephen Henighan Jane Urquhart and Barbara Gowdy *Canadian Cultural Exchange / Échanges culturels au Canada* Norman Cheadle,Lucien Pelletier,2011-04-07 The essays in *Canadian Cultural Exchange changes culturels au Canada* provide a nuanced view of Canadian transcultural experience Rather than considering Canada as a bicultural dichotomy of colonizer colonized this book examines a field of many cultures and the creative interactions among them This study discusses from various perspectives Canadian cultural space as being in process of continual translation of both the other and oneself Les articles r unis dans *Canadian Cultural Exchange changes culturels*

au Canada donnent de l'expérience transculturelle canadienne une image nuancée. Plutôt que dans les termes d'une dichotomie biculturelle entre colonisateur et colonisé, le Canada y est vu comme un champ où plusieurs cultures interagissent de manière créative. Cette étude présente sous de multiples aspects le processus continu de traduction d'autrui et de soi-même auquel l'espace culturel canadien sert de théâtre.

When Words Deny the World Stephen Henighan, 2002. It's the liveliest most cogently argued, most provocative and most infuriatingly self-satisfied work of literary criticism to be published in this country in at least the last decade.

Blue River and Red Earth Stephen Henighan, 2018-04-12. These eleven short stories cover a wide range of territory from Toronto to Cuba to Eastern Europe. And wide-ranging over geography as they are, they also cover an array of characters and situations that can only be situated in the twenty-first century.
