Lost Thoughts Of Soldiers:

The Lost Thoughts of Soldiers Delia Falconer, 2009-08-10 Georgia 1898 On what may be the last day of his life Captain Frederick Benteen the man who saved Custer's Seventh Cavalry from almost certain death at Little Bighorn receives a letter from an ambitious boy offering to restore his reputation For over 23 years Benteen has silently watched Custer's legend grow His General has been dead for more than 20 years killed in action considered a hero while the public has never forgiven Benteen for surviving Now at last he begins to put down some account of those two horrific days pinned down on a ridge What follows is an exquisite eulogy for his fellow soldiers both alive and dead Funny moving rich in character and incident this acclaimed novel avoids the bloody battle scenes and maudlin romance that characterize much Civil War based fiction in favor of an unsparing and poetic story that explores what it means to be a soldier then and now **The Lost Thoughts of**

Lost Causes Bradley R. Clampitt, 2022-06 This groundbreaking analysis of Confederate demobilization examines the state of mind of Confederate soldiers in the immediate aftermath of war Having survived severe psychological as well as physical trauma they now faced the unknown as they headed back home in defeat Lost Causes analyzes the interlude between soldier and veteran suggesting that defeat and demobilization actually reinforced Confederate identity as well as

public memory of the war and southern resistance to African American civil rights. Intense material shortages and images of the war's devastation confronted the defeated soldiers turned veterans as they returned home to a revolutionized society. Their thoughts upon homecoming turned to immediate economic survival, a radically altered relationship with freedpeople and life under Yankee rule, all against the backdrop of fearful uncertainty. Bradley R. Clampitt argues that the experiences of returning soldiers helped establish the ideological underpinnings of the Lost Cause and create an identity based upon shared suffering and sacrifice, a pervasive commitment to white supremacy and an aversion to Federal rule and all things northern. As *Lost Causes* reveals, most Confederate veterans remained diehard Rebels despite demobilization and the demise of the Confederate States of America.

Down in the City Elizabeth Harrower, 2013-10-23 Esther Prescott has seen little of life outside her wealthy family's Rose Bay mansion until flashy Stan Peterson comes roaring up the drive in his huge American car and barges into her life. Within a fortnight they are living in his Kings Cross flat. Moody and erratic, proud of his well-bred wife yet bitterly resentful of her privilege, Stan is involved with his former girlfriend and a series of shady business deals. Esther, innocent and desperate to please him, must endure his controlling ways. This story of a troubled and obsessive marriage set against the backdrop of postwar Sydney is devastating.

First published in 1957, *Down in the City* announced Elizabeth Harrower as a major Australian writer. Elizabeth Harrower was born in Sydney in 1928 and moved to London in 1951. She travelled extensively and began to write fiction. Her first novel, *Down in the City*, was published in 1957 and was followed by *The Long Prospect* a year later. In 1959 she returned to Sydney where she began working for the ABC and as a book reviewer for the *Sydney Morning Herald*. In 1960 she published *The Catherine Wheel*, the story of an Australian law student in London, her only novel not set in Sydney. *The Watch Tower* appeared in 1966. No further novels were published until May 2014 when Harrower's lost novel *In Certain Circles* was released. Her work is austere, intelligent, ruthless in its perceptions about men and women. She was admired by many of her contemporaries, including Patrick White and Christina Stead, and is without doubt among the most important writers of the postwar period in Australia. Elizabeth Harrower died in Sydney on 7 July 2020 at the age of ninety-two.

Down in the City marked the arrival of one of the sharpest authors of psychological fiction in Australian literature. Many of the things that happen in the novel are unpleasant but are rendered with such intensity and psychological insight that the experience of reading about them is thrilling.

Australian a triumph from Text's project to recover forgotten Australian literature. Doused in melancholy and written from an accessible yet unnerving third-person perspective, Harrower's debut is a light read with weighty resonance.
