Lost Teachings Of Jesus Bk 4 Finding The God Within:

Lost Teachings on Finding God Within Mark L. Prophet, Elizabeth Clare Prophet, 1993 How to put the teachings of Jesus into action to meet the challenges of life today Includes effective techniques to access the creative power of the higher self

The Lost Teachings of Jesus, Book 1 Mark L. Prophet, Elizabeth Clare Prophet, 2020-01-01 Unmistakable evidence that many of Jesus teachings were altered deleted or never recorded In their classic series The Lost Teachings of Jesus Mark L. Prophet and Elizabeth Clare Prophet prove that many of Jesus original teachings are missing They show that the New Testament records only a fragment of what Jesus taught That what was written down was tampered with by numerous editors or suppressed by guardians of the faith And that some of what was recorded has been misinterpreted to this day The authors fill in the gaps with a bold reconstruction of the essence of Jesus message They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples In modern vernacular they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message And they answer questions that have puzzled readers of the Bible for centuries *The Lost Teachings of Jesus, Book 2* Mark L.

Prophet, Elizabeth Clare Prophet, 2020-11-19 In Book 1 of their Lost Teachings of Jesus series Mark L. Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus original teachings were lost In Book 2 they go one step further They show how early churchmen aided and abetted by the Roman emperors Constantine and Justinian distorted Jesus true teachings And robbed you of what he wanted you to know about the power of your own inner Christ In modern vernacular parable and story the Prophets provide the missing links They explain the difference between Jesus and the Christ They show how the Church's doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation And they explore how Eastern concepts like karma reincarnation and chakras can be found wrapped in the mysteries he gave the disciples Most importantly they recapture the heart of his message that you like Jesus can reconnect with your Divine Source to realize your full potential **Key to Your Hidden Power** Elizabeth Clare Prophet, 1995 The Chela and the Path El

Morya, 1976-01 The Chela and the Path contains personal instruction from El Morya for all spiritual seekers and chelas students of a spiritual teacher With the incomparable skill of a Zen master El Morya teaches us to become who we are to see beneath the surface of daily life He teaches of the divine light above and the divine light below and the many layers of awareness that surround the soul This book is foundational for those who would not only know their true potential but fulfill it

Give Us This Day Devotionals, Volume 7 Charles Erlandson,2024-03-29 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Give Us This Day deals in depth with entire passages and their contexts Rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he s not afraid to use his sense of humor and he carefully relates the Bible not only to the individual s life but also to the life of the Church At the end of each day s devotional an appropriate Prayer is offered as well as Points for Further Reflection on the day s lesson Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer

Initiations of the Heart Elizabeth Clare Prophet,2020-11-01 Did Our Hearts Not Burn Within Us The mystics have always known that the heart is the most important center of consciousness We can gain visions through the

third eye enlightenment through the crown But the true fount of cosmic consciousness is always in the heart How do we develop our heart the chakra of Divine Love How can we increase the fire of the heart How can we expand the threefold flame the very source of life within us Within Initiations of the Heart the ascended masters reveal the mysteries of the heart Most importantly as we enter into their Word each one offers a transfer of light a unique initiation of the heart The apostles felt the fire of the heart in their encounter with the risen Christ on the road to Emmaus May you also experience that fire through your encounter with the masters in this age

The Book of Salvation Dr. Ashwin Drummond, 2023-07-26 The present book discusses the concept of salvation its need and the Plan of God in detail The common misnomer that Jesus Christ died for the Christians has been dispelled and it has been clarified that Christ died for the entire humanity His death covers each and every soul including those that died before the death of Jesus and also those who die in the future For each and every soul the door of salvation has been opened by the lord As sinners it is impossible to become righteous in the sight of God as even our righteousness is like filthy rags Through the blood of Jesus we are reconciled with the Father and by His grace we are saved For the subaltern in the scriptures the steps to salvation have been inked out which are illustrative and not exhaustive

To Be Welcomed as Christ Nicholas Scott-Blakely, 2022-02-22 Mainstream American evangelicalism is facing an identity crisis Many wonder whether or not evangelical communities can become safe spaces that better enable people to enjoy love and know God and all that God cares about This book in honor of Dennis Okholm s decades of leadership in the academy and the church commends the ways in which he has attempted to help his own communities flourish His goal of filling the pews with theologically and biblically literate Christians is a much needed example of steadiness and wisdom to an otherwise turbulent reality facing those who wish to maintain some association with the evangelical label The emphases that appear in the contributions to this book represent Okholm s passion for the life of the church his desire for evangelicalism to be a more hospitable home for all within its fold and in relation to other communities and his desire for friendship and community to have a more prominent role in theological and biblical reflection

To Be Welcomed as Christ offers an example for engaging one s own community and the communities of others with the hospitality of Christ
